## STATE DOUBLES

The 1988 CRA/AARA State Doubles Championship was held at the Sports Club in Lakewood September 22-25. Over 185 Players comprised 149 teams to make for top level competition in each division. The tournament appeared to be the Tony Boscia and Mirjam Wielheesen show as they both become double doubles titlists. Tony and Mirjam teamed up to defeat defending mixed open champions Barry Riddle and Debbie Wilcox. Mirjam then paired up with Sherry Armstrong to take the women's open over Diane Adams and Madeline Eichhorn in a very close final. Tony and long-time partner Mark Helton lived up to their number one seed and took the Men's Open Championship from Don Kelly and Steve Neilson in two games. Complete tournament results are inside this issue.

The Hospitality provided by Cappaccinos, Quizno's, Pepsi, and Coors was excellent causing many matches to be replayed in the lounge. The Sports Club with its fourteen courts provided an excellent facility for tournament play. A special thanks goes out to Jay Nelson and The Sports Club gang. An extra special thanks goes to Kathy Bowden and Steve Holzapfel as Volunteer Tournament Directors.

# PIKES PEAK RACQUETBALL ASSOCIATION

What is the PPRA? The Pikes Peak Racquetball Association is an organization dedicated to the promotion and extension of the sport of racquetball to the general public of the Pikes Peak region. The Pikes Peak region extends from Monument to Trinidad. Anybody within this region who is a member of the CRA/AARA is an automatic member of the PPRA.

The current board of the PPRA considers the promotion of racquetball for beginning players and Juniors to be the primary goal of the organization. To help achieve this goal the PPRA is encouraging maximum participation in the four upcoming tournaments in Colorado Springs.

## THE HOSPITALITY OPEN

The Point Athletic Club — November 17-20, 1988

## THE BRIARGATE OPEN

Lynmar Racquet & Health Jan. 19-22, 1989

## JOHN VENTIMIGLIA

Lynmar Racquet & Health - Mar. 9-12, 1989

## STEVE JOHNSON OPEN

The Point Athletic Club - Mar. 23-26, 1989

In addition, the PPRA will sponsor a Juniors tournament and championship May 11-14 at a site to be determined. For those players who do not feel ready to play tournaments, the PPRA will sponsor a series of City Leagues, the first of which will be held January 6-7. Watch for more information at your club and in the Rollout.

The PPRA meets on the first Wednesday of each month at Chi Chi's restaurant at 7:00 p.m. Mark your calendar and plan to attend the next meeting. Everyone is welcome! For more information on the PPRA and its activities contact Doug Buchanan, President, at (719) 574-0477 or write to PPRA, P.O. Box 25512, Colorado Springs, Colorado 80917.

## PLAYER QUESTIONNAIRE

Male ☐ Female ☐ Level of play \_\_\_\_\_

1. Do you feel tournament directors are putting enough emphasis on seeding? Is this important to you as a player?
2. What do you feel is a comfortable entry fee?
3. Do you think optional tournament souvenirs are a good idea if it lowers your entry?
4. Do you feel there should be more of a penalty placed on those players who leave without refereeing?
5. Should the CRA penalize host clubs who do not turn over new membership and tournament results in a timely manner?
6. Would you like to see AARA Rankings made available at all tournaments? Is this important to you as a player?
7. Do you favor a paid referee system? This means higher entry fees of which portions would be refunded after you referee.
8. Is it important to you that matches run on time?
9. In order of importance, please rank the following:

|                                   |                         |

# LOCKER ROOM TALK

## National Doubles

Four hundred ninety doubles teams competed in the 1988 Ektelon/U.S. National Racquetball Doubles Championships held at the Meritt Athletic Club in Baltimore, MD, October 27-31. This tremendous turnout represents a 75% increase over 1987.

Two Colorado players placed in two divisions. Bobby Rodriguez took third in the men's open with Jack Nolan (AZ) and fourth in the mixed open with Trina Rasmussen (FL). Colorado Springs' Art Goss placed second with Don Goddard of Montana in 65+, and third in the 60+ with the same partner. Congratulations Bobby and Art.

The Open finals were televised with the use of a white floor to help track the ball. The tapes are being shown on regional cable throughout the U.S.

The 1989 U.S. Doubles Championships are slated for Minneapolis, October 26 - 29th, it's not too early to start practicing.

## What's In A Name?

Tournament Directors! In order to give everyone their correct ranking points we need first names for quarterfinalists on up. Some players are listed under several variations of their name in the state rankings. As a player you need to make sure your name is spelled correctly on your entry and the tournament draw sheet. We are aspiring toward greater accuracy in our rankings and we need consistency from everyone.

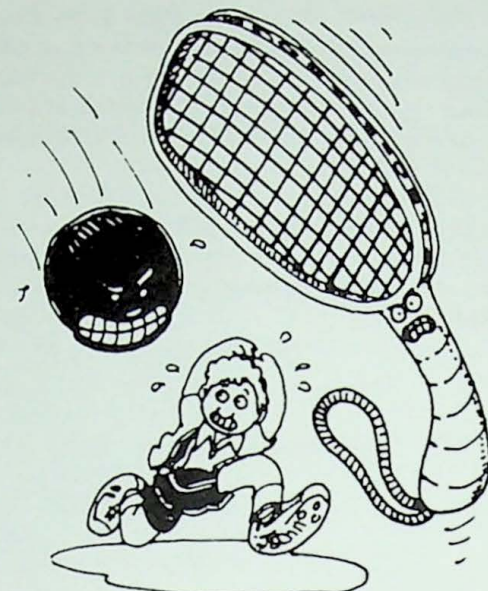

## T.V.

One of the most important things that you can do to help promote and develop the sport is to help us have racquetball televised on a regular basis. The A.A.R.A. has made the major commitment to televise the Ektelon National Singles and Doubles Championships. The A.A.R.A. is producing, directing, and financing the televising of these events. Ektelon has made the commitment of making a financial contribution on this area over and above its regular sponsorship. However, this commitment only begins to cover the financial commitment made by the A.A.R.A. Therefore, we need your help. There is no question that it is a high priority of our sport to have it televised and through television, racquetball can become a major sport in the next decade that can rival tennis. Racquetball can be televised as evidenced by the Doubles and the white floor which was used there. The telecast was cleared on regional television cable throughout the United States along with the Tempo National Cable hookup. This is where you come in. You might have asked yourself, after watching Golf, Bowling, and Wrist Wrestling on television, how can they be on and we are not? The answer is simple, the participants of those sports demand it. So must we. You must call, write, and demand that these shows be aired. The product is available and is high quality. When it is shown,

write, call, and thank them. In addition, write to your sponsors and the sponsors of the show and tell them that you saw the show and enjoyed it. We can't do it without you. It can only happen if you demand it and are loyal to it. Tennis, Football, Golf, Bowling, etc fans are not better than us. Let's make it happen.

## T.V. & MORE T.V.

The Michelob Pro Doubles Tournament aired on the prime sports television network the week of November 14-20. The excitement of seeing a local racquetball tournament on the tube enhances our sport in Colorado. Dirk Zeller deserves credit for making the extra effort to obtain this much needed coverage. If you missed the action there are several tapes around and the Rollout will seek out dates and times of any other televised racquetball tournaments.

## JUNIOR WORKSHOP UPDATE

Sunday, October 9, was the the kickoff day for the junior racquetball workshops. This was held at The Sports Club of Lakewood whose staff and management deserve a big thank you for all their support. Approximately 12 juniors from various clubs enjoyed a fun-filled day of racquetball drills, matches and refreshments. Dirk Zeller volunteered the entire afternoon to the workshop by giving the juniors general racquetball information, demonstrations, and letting them challenge him. Everyone involved commented on what a superb job he did.

After an afternoon of hard work (and fun) refreshments were served and door prizes were given to all who participated.

Once again thank you to The Sports Club, Dirk Zeller and Marianne Czupor for making this day a success!!

A reminder that our next Junior Workshop will be held at the Plaza Athletic Club on Sunday, November 20 from 2-5 p.m. The December workshop will be held at the Denver Athletic Club on Sunday, December 11 also from 2-5 p.m. We encourage all juniors to attend and bring a friend!

## SCHEDULE

### SUNDAY

December 11 - Denver Athletic Club — 2-5 p.m.

### SATURDAY

Front Range Sports — 2-5 p.m.

February — Junior Tournament — Colorado Springs

March 2-5 — State Age Groups

April & May — Practice Sessions at the Sportsclub and Plaza for Regionals and Nationals

May — Junior Regionals Tentatively Set

Mid-May (Site to be determined)

June — Junior Nationals End of June

Tentatively Set for Indiana

If there are any other clubs interested in hosting a workshop, please contact Helen O'Connell, 425-7432 to set it up. The workshops are for juniors 6-18 years old and offer instruction, round robins, games, door prizes, snacks, drinks and lots of fun! It also provides some good competition where you can meet players your own age or ability and helps to improve your game. The cost of the workshops is \$3 per person and the host club donates a portion of that back to the Junior Fund.

## ANOTHER LITTLE INNOVATION TO HELP YOU WALK ALL OVER YOUR OPPONENTS.

Take the next step in racquetball performance. With our new shoes, The Answer™. They're designed from the ground up specifically for racquetball. By the company that knows the sport better than anyone.

## EXTRA

Nick Eichhorn, Program Director at the Front Range Sports & Courts, once again did an outstanding job in obtaining over forty new CRA/AARA members at the Front Range Fall Classic, October 6-8, 1988. GREAT JOB NICK!

The A.A.R.A.'s application to have its Junior program designated as Junior Olympics by the U.S.O.C. was approved by the U.S.O.C. The full benefit of this designation will not be realized until a full report is made by the U.S.O.C. to the A.A.R.A. The Junior Olympics designation will raise the Racquetball Junior Program to the level of other major sports Junior Olympic programs.

## RUHL'S RULES

With the holidays around the corner, many of us do not have time for trivial rules. You will be a turkey, maybe not cooked and stuffed, if you are required to referee because. . . sh sh sh. . . you lost and you do not know the rules. To absorb the entire rule book is too much to digest. So if you take the Rollout into the bathroom each day, you can absorb a little at a time. So take your Rollout instead of the Sunday cartoons to relax. You never know it might make you laugh like the cartoons.

Well on to business.

### RULE 4.6 DRIVE SERVE ZONES

The player may drive serve to the same side of the court on which he is standing so long as the start and finish of the service motion takes place outside the three foot line.

Infraction of this rule results in:

1. Side Out
2. Second serve not appealable.
3. Second serve appealable.

This violation is a fault serve. It is an illegal drive serve and is appealable. So #3 is correct.

### RULE 4.10 SCREEN SERVE

A served ball that first hits the front wall and on the rebound passes so closely to the server that it prevents the receiver from having a clear view of the ball.

1. Receivers call.
2. Screen regardless of receivers position.
3. Fault serve Second serve.

The receiver is obligated to place himself in good court position, near center court to obtain that view. This is the only fault serve that is not appealable. #3 is correct.

### RULE 2.1 SAFETY ZONE

The safety zone is the five foot area bounded by the back edges of the short line and the receiving line. This zone is observed only during the serve.

A safety zone violation is:

1. When the server enters the safety zone before the served ball passes the short line and results in a second serve.
2. When the server enters the safety zone before the served ball passes the short line and results in loss of serve.

A call of out serve is made if the server enters the safety zone. #2 is correct.

### RULE 4.11 CROTCH SERVE

Any served ball that hits the crotch of the front wall and floor front wall and side wall, or front wall and ceiling is.

1. Second serve.
2. Out serve.

#2 is correct because it didn't hit the front wall first. A crotch serve to the back wall and floor or side wall and floor beyond the short line is in play.

### RULE 4.12 RETURN OF SERVE

On the fly return attempt, the receiver may not strike the ball until the ball breaks the plane of the receiving or five foot line. The follow-through:

1. May not carry the receiver and or his racquet past the receiving line with a retake.
2. May carry the receiver and or his racquet past the receiving line.

#2 is correct.

### RULE 4.14 RALLIES

Failure to return the ball and a point reward is given when:

1. Switching the racquet to other hand during rally.
2. Touching the ball with the handle or any other part of the racquet.
3. Removing the wrist thong.

All of the above are violations and result in side out or point depending on if the violator was serving or receiving.

### RULE 4.15 DEAD BALL HINDERS

If the body contact occurs which the referee believes was sufficient to stop the rally, either for the purpose of preventing injury by further contact or because the contact prevented a player from being able to make a reasonable return, the referee shall call a hinder. Contact with the racquet on the follow through:

1. Hinder
2. Normally is not considered a dead ball hinder.

#2 unless it is enroute to or just prior to contact of ball.
