## FROM MY SIDE OF THE COURI by Bob Szuch

On Tuesday, May 17th, a special meeting of the Michigan Racquetball Association was held in Lansing. The following is a brief snyopsis of what transpired at that meeting

The team concept was discussed. The entry fee will go from \$10 to \$12 for the 1983-1984 season. Teams will be limited to 4 members and the point system will be 10-5-3-2-1. Ted Dutcher will be administrator of the team concept program for the up-coming season.

Two new divisions will be introduced at the states next season. The Junior 17 and under, and the Junior 15 and under will have an "A" and "B" division. This was done to insure equal competition for that age group. The idea of a Pro Open division was discussed again, but nothing was done on this matter.

Entry Fees were set for the 1983-1984 season Regular divisions \$20; Juniors \$15; Team concept \$12. The doubles entry fee has not been decided on as of May 17th.

The MRA dues will go from \$3 to \$5 for the 1983-1984 season. For this increase, the MRA will cover the cost of its newsletter, and will be able to mail all entries to all members for the up-coming season Membership cards will also be issued.

A committee composed of: Jim Emerson, Jack Labaido, JimEasterling, Ted Dutcher and myself were given the task to develop a guideline for the system of doing the draws. We are to report back prior to the 1st MRA stop

A new entry design was approved for the 1983-1984 season.

For the 1983-84 season, no refunds will be given after the draws are made for any MRA stop. Also, no names will be added to the draw once the draw is complete. The 3 tournament rule is still in effect.

Canadian or out-of-state players will not be eligible for any state championship. (Singles-Doubles-Juniors)

Other issues were tabled until further notice

## PRESIDENI'S CORNER by Jim Easterling

As you read this letter, I will no longer be President of the MRA. I have been President for the past two years and feel it is time to step down and let someone else carry the ball for awhile June 7, 1983, will be the last board meeting at which I will be President.

Yes, I do indeed plan on being a board member of the MRA in the years to come. I have been lucky and seen a lot of good things happen with racquetball and the MRA while I have been in office.

I have seen the MRA Board take a new direction and start running the tournaments themselves which adds to the quality and consistency of each tournament. Most of the credit for this direction goes to Gary and Peggy Doty.

I have seen April 25, 1982 be declared as "Racquetball Day" in Michigan by the former governor, William Milliken Larry Cole deserves the credit for his hard work in making this happen.

I have seen four different MRA official "Referee Clinics" held around the state which has helped a few people understand the rules better and help them referee better.

I have seen the MRA gain a lot of respect from both clubs and sponsors for handling our activities in a business-like and precise manner

I have seen 2 years (1981-82 and 1982-83) where the MRA has made the biggest most colorful poster with the dates and sights of all MRA racquetball tournaments in the state on them

I have been the MRA in October 1981 adopt the official rule to make all "losers" referee. Since that time most of the tournaments in the state have adopted this rule and followed suit.

I have seen the State Singles Championship begin to be moved throughout the state by going to Franklin Racquet Club in Southfield and at this tournament every single player received a warm-up. No other racquetball tournament in this state has ever done this!! This has not, to my knowledge, been done at any other tournament anywhere else. Dr Pepper deserves a big thanks for all of their help for the success of the State Singles Championship. This tournament was a way of saying thank you to the Michigan racquetball player for their support of the MRA throughout the year and I believe the MRA will continue with these sort of things in the future.

In closing, I would like to say it has been an honor and a privilege to be President of the MRA and I would like to say thank you to all of the Michigan players for their help and support.

Thank you

## STATE SINGLES CHAMPIONSHIPS by Bill Gottlieb

April 8-10 marked the MRA State Racquetball Championships. They were held at the plush Franklin Racquet Club in Southfield This tournament drew 278 entries in 18 divisions. Each entrant was given an acrylic warm-up, a 2-liter bottle of Dr. Pepper, and a goody bag filled with all kinds of things Play started Friday afternoon and there was thrilling action all weekend. Two awards were presented to deserving people. The Honorary Contribution award was presented to Diane Driver for her unselfish contribution to the growth and betterment of racquetball. Denise Gravelyn was presented with the sportsmanship award for being the person who most represents the idea of sportsmanship under extreme conditions. Congratulations to both of you.

A special thank you is extended to all the sponsors that helped make this event a memorable one. Dr. Pepper gave each entrant a 2-liter bottle of Dr. Pepper. Beta awarded each first place winner a pair of racquetball shoes. AMF Voit supplied the tournament balls and donated 10 racquets as door prizes. Wheels Inn donated 5 weekend stays for two as door prizes. Buddy's Pizza furnished food to participants. Others who deserve a word of thanks: Franklin Racquet Club staff, tournament staff, and all the other people who helped out to make this event possible. As an added note, Jim Easterling will no longer be with the MRA. A well known Southfield restaurant lured him away to preside as chef in their kitchens (great scrambled eggs, Jim).
