

NATIONALS AWARDED TO HOUSTON

The Houston Downtown Y.M.C.A. has been awarded the host site bid for the 1983 United States National Singles Championships May 26-30, 1983. Located in the heart of Houston's central business district, easily accessible from Houston's Intercontinental and Hobby airports, the Downtown Y.M.C.A. offer the utmost in recreational activities. The recently completed \$6,500,000 renovation, the latest exercise technology, a painstaking attention to detail, and years of experience have gone into making the Downtown Y one of the finest health and fitness facilities in the country. The 12,500 square feet of athletic facility includes:

- 21 Championship racquetball courts
- 11 Glass backwall (white glass)
- 2 White Glass backwall and sidewall courts with a seating capacity for 800
- Carpeted locker rooms with:
 - 6000 men's full lockers
 - 1500 women's full lockers
 - 3 dry saunas 4 steam saunas
 - 3 whirlpools
- Weight room with:
 - 12 station nautilus equipment

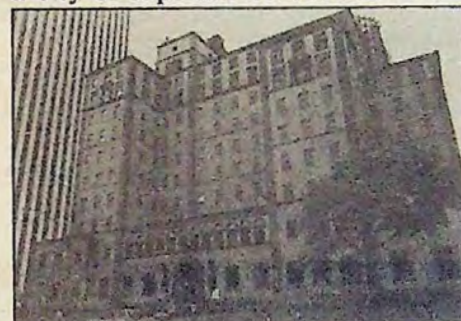

- 11 station Com II workout equipment
- free weights
- stationary bicycles
- Indoor Running track
- Rooftop running track
- Pro shop
- Swimming pool 75' x 25'
- Gymnasium
- Restaurant

The Houston organizing committee, under the most able direction of Dick Bagby and John Watson, is presently negotiating with the well-known eighth wonder of the world, the Astrodome, to hold our membership banquet in conjunction with the Houston Astro-St. Louis Cardinal baseball game. A tournament player's name will be drawn during the banquet for the honor of throwing out the first ball at the game.

The Whitehall Hotel, one of the most luxurious in Houston, has been designated tournament headquarters. The deluxe accommodations usually costing \$85.00-\$115.00 for a single

have been made available to us for \$42.00 per day single or double occupancy.

By any measurement, Houston is a city of superlatives. As one of the

Houston YMCA

most prosperous metropolitan areas in the U.S., Houston has been a magnet, attracting active and ambitious people at the rate of 75,000 per year. The Houston metropolitan area has a population of more than 3 million people.

Located just 50 miles from the Gulf of Mexico, Houston enjoys a mild climate through most of the year. It's a thoroughly air-conditioned

city providing all weather comfort for watching baseball or football in the Astrodome or shopping in the Galleria or other covered air-conditioned malls.

Famed for its port facilities, the third busiest in the U.S., and as the headquarters of the petroleum and petro chemical industries, Houston also gained worldwide renown with its broadcasting of the first words spoken from the moon.

NASA is located just 28 miles from the Houston Downtown Y and is open daily for both guided and self-guided tours at no charge. In addition, Houston offers the finest shopping, restaurants and entertainment whether it is a shopping trip to the Galleria, a foot stompin' time at Gilley's, a glimpse of the space age at NASA or a ball game at the Dome, Houston offers something for everyone.

The 1983 Nationals promises to be much more than just another "Nationals." The 1983 Nationals are sponsored by Lite Beer from Miller, D. P. Leach and Penn Athletic Products Co.

The International Scene

FIRST ASIAN REGIONALS

The first Asian Regional Championships for racquetball have been conducted, setting yet another international racquetball precedent.

The event, the first of its kind in Asia, was conducted from 13-15 July 1982, following immediately on the heels of the first European Regional Championships, held in May of this year. The North American Regionals are to be conducted in 1983, shortly before the second World Championships.

The Asian event brought out seventy players to the Do Sports Plaza in Tokyo, with seven men's teams and five ladies teams competing under the team rules of the International Amateur Racquetball Federation. The IARF rules call for three singles players and one doubles team on one team, with all participants playing round robin. One point is scored for each single or doubles team victory.

Since racquetball in Asia is still primarily a Japanese endeavor, all entrants this year were Japanese. In future years Korea, Republic of China, the Republic of the Philippines, Thailand, and others are expected to join in the competition. To put things in proper

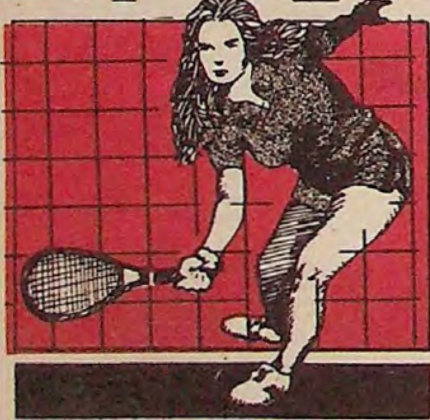

perspective, Japanese males only started competing competitively three years ago, with the construction of the first racquetball only court. Lady players only started 18-months ago.

The excitement of the Asian Regionals was fantastic, for both players and spectators. Japan is gradually building depth of play, and most of the matches were very closely contested.

The event coincidentally brought two winners in one event. By using the IARF scoring system the Do Sports Plaza team eked out a one-point victory over the Kobe YMCA team. Tournament officials, however, decided to make this event also a Japan Club Championship event, and by employing another scoring system the Kobe YMCA team eked out a victory over the same Do Sports Plaza team by one point. The second scoring system was a team-vs-team point system.

Racquetball fever in Japan is rising, and events like this help the sport grow in healthy directions. Japan is looking forward with eagerness to the next World Championships, tentatively slated for Zurich, Switzerland in 1983.

FROM THE PRESIDENT'S DESK

PAUL HENRICKSON

Paul Henrickson, President,
AARA

The AARA, being a player-based and operated association, is daily concerned with the operation and development of amateur racquetball tournaments.

Having earned the respect of players, AARA sanctioned events have proven to be the finest tournaments conducted throughout the country. In order for a tournament to function successfully it is important that the players accept their responsibilities to the event such as:

1. Mailing their entry form with payment prior to the entry deadline;
2. Arriving at the tournament site in advance of their scheduled starting time;
3. Reporting to the tournament desk to assume their referee duties when required;

4. Assisting inexperienced referees in the performance of their duties.

The cooperation of the players in assuming these responsibilities will tremendously assist the tournament director and assure all players participating in the event that the tournament will progress smoothly and will be a rewarding experience for all those involved.

On the other side of the coin, the tournament directors have a shared responsibility to the tournament players. They should assure the players that:

1. The starting times are offered well in advance of the first scheduled matches;

2. The draw sheets are properly posted, including times for all matches to be played;

3. The consolation rounds are offered in every division, unless otherwise stated on the application;

4. Adequate hospitality is provided for all tournament entries;

5. Tournament entry fees should be directly reflective of the quality of souvenirs and prizes to be awarded at the event;

6. Ranking forms and membership lists should be filled out properly and submitted to the AARA office or state director immediately following the conclusion of the event.

With the cooperation of the tournament director as well as the tournament participants, the AARA will continue to offer the finest racquetball tournaments conducted for the amateur player in the United States. □

New Jersey AARA

MEETING HIGHLIGHTS

The last meeting of the New Jersey Chapter of the AARA proved to be informative and enlightening to all Board members who attended. Under the resourceful hand of State Director Jon Denley, the three hour meeting covered the proposed activities and tournaments scheduled for the coming year. With the numerous additional sponsors we have acquired, and the many new and exciting ideas brought forth by Jon and the Board, the AARA plans to show New Jersey's Racquetballers their best and most successful year.

Furthermore, a few additions and new appointments have been made to the previously established Board. The AARA has welcomed Mike Frankel and Lonnie Algood, both formerly of the NJRA, to its ranks. Mike will be State Rules and Refereeing Coordinator and State Ranking Coordinator. Special congratulations are in order for Mike, who has been newly appointed as a member of the AARA National Rules Committee. Lonnie Algood, former NJRA

President, has been appointed as our State Tournament Coordinator. Warren Searles, Pro Instructor from the Woodbridge Racquetball Club, has been appointed as Juniors Program Coordinator. Jan Braun will continue another year in her former position of Secretary/Treasurer and has accepted the added responsibility of coordinating and publishing the AARA Club Owner's Newsletter. Mandie Sudol, Pro Instructor from the Racket Ball Club at Cedar Knolls, has been appointed as AARA's Press Secretary and Womens Program Coordinator for the State.

With the high levels of enthusiasm and ability evident in all the Board members, the AARA is ready and already hard at work for you, the amateur player. You can help us to help you by airing your views and voicing your opinion to us at any time. We are always anxious to hear from you at our next meeting. Just get in touch with any of the Board members. Until next time . . . Hit all aces!!

NATIONAL SENIORS INVITATIONAL SLATED FOR HOUSTON FEBRUARY 22-24

Jim Austin, National Seniors coordinator announced the annual A.A.R.A. Seniors Invitational to be held at the Houston Y.M.C.A., Downtown, the site of the National Singles Championships. Competition will be held in Women's 30+ and 35+ age divisions and Men's 35+ and 40+. Participation is limited, but anyone interested in playing please contact Jim Austin at 713-496-3447.

STEAL THE SHIRT OFF OUR BACK FOR \$2.95.

We're offering every man and woman in America the shirt off our back.

Just send us \$2.95 and three (3) proofs of purchase from specially marked cans of Penn® racquetballs*:

Then we'll send you a top-quality, his or hers, raglan T-shirt with the logo of the #1 ball in the game: Penn.

With a ball this good, and a shirt this good-looking, you're sure to make a smashing court appearance.

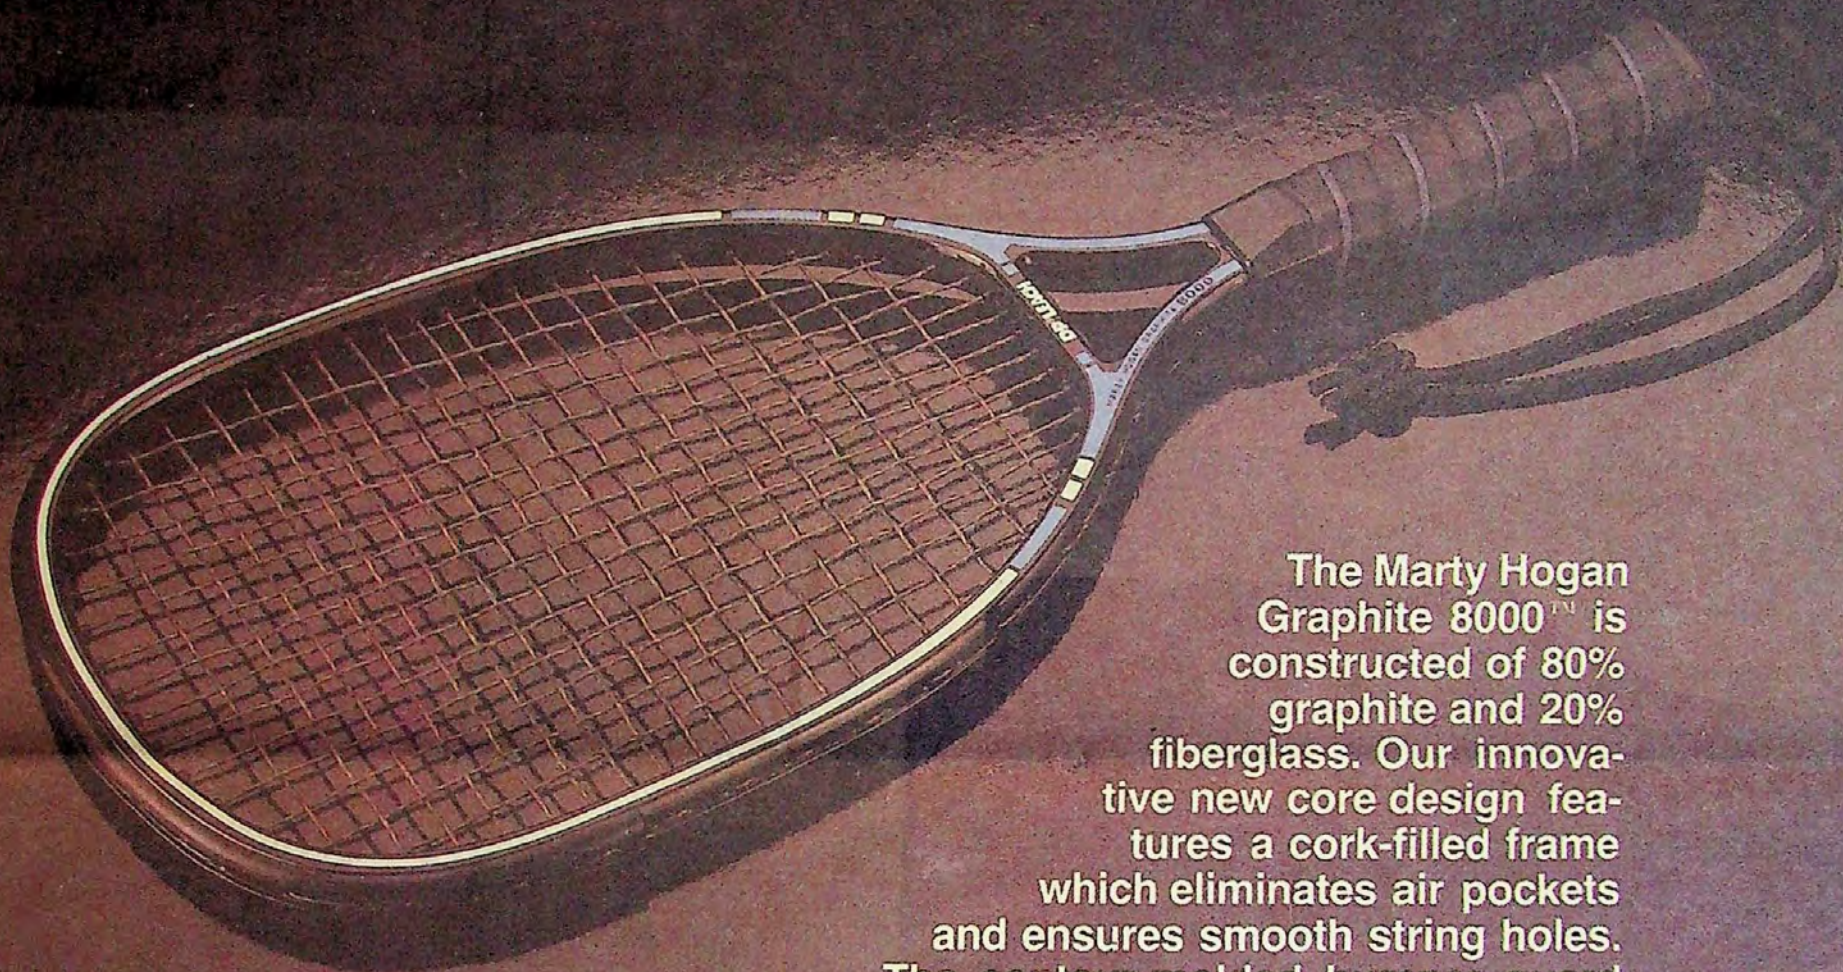

And at \$2.95, this offer is almost a crime.

*Full details on coupons in specially marked cans.

Penn Athletic Products Company, Monroeville, PA 15146.

8000 Ways to Beat Your Opponent

The Marty Hogan Graphite 8000™ is constructed of 80% graphite and 20% fiberglass. Our innovative new core design features a cork-filled frame which eliminates air pockets and ensures smooth string holes.

The contour-molded bumper guard gives longer string life and added protection.

The narrow, contoured throat creates a perfectly balanced racquet. Put these unique features together and the result is a racquet that gives you power for the kill shots, control for the finesse shots, and consistency for an overall better game.

The Marty Hogan Graphite 8000™ gives you every advantage.

PLAYERS FORUM

"The Point Against Points" by Ali Swofford

Imagine telling the Pittsburgh Steelers that they had not won the Super Bowl because, although they had won the game, their opponents had scored more total points during the playoffs. Or how about telling Martina Navratilova that, even though she won the final match, Chris Evert Lloyd was awarded the Wimbledon title because she scored more points in the games she lost than did Martina. Not too likely in either case! However, this unusual point situation happens all too frequently in many racquetball tournaments where there is a small draw in a division.

In an attempt to give each player a good competitive experience, the tournament director decides on the format of round robin/highest total number of points scored wins. Take for example, the situation where six women enter the Women's Open Division. Each person plays five matches consisting of two games to fifteen points. The total number of points scored in both games is recorded as the match score. At the conclusion of play all match scores are totalled, and a winner is declared. Sounds fair, right? Wrong. Is it fair that one player can lose one game and come in third place? Or is it fair that a player can lose five games and win the tournament? Impossible? Note the following example:

As you can see, Vicky won the tournament with a total of 143 points. In her match with Margaret she lost both games; in her match with Donna she

Vicky won the tournament. On the other hand, Donna lost only one game in the entire tournament. She came in third. Still think round robin/total points is fair?

Racquetball is a sport of games and matches, not point totals. I fully agree that in the case of a small draw a round robin should be utilized. In fact, a round robin is the only tournament format that truly gives an equal opportunity to all players. However, determining a racquetball winner based upon point totals is no different than the examples of the Super Bowl or Wimbledon. Games are won or lost. In determining an overall champion it is irrelevant as to whether the score was 15-1 or 15-14. In either case the game was won. How many times have there been tournament scores of 5-21, 21-12, 11-6? Should the player who won the tiebreaker lose the match because he/she totalled less points in the over-all match? No. The same principle should apply to a round robin format. Points should be awarded based upon games won.

The following two scoring systems appear most closely related to normal methodology of winner determination: Round Robin-all players in the division play each other.

PLAN 1:

Two games to fifteen with the winner of each game receiving one point. Total possible points per match two.

PLAN 2:

Two games to fifteen with the winner of each game receiving one point. Should the same person win both fifteen

PLAYER	1	2	3	4	5	6	TOTALS
VICKY		15-11 13-5 = 28	14-15 14-15 = 28	15-12 15-11 = 30	13-15 14-15 = 27	15-13 15-12 = 30	143
PAULA	11-15 15-15 = 26		15-15 14-15 = 29	13-15 15-11 = 30	10-15 10-15 = 30	11-15 15-11 = 26	129
MARGARET	15-14 15-14 = 30	13-15 15-14 = 28		15-10 15-12 = 30	15-6 12-15 = 27	15-12 12-15 = 27	142
CAROLYN	12-15 11-15 = 23	15-13 11-15 = 26	10-15 12-15 = 22		11-15 10-15 = 21	12-15 15-12 = 27	119
DONNA	15-13 15-14 = 30	15-10 15-10 = 30	6-15 15-12 = 21	15-11 15-10 = 30		15-10 15-12 = 30	141
MICKY	13-15 12-15 = 25	15-11 11-15 = 26	12-15 15-12 = 27	15-12 12-15 = 22	10-15 12-15 = 22		127

lost both games; and in her match with Paula she split games. Nonetheless,

NORTH AMERICAN ZONE COMPETITION MOVED TO STOCKTON, CALIFORNIA

At the last minute, the Canadian Racquetball Association voted against participating in the 1983 North American Zone competition thus necessitating moving the site of the games from Montreal to the Quail Lake Athletic Club in Stockton, CA on March 4, 5, 6, 1983. The United States team will have head on competition from Mexico and possibly Costa Rica for supremacy of North America.

The first-ever regional game will be held in connection with the Northern California Grand Prix under the direction of Scott Jenson and Richard Bruns.

point games in the match an additional bonus is awarded. Total possible points per match is three.

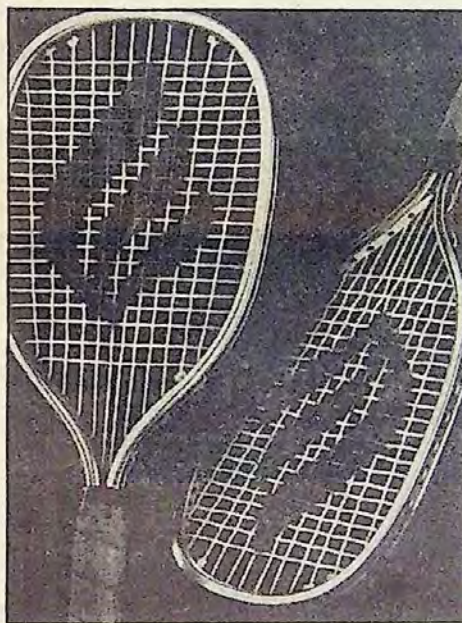

In the case of a tie under either plan 1 or plan 2 the results of the match played between the two tied contestants would determine the winner.

Plan 1 strictly recognizes a point for a win. Plan 2 gives a bonus point incentive to the winner of the first game to work hard for a sweep. It also provides an incentive to the loser of the first game to win the second game, thus he/she is only one point down instead of three. Either plan is workable, however more ties are apt to occur under plan 1. Nonetheless, a true winner is determined. The individual that won the game is rewarded.

Sports are not based upon who almost won. A runner that runs 48 yards in the

50 yard dash did not win. A soccer team that scores two goals to their opponents three did not win. So it should be with racquetball. Psychologically it is fine to say, "I only scored one less point than my opponent, it could have gone either way." However, statistically the person with one less point lost the game. My point against points as the criteria for determining a champion, is that by definition a champion is a winner. As demonstrated in the round robin total points example an individual may be a consistent loser and be declared a champion. To me the true champion is the person who, coming from a 15-20 deficit in the second game, having already lost the first game, goes on not only to win the twenty-first point but also to win the tiebreaker 11-10. I don't care if the score in the first game was 0-21. The champion won two games, the loser won one. No, the champion did not score as many points, but would anyone dare say that this individual was not the winner? A standard is set, a goal is obtained, a game is either won or lost.

Ektelon Introduces the New Citori™ Racquetball's Most Advanced Aluminum Racquet

Ektelon, a leading manufacturer of racquetball racquets and equipment has introduced racquetball's most advanced aluminum racquet, the new Citori™.

Manufactured from a unique drawn seamless tube of an aluminum alloy, 7178-TG, the Citori features a very stiff frame which increases power. The new aluminum alloy, designed by Ektelon and True Temper, is 100 percent stronger than competitive alloys and 56 percent stronger than other Ektelon aluminum racquets. The frame is extremely resistant to distortion and twisting at impact, which assures the player greater control of his shots.

The Citori utilizes the Wishbone frame with its larger sweet spot and is further enhanced by Ektelon's Sunburst string pattern which increases the efficiency of each string and improves the dynamics of the entire hitting surface.

The 240 gram Citori features a flat, tacky leather grip, sewn-on nylon bumper and grommet system, silverblue aluminum frame and neutral heat welded multifilament braided string. Handle sizes are available in super small

(3-11/16"), extra small (3-15/16"), small (4-1/8") and flared.

The racquet features a full, 90-day racquet string warranty and is covered by Ektelon's full, two-year frame warranty.

Ektelon Perfects New Speedflite Racquetball

Ektelon has made a great racquetball even better. The San Diego-based manufacturer of racquetball racquets and accessories has developed a totally new rubber formula plus advanced new production methods in producing the most durable high-performance ball on the market today, the New SpeedFlite™ racquetball.

The New SpeedFlite is almost perfectly round and stays that way, eliminating the possibility of erratic wobble or bounce. New production methods, combined with stringent quality controls, ensure that the New SpeedFlite balls are uniform in weight, diameter, wall thickness and rubber density. Every ball is identical.

The SpeedFlite has a textured surface to prevent skim or slide on the floor or walls. Drives and pinches will come off at the intended angle and kill shots will stay down.

The New SpeedFlite provides the crisp, high speed favored by hardhitters like Ektelon professional Dave Peck, but its overall playing characteristics also produce an almost effortless ceiling ball that makes the control game work.

In the recently completed Ektelon/Pony National tournament series, with over 500 matches at every level of play, only 29 SpeedFlites were broken. Ektelon has even challenged players to break SpeedFlites. In a widely conducted "Break-a-Ball" contest in which players were offered a year's supply of SpeedFlite if they broke the ball, none were broken.

Ektelon backs every New SpeedFlite with a special replacement offer. If the New SpeedFlite breaks before the label is worn off, Ektelon will replace it free of charge.

A.A.R.A. SEEKING BIDS FOR NATIONAL SITES

The A.A.R.A. is now seeking site bids for the 1983 Adult National Doubles Championships to be held October 20-23, 1984, the Adult National Singles to be held May 24-28, 1984 and the Junior National Championships June 23-27, 1984.

The Adult Doubles and Singles sites will be selected at the May 25, 1983 Board of Directors meeting, while the 1984 Junior Nationals site will be awarded June 24, 1983 at the Junior Council meeting.

NEW DIRECTIONS

BY LUKE ST. ONGE — EXECUTIVE DIRECTOR

Dear Members,

Our cover story this month deals with the selection of the Houston Downtown Y.M.C.A. as the site for the United State's National Racquetball Singles Championships for 1983.

Houston was selected from a tough competitive field of the Sportrooms in Coral Gables, FL, and Sport Set Racquetball and Health Club, Long Island, New York.

Dick Bagby and John Watson represented the Houston Downtown Y before the A.A.R.A.'s Board of Directors and made a most impressive presentation. Be sure you make your plans now for the racquetball event of the year.

The other major highlight of the young racquetball season is your Regional. Fifteen Regionals will be held

across the country and you will soon be receiving your application for this event in the mail. Your Regional Director has spent numerous hours making the Regionals the racquetball event in your special area. Support your region and participate!

For planning purposes, the Junior Regionals will be held from April to June with these Nationals slated for All Sport Fitness and Racquetball Club of Fishkill, New York on June 25-29, 1983. Remember you must *play* in your Junior Regional in order to play in the Junior Nationals.

We finally have the new rule book which has been completely rewritten and revised. Please contact your state Director for a copy or write to us directly. By the time you receive this copy of your A.A.R.A. "Racquetball in

Review" we will have relocated to our new Headquarters in Colorado Springs, Colorado in close proximity to the United States Olympic Committee.

Our Executive Secretary for the past 6 years, Hallie Singer, will not be making this move with us and her services to the Association and the sport of racquetball will be sorely missed. We wish her all the luck in the world in her future endeavors.

Cindy Baxter Tammy Hajjar

Meet The United States Racquetball Team

CINDY BAXTER — No newcomer to the racquetball scene, Cindy is a two time Pennsylvania State Champion, 1981 National Open Champion, 1982 runner up in Nationals, Female Player of the Year, 1981; World Games I winner, 3-time Ektelon/Pony Regional winner and ranked #1 in the 1982 AARA Women's Open division. Cindy's home town is Lewistown, Pennsylvania.

DOT FISCHER — Dot, relatively new to racquetball, has qualified for a

position on the U.S. Team by finishing 4th in the A.A.R.A. National Singles in Buffalo, May, 1982. Dot boasts numerous level 3 Championships and has played even with teammate Tammy Hajjar. Dot hails from Allentown, PA and plays at the Allentown Racquetball Club under the watchful eyes of coach, John Brinson.

TAMMY HAJJAR — Another Pennsylvanian who hails from Harrisburg, PA is the current Intercollegiate National Champion and current National Open Doubles Champion with team

Dot Fischer Stan Wright

mate Beth Latini also of Pennsylvania. Tammy finished second in the 1981 Junior Nationals and was well on her way in the world of racquetball. She is a dean's list student at Marist College in Poughkeepsie, NY where Tammy is coached by Jim Winterton. Immediately after the Regional Zone competition Tammy will begin a 10,000 mile, 8 month bicycle tour around the U.S. for the benefit of Cystic Fibrosis.

STAN WRIGHT — Stan and his partner, Steve Trent are everyday names in the world of racquetball doubles. You name it and they have won it and finally

Dry hard.

Sta-Sof™

You're sweating on the inside of your glove. Wiping rivers off your face with the outside.

But your Sta-Sof glove is made of the finest Cabretta leather from Pittards of England and tanned with an exclusive process that locks moisture out.

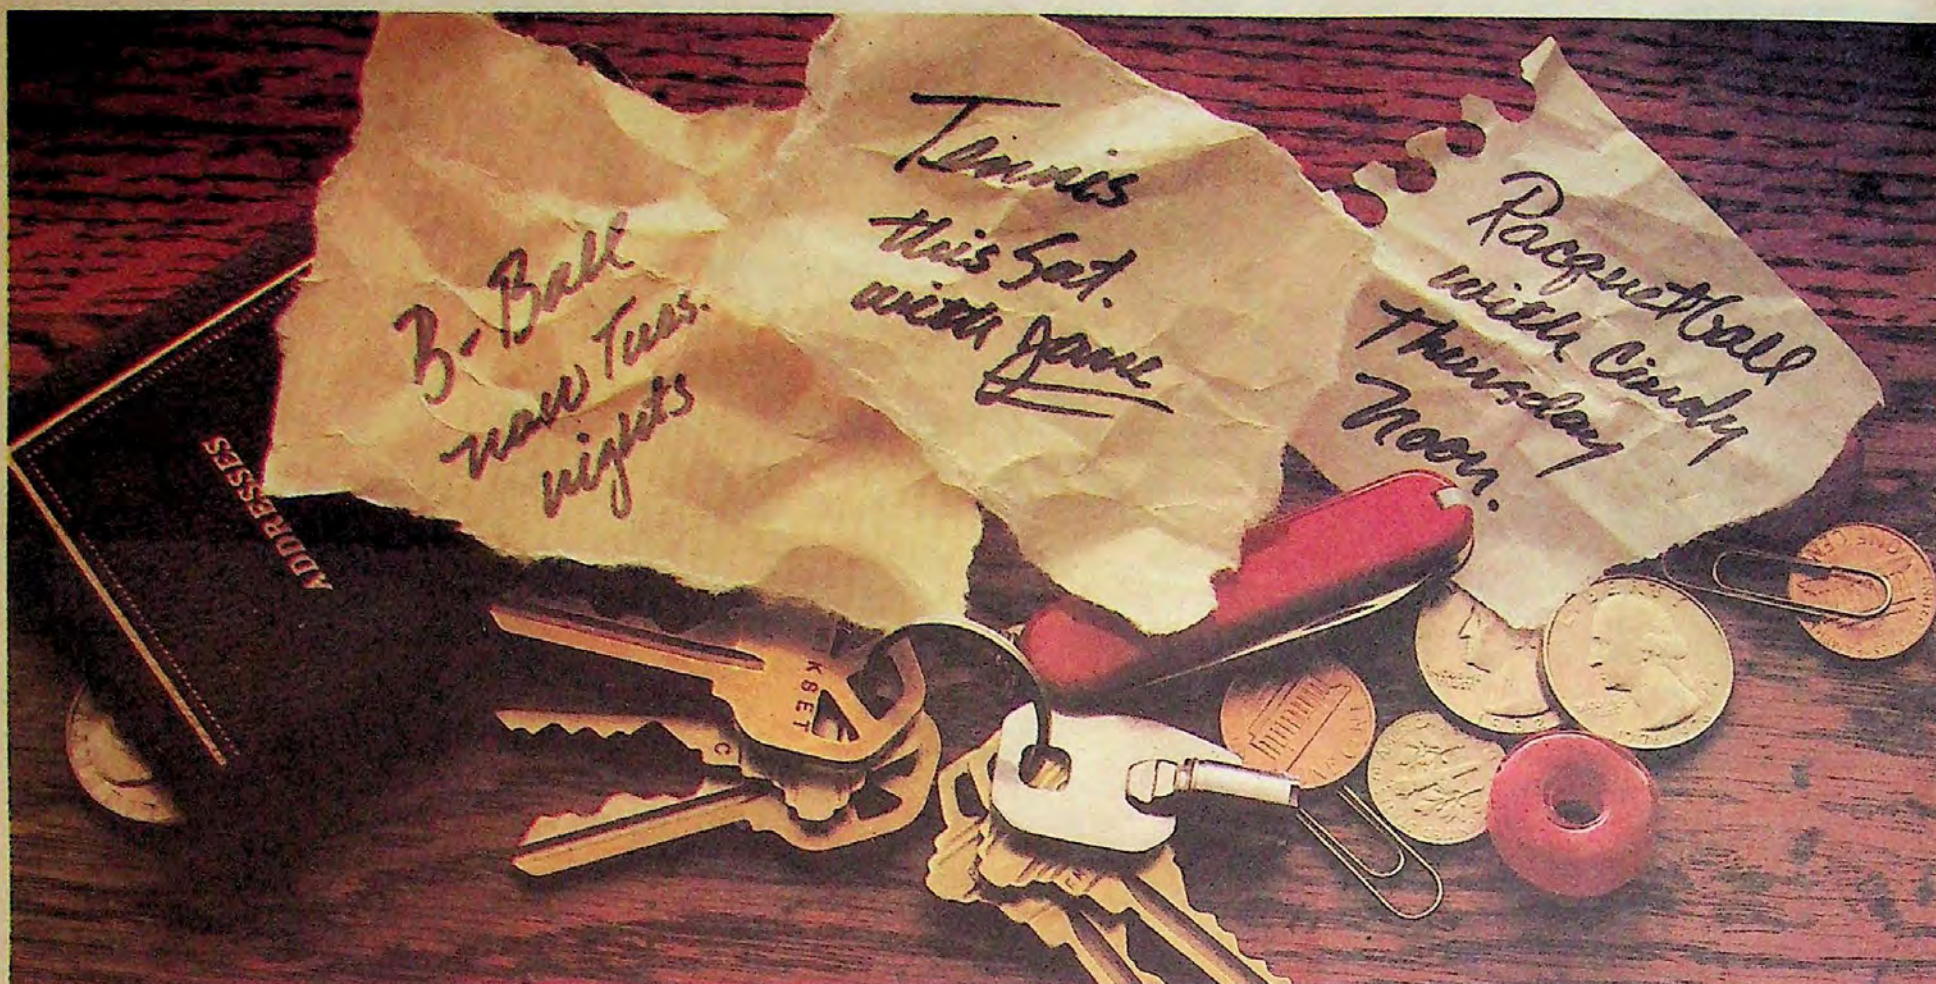

So your glove stays drier, tacky, doesn't slide around on your hand.

And when you're done playing it doesn't dry stiff like ordinary gloves. It restores itself. So it's soft and supple when you're ready to play again.

Look for our name, Sta-Sof... and you'll never get stiffed again.

Racquetball Gloves by
Foot-Joy

Foot-Joy, Inc., Brockton, MA 02403

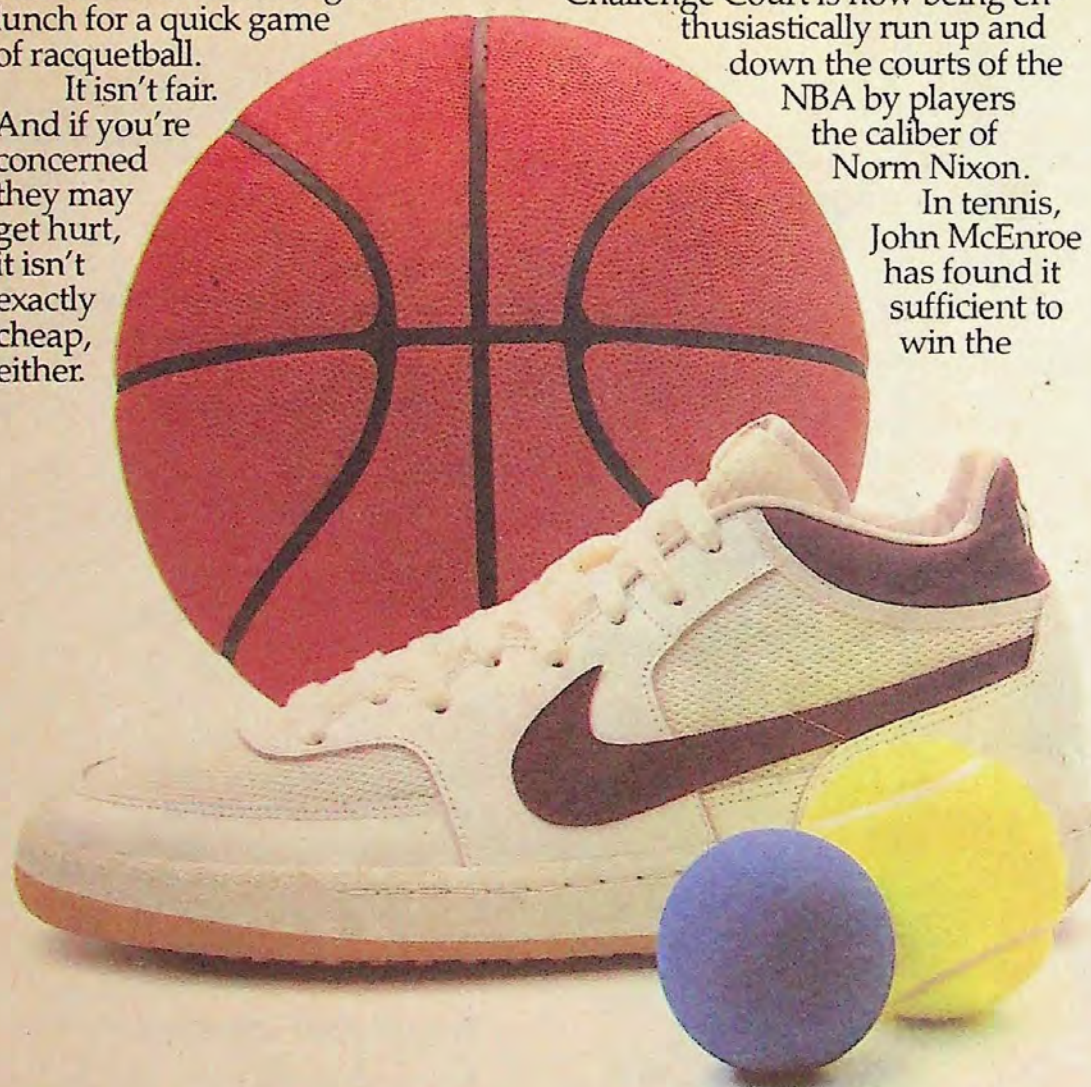

THE SHOE FOR FICKLE FEET.

Some feet are just impossible to satisfy.

You buy them shoes for tennis, and they start flirting with basketball. Or sneaking off at lunch for a quick game of racquetball.

It isn't fair. And if you're concerned they may get hurt, it isn't exactly cheap, either.

Or wasn't. Until we came out with the Challenge Court.

This shoe not only satisfies the most diverse, most demanding of appetites, it does so without compromise.

While originally designed for, and worn by, the top racquetball players in the country, the Challenge Court is now being enthusiastically run up and down the courts of the NBA by players the caliber of Norm Nixon.

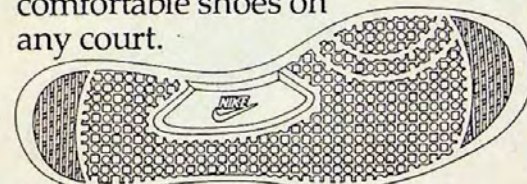

In tennis, John McEnroe has found it sufficient to win the

Transamerica Open Championship, the Australian Indoor Championships, the Grand Prix Tournament in Tokyo, as well as the Davis Cup.

One of the things that makes the Challenge Court such an outstanding performance shoe is something we call the extended ankle collar.

It works on the principle of biofeedback. And it does its most important work when the foot is in the air, headed for a painful landing, by sensing trouble and alerting the muscles in the lower leg to take corrective action.

And because the padded collar is lined with Spenco®, the Challenge Court is one of the most comfortable shoes on any court.

The bi-level hobnail cupsole provides excellent traction. And with a nylon mesh upper, the shoe is extremely lightweight. It even accepts custom orthotics.

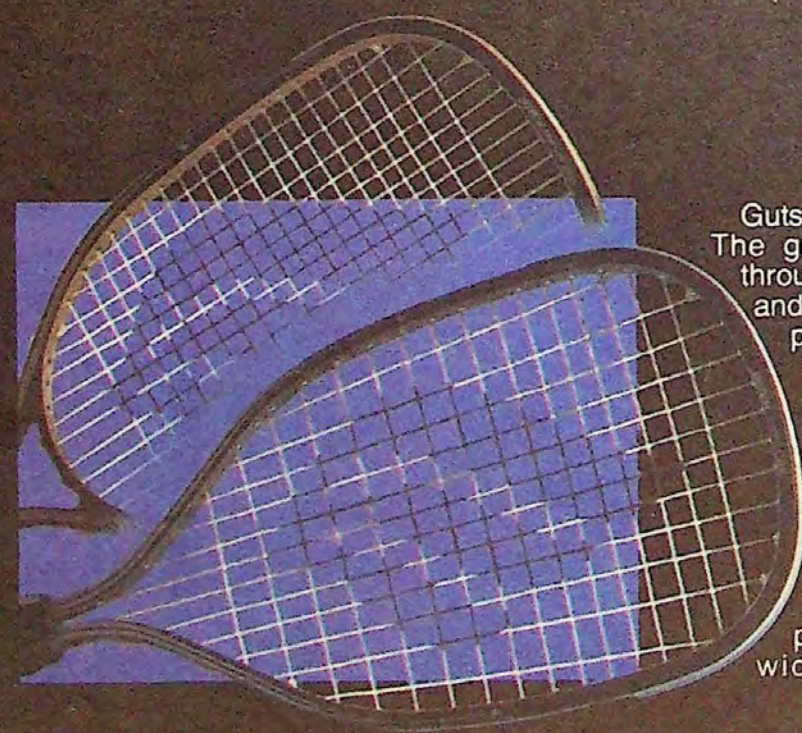

So if you have a difficult time restricting your feet to a single sport, slip them into the Challenge Court.

They'll be devoted.

Beaverton, Oregon

DO YOU HAVE THE GUTS TO BE A WINNER?

Guts. That's where it all starts. The guts to push your body through new thresholds of pain and endurance. The guts to push your mind to new levels of discipline and concentration.

Once you're there, you'll find that only Ektelon can meet your performance standards. Our Graphite CBK™, the game's most powerful racquet, and the Composite 250G™, the most widely used tournament

model, are the finest pieces of equipment in racquetball today. Ask a winner about racquetball racquets... the gut reaction is Ektelon.

For the game's best source of information and strategy, write for our free "Total Racquetball" book: Ektelon, 8929 Aero Dr., San Diego, CA 92123.

TO YOU IT'S A GAME. TO A SHOE IT'S AN ASSAULT WITH A DEADLY WEAPON.

Oh sure, racquetball looks like an innocent enough game.

But if you were a shoe, you'd think it was about as innocent as an armor piercing bazooka.

Fact is, a hard game of racquetball can chew up a pair of shoes faster than a shark in a goldfish bowl.

What it takes is a shoe gutsy enough to put up with all that skidding and scuffing around.

A gutsy shoe like Tuffs, by Foot-Joy. By all definitions, the ultimate evolution in wood

ten different styles in all. So instead of wearing a shoe that was designed for a game, wear one that was designed for a battle. Tuffs, by Foot-Joy.

court shoe design.

No other shoe in the game can touch it for durability, not to mention fit or comfort.

This year, there are 3 new Tuffs. Including a new Power Strap® version for extra support and improved playability. There are

Foot-Joy 

THE TOUGHEST SHOES ON THE COURT.

Meet The U.S. Team Cont'd From Pg. 7

with the winning of the A.A.R.A. National Doubles in 1982, they will get the recognition they so richly deserve. Stan is from Los Gatos, CA and for the past 6 years has dominated doubles play on the West Coast as well as being an excellent singles player.

MALIA KAMAHOAHOA — Although well known in her hometown of Havelock, NC, Malia made an impact on the National scene by finishing 3rd in the 1982 A.A.R.A. National Singles in Buffalo, 1982. Malia is coached by nationally ranked Jim Bailey who has seen her develop into one of the premier female players in the United States. Malia originally comes from Kailua, Hawaii.

Other team members are:
Larry Fox, Cincinnati, OH
Jack Newman, Chicago, IL
Corey Brysman, Los Angeles, CA
Dan Factor, San Diego, CA
Marci Drexler, Los Angeles, CA
Steve Trent, San Diego, CA
Beth Latini, Philadelphia, PA.

These players will be profiled in future issues of "Racquetball in Review."

STARS AND STRIPES

By Steve Ducoff

Lots of news for military racquetballers this time. First, the dates and sites have been set for the 1983 Interservice Championships. Mark your calendar for 16-21 Oct 83 with the US Navy hosting Intracervice at Norfolk Naval Station, Virginia. Contact your local base, post Special Services or your local friendly gym staff as to qualifying events, etc. If you have trouble, drop me a note and we'll find out what you need to do to qualify. For Air Force folks it will be the same as last year — regionals. Six CONUS and three overseas to be conducted Sept. 30-Oct. 6 83 culminating with the Air Force Championships 8-14 Oct 83 at Langley AFB VA.

I've just returned from a TDY/TAD to lovely San Diego CA. Believe me US Navy/Marine Corps racquetball is alive and well in the area. I did get a chance to visit with Mr. Steve "Burley" Thompson and got a special tour of the Ektelon factory. Saw how they make the CBK and the 250G and their aluminum line of racquets. Super interesting! A lot of time and effort goes into each racquet. Allowing equal time, I visited with Mr. Robert Larsen and Mr. Don Flikeid at AMF/VOIT. Their PACER, Impact One and the relatively new Impact Two are also terrific racquets. I sure enjoyed my visit with each and

would like to thank them all.

I've heard from a few military folks with comments on this column but sure wish more of you would write. SSgt. John Melnichuk, Jr., writes that Edwards AFB has two new and two oversized courts and has volunteered to be the "Edwards Connection," if you're traveling in the area and need a game, contact John at AUTOVON 350-2518. Sure like to hear from more installation "racquetball nuts" who can become the installation contact person.

Another date for your calendar is 7-11 Feb 83 for the Second Annual Showboat Hotel Military Racquetball Tournament in Las Vegas NV. Contact Mr. Steu Betterton at the Showboat Hotel, 2800 E. Fremont St., Las Vegas NV, 89104, 800-634-3484 for entry information. Steu's a super guy and last year's first annual was a huge success.

A couple of parting shots 1) congratulations to the Air Force team for defending their Interservice Championship title and 2) if you're not wearing eye protection shouldn't you? I'd like to hear your comments on mandatory use of eye protection in military courts.
