Vanover vs. Wilhelm in finals

Wilhelm wins state singles

The 1981-82 State Singles Championship, held April 16 through 18 at the Racquetball Action Club of Lansing, was the grand finale to the, tournament season and the best "Singles" ever. Action began Friday at 4 p.m. for the first of 326 entrants and continued with good matches throughout the weekend.

Spectators and players alike again got to see Bob Wilhelm of Flint square off against Ray Vanover of Kalamazoo in the finals of the Men's Open. They also saw Debbie Erhart of West Bloomfield against Donna Henry of Novi in the Women's Open finals. Congratula tions to Debbie and Bob for winning their respective divisions. Another tough division, Junior Boys 17 and Under, saw two usual Men's Open Players - Chuck Teets of Allen Park and Mike Magnoli of Warren - battle it out. Then the Men's Masters saw Lynn Hahn, from Whitehall, take an 11-7 tiebreaker to defeat two-time Masters State Champion Ron Pudduck of Ann Arbor.

One of the most exciting matches of the tournament was the Men's Seniors A semi-final match between Tom Brownlee of Pinckney and Roy White of Grand Rapids. Tom won the first game 21-20 and Roy returned the favor by winning the second by the same score. Roy was ahead 7-1 in the tiebreaker and things looked bleak for Tom until someone in the crowd yelled "Tom, it looks like

you're going to be refing soon. Tom hates to ref, so he did the only thing left to avoid it, winning the tiebreaker 11-10. Congratulations to both men for an excellent effort

We want to thank the Racquetball Action Club and our sponsors for doing a fine job at the State Singles. Thanks to Dr. Pepper for their money contribution and for providing free Dr. Pepper throughout the tournament. Thanks to Bata for their money contribution and for providing each division winner with a pair of Bata shoes. Thanks also to Ektelon for providing the balls and shirts for all tournament players and to Mountain Jacks for providing hospitality throughout the tournament:

Another exciting moment at the tournament happened off the courts, Debbie Nirganakis of Roseville was the grand door-prize winner Saturday, getting a \$100 bill Friday night's grand prize winner was Sue Pyles of Flint who won a Pentax 35mm camera. Congratulations to all the winners. The door prizes for the State Championships were purchased by the MBA

This year at the states we tried some new concepts. One concept was losers refereeing instead of winners, which worked because of the support of all tournament players. Two, the MRA purchased matching shorts for all players,

which went over with great success

And finally, in response to the complaints at last year's state singles about players being allowed to drop back into lower divisions, we made some changes in the rating system at the beginning of the year and kept a careful eye on all entries. This system is by no means perfect, but we think each

Racquetball is art to Wilhelm

Many areas and many sports including Michigan, have had someone who has dominated a particular division. (Such as Stacy Fletcher, Larry Fox and Bob Lipin.) But this year, Michigan racquetball had the oddity of two people attempting to dominate its top division. Every time Bob Wilhelm and Ray Vanover entered an MRA tournament this season, they played in the finals. In four tournaments, including the State Championship, they played each other in the finals. Wilhelm won this personal

series 3-1, but that doesn't alter the accomplishments of either man.

To give Wilhelm and Vanover the notice they deserve, and to allow the membership to know these fine players better, we will publish an article on each. This issue will feature this year's state singles champion, Bob Wilhelm

Bob Withelm currently lives in Flint his hometown. He is married to Siri Gottlieb, a practicing attorney, and has a son, Aaron, 16 months. Bob and Siri soon are to be parents for a second time. This makes Bob not only one of the few top open-division players who is married, but one of an even smaller number who are parents.

Bob and Siri returned to Flint two years after Siri completed law school in Lansing. Bob graduated from the University of Michigan School of Art and Design. It was while in college that he began playing racquetball.

At first racquetball was a sport

Wilhelm

cont from page 1

that Bob and Siri could enjoy together That was further enhanced by a university rule in 1976 that only permitted doubles, wooden racquets and wooden walls After a year, Bob felt the urge to try singles and enter tournaments. His first tournament had only one division. Not surprisingly, he got beaten, and beaten badly. Meanwhile, Siri became successful in her singles play, winning the state Women's C championship

Bob kept improving and the last three years he has been considered one of the top opendivision players in the state, with this year perhaps his best. Bob said there are a number of reasons for his continued success, and most of them are mental. The hard physical training occurred about four or five years ago, but didn't gel into winning until his mental game improved.

This year, Bob had less time than ever to be on the court. He said "I finally realized what I wanted out of the sport, and what part of my life it fits in." He played in a few pro tournaments, but didn't enjoy them because his family ties are so strong. When he realized he could pick and choose the tournaments he played in, it reduced the pressure he put on himself and bettered his play.

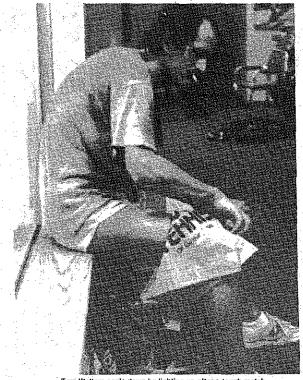

Another mental aspect Bob had to learn was handling the pressure of being one of the best-known players in the state. He said he had to learn how to practice to get

something from each match. He also had to learn not to allow criticism to hurt him. He learned to ignore comments that he won because of an easy draw, or because of luck, he said.

Bob says that he doesn't have to put in as much court time now as before if he takes time to concentrate and be intense. He believes mental conditioning is as important as the physical in fact, when he plays now, he often doesn't get pumped up. But he does prepare a game plan and concentrate on winning the match and thinking positively

In his matches with Ray Vanover, Bob doesn't prepare any special way. The two have played so often, Bob said, that he just considers it another tough match. "i appreciate what makes him what he is," Bob said. "He wants to win and he is verbal to pump himself up. I know why he does what he does And he knows why I do what I do." The only negative aspect of the matches with Vanover, Wilhelm said, is the desire to play someone else in the finals.

In addition to winning the state singles championship (plus the doubles) Wilhelm had his greatest racquetball thrill this year. In the Self Spaulding tournament in California, Bob played Craig Mc-Coy in the round of 16. Bob beat McCoy 21-9, 21-5. McCoy then replied to a questioner that "the guy from Michigan took off his

sweats and beat me like he was warming up 'Withelm said he will never forget that

Wilhelm is seriously considering his future both in racquetball and in work. He has a slightly damaged knee, and he wonders how long a man in his late 20s can hold off the young lions coming up. He considers racquetball an art form and the game is an artistic release for him now in addition to remodeling his house. But when the remodeling is finished, he plans to cut back on racquetball and resume his art career. If he displays the same skill and creativity in that profession that he does in racquetball, he is sure to reap similiar recognition and rewards.

President's Corner

By Jim Easterling **MRA President**

In this article, being the last of the 1981-82 season, I would like to talk about some of the new things, and I hope good things, that the MRA has done in the past season. We all can complain about that "terrible ref we had at a certain tournament, or how we started an hour and a half late, or an awful draw at another tournament; but for now let's concentrate on some of the good things that happened

this year.

This year we changed struction of the entry form. Now when you fill it out and send the bottom half in, you can keep the top half for yourself with all the information on it instead of taking two entry forms like I used to do.

- This year we started offering doubles matches at our tournaments. This is something we haven t offered in the past and we are going to continue it next year. 3. We sent out to all racquetball
- clubs our MRA color poster listing the dates and locations of our tournaments, including for the first time the date and location of the State Doubles Championship: I think it was without a doubt one of the most beautiful posters made. (Maybe I might be just a shade prejudiced on this matter.) A special thanks goes to Peggy and Gary Do ty for getting all the dates, clubs, sponsors and logo information together for the poster. And a big thanks goes to Bob Wilhelm for taking all the information and physically putting it together and designing the poster.
- This year the State Doubles, held at the Davison Racquet Club, ran well and most of the players enjoyed themselves. We gave everyone a can of balls this year, along with a tournament shirt, and ran a consolation bracket. This has not happened before at MRA Doubles tournaments.
- 5. We ran a couple of referee's clinics this year explaining the rules and how to enforce them as a referee. We had the clinics at the MRA tournaments in Lansing and Grand Rapids:
- This year the State Singles Championship, held at Racquetball Action Club in Lansing, along with giving out a tournament shirt, the MRA bought and gave every player a matching pair of shorts. This was not done last year at the State tournament.

7. This year for the first time ever, the MRA donated \$500 from its treasury for door prizes at each tournament.

8. Loser's Ref!! This has been an overwhelming success. We started this new policy of making the loser, instead of the winner, referee the following match on the court where they played. At the second stop in Mt. Clemens this was started and we have been doing it ever since. This concept was first put into practice in Michigan at a tournament in Lansing run by Dennis Wood, a past president of the MRA and has become more and more popular all season. Since the MRA established this policy in October, 1981, almost all of the tournaments held today in this state use the same rule and the majority of racquetball players love it.

9. On Sunday, April 25, the MRA, in conjunction with Special Olympics, held the first official "Rac-quetball Day" in Michigan as declared by the Governor. With the help of 33 different racquetball clubs across the state, we made some money and donated it all to the Special Olympics.

10. Last but certainly not least, I would like to comment on our newsletters. The newsletter you are now reading is number four for the 1981-82 season. In don't think the MRA ever had four newsletters in one season before now. Our newsletter has grown each time it has come out Our first in September was small, just four pages. The second one in December, was tabloid size with eight pages, and the third one, in March, was a whopping 12 pages. As I sit here writing this article, I have no way of knowing the size or quality of our fourth and final newsletter this season, but I have high hopes that it will be just as big and just as good as the other newsletters were. Also, our newsletters have tournament pictures and rule clarifications in them and this is another first

We need a name for this newsletter, and we want your suggestions. We are looking for a name or a term that illustrates the sport of racquetball.

We don't expect you to come up with an idea for free. The person who suggests the name chosen by the MRA board will get the 1982-83 season membership free. Better yet, the winner will get his or her picture in this newslet-

Send your suggestions by July 31 to Larry Cole, 1192 Shady Hill, Flint, MI 48504,

MRA President Jim Easterling wins 1982 Contribution Award

A very special thanks is in order for Larry Cole. Larry was the individual who got all the articles together, all the pictures together and wrote the articles nobody wanted to write, edited the handwritten articles nobody could read and got them all over to the printer. And once the newsletter was actually printed, he made sure they got in the mail and were sent to each MRA member. One big job. Thanks again, Larry.

In finishing, I would like to say that the whole MRA Board has worked hard and has accomplished a lot of good things this year. Next year promises to be another good year with new and different ideas. The MRA is not perfect by any means, but each year we will strive to do a little more and a little better than we did the year before

Thank you for your help and sup-

Tiebreakers rule Brighton

Woodland Racquet Club in Brighton was the host for the seventh MRA tournament of the current year from March 12-14. It was sponsored by Penn and Lite Beer from Miller Despite some in-Itlal confusion and delays, the tournament proved to be one of the most competitive of the year. More than half of the matches had tiehreakers, a sure sign of improvement in each division.

Debbie Erhart and Donna Henry faced each other again in the finals of the Women's Open, with Debbie winning 21-6, 21-14. We seem to see a lot of familiar faces in the finals of the women's divisions, while the men's divisions seem to introduce a new person to the finals more frequently.

In the Men's Open this time. however, a very familiar face again was seen in the finals Rav Vanover faced tough, young Gerald Green. Ray fell behind in the first match, but came back to win 21-19. He finished off the quickly improving Green 21-14 to win in two Keep an eye on Green in the next few years
