STATE CHAMPIONSHIP SITES SET

AGE GROUP CHAMPIONSHIPS

Front Range Sports and Court Club, in Broomfield, has been selected as the host site for the 1985 C.R.A./A.A.R.A. Age Group State Championships. The tournament, set for March 13-17, is expected to draw in excess of 175 entrants, topping last year's record turnout at the Longmont Athletic Club.

Some of the people expected back to defend their titles will be Diane Adams in the women's 25+, Sherry Armstrong in the 35+, Pat Russell in the 45+, and junior standouts Tina Alonzi and Angela Wyble. Angela is looking particularly tough since she's been a consistent finalist in the women's open brackets this year.

In the men's divisions, it's going to take someone pretty talented to knock out Doug Zirkle, the defending 19+ champion. Dave Blain, from Lamar, will be the top contender in that division, having pushed Zirkle to a tie-breaker last year. Others expected to enter will be Tracey Frank, 25+; Mark Hegg, 30+ defending champion; Bruce Brookens, 35+; Gary Garrison, 40+; Dave Phlepsen, 45+; Jack Baker, 50+; Dick Kincaid, 55+. The Age Group Championships also include a strong field of junior players featuring Ryan Parker, Craig O'Connell, Shawn Kolitch, Bobby Rodriguez and Erik Hansen.

The entry deadline is March 10th, so get your entry in now and take your shot at becoming part of Colorado racquetball history. Call Julie Seed at 469-6652 for more information.

OPEN CHAMPIONSHIPS

March 27-31st has been scheduled as the dates for the 1985 Colorado Racquetball Association Open Championships at the International Athletic Club, downtown. The I.A.C. is noted for its ability to run excellent tournaments, and this year's looks to be no exception. Tournament Director Dale Warren is preparing for a large turnout and an extremely tough field of competitors.

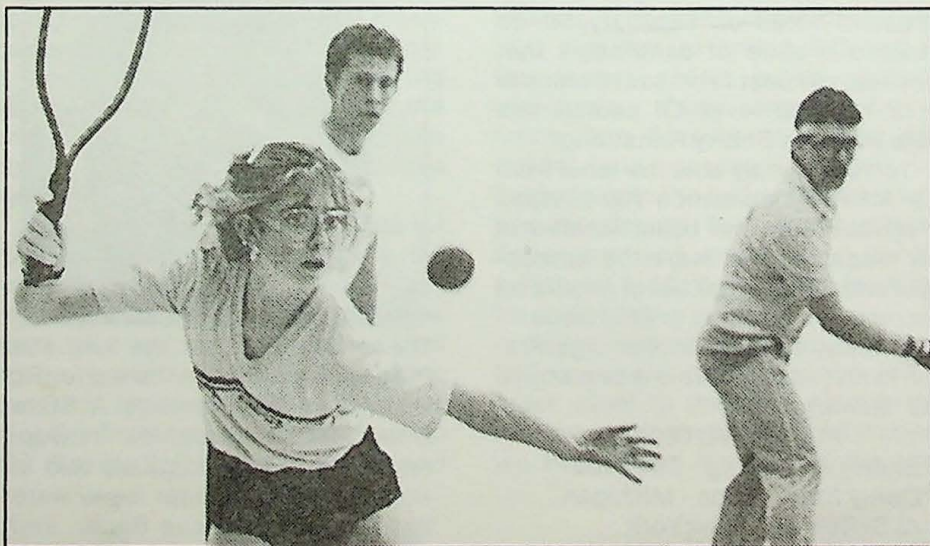

Doug Zirkle is expected to defend his State Open title (for the third year in a row), and, hopefully, Sydney Fornaciari will have her game back in top form in the Women's Open. Both players will be facing an overall better field than in 1984. Zirkle will be holding off the likes of Mark Hegg, Tracey Frank, Rich Tarde and Bobby Rodriguez, while Sydney will be concerned about former Women's Open Champ Diane Adams, Sherry Armstrong, Kim Morton and Angela Wyble.

The Open Championships deadline has been set for March 24. Make sure your entry is mailed in time as NO phone entries will be accepted. That includes Open players. Call Dale Warren at 623-2100 for more detailed information.

PRESIDENT'S MESSAGE by Lou Smario

A YEAR IN RETROSPECT

The adage "Time goes fast when you're having fun" may be aptly applied to my first year as your C.R.A. president. By the time you read this we will be within a couple of weeks of hosting the 1985 State Championships. At that time you will be asked to vote for your C.R.A. officers once again.

I would like to take this opportunity to review the progress of the C.R.A. board during the 1984-85 year and acknowledge the unselfish efforts of all participants in the promotion of Colorado racquetball.

Jim Fleming, vice president of C.R.A., continues to be the guy who makes sure that you receive the *Rollout*. He coordinates the pick-up, packaging and mailing of each issue.

Steve Hulet, treasurer, has the unenviable job of keeping the bills paid, following up on correspondence with members and member clubs for billing and keeping the memberships up to date.

Cynthia Howard, secretary of the C.R.A. and brand new mother, continues to serve not only as secretary but also in picking up many of the loose ends.

Paul Swoboda, past president, continues to serve on the Board and is invaluable in soliciting the major sponsors for our State Championships that help make our hospitality one of the best.

John Foust, past president, co-editor of the *Rollout*, writer, photographer, rules interpreter, chairman for Referees' Certification program, nominating chairman for members-at-large who wish to run for the C.R.A. Board.

John Benedetti has organized a small group of eager parents to assist in the promotion of juniors racquetball in the state. They are working on ideas to help worthy par-

ticipants get into the regional and national competitions.

Tom Lynch is the executive assistant for state tournaments.

Sherry Armstrong has taken over the responsibility for coordinating all tournament schedules as well as refining the C.R.A. Tournament Package for club tourney directors.

Marsha Swoboda does the legwork on presenting to the Board selected choices for awards and souvenirs for State Championship participants.

John Ensign, also new to the Board, is active in rules interpretation.

Joe Riddle, new to the Board, will get his feet wet very soon in committee projects.

Don Cannella, from Colorado Springs (you know he's dedicated), is new to the Board but gets to the meetings to keep us informed of the needs in the South.

Bob Schwab is responsible for collecting tournament results and sending them to the A.A.R.A. for state and regional rankings.

Suzanne Hudson is not on the C.R.A. Board but is the editor of the *Rollout* and is the one who gets the credit for designing the layout and getting all the contributors of articles to meet their deadlines. It's one of the best in the country.

There are other projects yet to be undertaken in the name of racquetball in Colorado and the nation. Support of the U.S. National Team is one. The seat of U.S. Racquetball is hosted by the State of Colorado and is located in Colorado Springs. Who else should set the standards for quality and professional leadership in racquetball but us?

ARMSTRONG RUNNING FOR A.A.R.A. NATIONAL BOARD OF DIRECTORS

It's not often that Colorado has the opportunity to place a person on the A.A.R.A. National Board of Directors, and it's the rare exception that the person holds the qualities of current C.R.A. Board member Sherry Armstrong.

Sherry, an Ohio transplant, has been active with the Colorado Racquetball Association for the last two years, and her input has been invaluable. She is currently a two-time state open doubles champion and has worked hard not only to improve her own game, but to help improve the overall marketing of Colorado racquetball.

Based on this, the C.R.A. Board of

Directors voted on February 5th to endorse a slate of candidates that they feel will best represent Colorado on a national level. Of course this slate includes Sherry Armstrong.

To vote, simply affix the label from the A.A.R.A. publication *Racquetball in Review* onto the ballot located in the magazine and mark the appropriate candidates. The ballot should be upcoming in the April or May issue.

The pay for a volunteer organization is non-existent. This is one way to say "thank you"...

PLEASE VOTE FOR

1. Sherry Armstrong - Colorado
2. Cathy Fredrickson - Michigan
3. Al Seitelman - New York

CORRECTION

These beauties are the *real* Pat Propp (L) and Karen Tarwater (R), winners of the Women's A State Doubles Championships in September. The mis-identified duo in *Rollout's* recent winter issue were Pat Riffin and Diane Bauer, 2nd place finishers.

Sorry 'bout that, folks!

HIGHLIGHT:

Two Clubs Offer Services for State Tournaments

Front Range Sports and Courts

2096 West 6th Avenue, Broomfield

The 1985 Colorado State Age Group Racquetball Championships will be held at one-year-old Front Range Sports and Courts in Broomfield, March 13-17. Front Range's many activities and facilities are overseen by General Manager Dwight Newell. The club's Athletic Director and Assistant Manager, Julie Seed, is in charge of everything from wallyball, volleyball and basketball leagues to racquetball tournaments such as this one.

Front Range's 1300 members have plenty to keep them busy. From 6:00 a.m. to 10:00 p.m., Monday through Friday, enjoy racquetball on one of 12 courts. The two challenge courts make it easy to find a game

anytime. Join a league or sign up on the challenge ladder for plenty of racquetball activity.

If weights are your forté, our weight room is for you. In addition to our 15 Nautilus machines, we have over two tons of free weights. The weight room is surrounded by a 1/15th of a mile running track, which also encircles a half-court gym.

Aerobic fans may choose from beginning tone aerobics to jazz aerobics to ski conditioning with more classes in between. If all this working out has you tired, enjoy refreshments in the restaurant or sign up for a massage.

The weekends are family time

from 8:00 a.m. to 8:00 p.m. with activities everyone can enjoy. There's family aerobics and junior boogie shoes, kids racquetball and family volleyball. Finish up the day relaxing in the sauna, steam room, or whirlpool.

It's not all sweat and no fun for the club's following. They enjoy F.A.C.'s by the pool, volleyball in the sand and an outdoor jacuzzi. The club also provides musical entertainment with a live band on the gymnasium floor on special occasions.

The people at Front Range Sports and Courts are anxious to show off their club. Feel free to stop by and try us out. Phone 469-6652.

International Athletic Club

1630 Welton, Denver

The International Athletic Club of Denver is the host site for the 1985 Colorado Racquetball Association's State Open Championships March 29th - 31st. It is a full-facility athletic club, offering activities ranging from racquetball and squash to weight lifting, aerobic exercise classes and full locker rooms for relaxation after your workout. The club has 16 racquetball courts on 3 levels. There are 4 glass-backed courts for championship play, 8 courts with additional viewing above, and 4 totally enclosed for the private player. It also has 5 squash courts on 2 levels, all glass-backed for viewing ability.

Along with the courts available for racquet sports, the club hosts a full restaurant open to the public, complete with a full menu and bar. The restaurant is open to catering and special parties. The IAC also offers over 85 exercise classes a week, ranging from beginning aerobics to ski fitness, yoga, jazz aerobics, and

Tae Kwon Do. There is a full-service weight room with Olympic Free weights, a full Nautilus circuit, Life-cycle & Fitron exercise bicycles, and the Hydra Fitness circuit for training. The club also has available a gymnasium for basketball, volleyball and badminton players. An additional highlight to the club is its rooftop which is open year-round for exercise classes, sunbathing, and running. The club also has extensive facilities in the locker rooms which include whirlpools, steam rooms, sauna baths, sun tanning machines and booths and massage centers. Included within the locker rooms are all the niceties of hair dryers, lotion, deodorant, and many other accessories. All in all, the IAC has facilities for everybody.

Along with an excellent staff, the IAC has many members who are a great asset to the club. Among the members who are racquetball players we have Steve Krum (also the club

director), Bobby Rodriguez, Jr., Jeff Eldon, Tracey Frank, Chuck Martinez, and Cynthia Howard (racquetball coordinator), all of whom are Open players in the state. We also have many top players in the A divisions for both men and women and many up-and-coming competitors in the other divisions. Not only do the members make it a pleasure to be a part of the club, but also the staff really cares about its members. This is obvious from the minute you walk off the elevator and check in at the front desk. The athletic staff is very well trained and able and willing to assist you in reaching your goals.

We would like to extend at this time an invitation not only to come visit us at the State Championships, but also to come down and check out our programs and facilities. We know you will enjoy them, and we would like to have you become part of our family. Thank you, from the International Athletic Club of Denver.

RACQUETBALL TIPS:

When your opponent is caught close to your right side during a tough center-court rally, and you have him momentarily blocked out of play, learn to hit with a shortened follow-through so that you can make the appropriate scoring shot.

ZIRKLE/MORTON CAPTURE TURKEY SHOOT

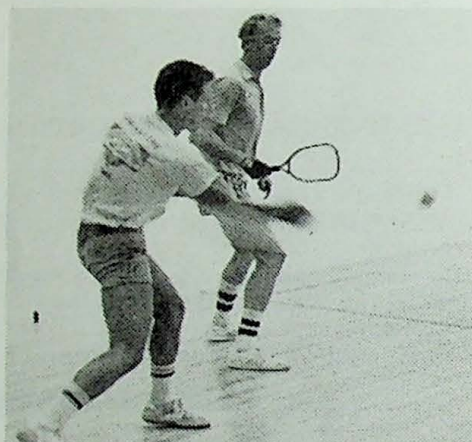

1984/85 is starting to look like the year Doug Zirkle will firmly entrench his name in the history of Colorado racquetball. Zirkle never lost a game in his run to the final of the Rallysport Turkey Shoot (sponsored in November by McGuckins Hardware and Herman Joseph's beer), and his 15-9, 15-6 thrashing of Richard Tarde was more a display of Doug's dominance than Richard's poor play. In retrospect even Tarde had to agree Doug was hot. "I don't think I've ever seen Doug dive so much, and make such good shots in the process," stated Tarde.

While Doug was zipping through his bracket, Tarde and Dave Bennett were setting the stage for a great semi-final match on another court. Tarde played very well the first game, coming from behind to take it 15-12. Bennett, on the other hand, looked like he was saving it for the second game and walked away with a 15-9 second game win. The tie-breaker was anyone's game until the midway point, and it was at that time Tarde decided to take control. It was too much for Bennett, and Richard took the tie-breaker, 11-7.

If the men's open was predictable, the women's open was anything but. Having Angela Wyble and Kim Morton in the finals is not all that unusual; it was just the manner in which they

went about it. In one semi-final match you had Wyble pitted against former state open champion Diane Adams, and in the other Morton took on a strong Sherry Armstrong. It was a good thing no one was taking bets on the outcome or there would be a lot of people out on the streets today.

Although Angela didn't come out smoking in her match against Diane, losing the first game 5-15, she didn't give up, and that produced a second game win of 15-7 and a thrilling 11-10 tie-breaker victory. Morton played well in recording a 15-5, 11-15, 11-2 victory over Armstrong. Sherry, not known for her blazing speed anyway, just couldn't keep up with Morton who was determined to make this her tournament.

Darin Mosak shoots against Bob Clark in the Men's 35+ final. Mosak won 15-11, 15-7.

In the finals it was Morton all the way, as Angela just couldn't seem to get untracked. After a 15-1 shellacking in the first game Angela showed good concentration in taking the second game 15-10. But again, Kim wasn't to be denied and proceeded to take the match 11-2.

As usual the roots of any good tournament can be traced back to the people who organized it. In this case it was a combination of the Rallysport staff, club members and a great array of sponsors. It was through the efforts of these people that the March of Dimes came away a winner also by accepting a check for \$750.00 from club director Phil Rhoades. Now that's showing the racquetball spirit.

Be on the lookout soon for entries to the Rallysport St. Valentines Open.

1st Annual Fall Classic

A lively group of racquetball enthusiasts turned out for the First Annual Front Range Fall Classic held November 1st to the 4th. This was Front Range Sports and Courts' (Broomfield) first open tournament since their arrival on the racquetball scene in February of '84.

The home club was well represented with 13 members fighting their way to the semi's and 7 pushing on to the finals. Those not participating in the finals stood by and cheered Lou Smario to victory in the men's A final. Lou's match was followed by the victory of home court favorite Madelon Eichorn over Kris Brening in the women's A final. The crowd was then treated to the long awaited men's open match featuring Erik Hansen and Barry Riddle. The pair thrilled the crowd with their exciting display of racquetball skill and strategy with Hansen taking the first game 15-5. Riddle pulled together and took the second game 15-12 and then the tie-breaker 11-8 to take home the trophy.

Look in this issue of *Rollout* for news on FRS&C current activities. Don't be left out this time.

Referee Danny Rodriguez shows the score card to Craig Whitaker (L) and Neil Siegel (R) prior to the Men's B final.

A.A.R.A. REGION 12 UPDATE

John Foust

Well, so much for the bus trip to New Mexico. After some serious deliberation, it's been concluded that it would be, overall, detrimental to the welfare of our players to take a bus trip that would last 5 or 6 hours. It's highly possible that there would be players who couldn't even get off the bus at that stage, much less play. So, the plan is now to fly to Albuquerque, which may end up being cheaper and faster. Currently, interest has been shown by Danny Rodriguez, John and Pat Propp and a number of other players. Call me at 449-4800 or 758-9340 if you're interested. Regionals are set for April 25-28th at Tom Young's Athletic Club.

An added incentive to playing Regionals will be the opportunity to qualify for the National Racquetball Training Camp at the Olympic Training Center. The invitations will be expanded to include semi-finalists in the Championship divisions. This is a very prestigious camp attended only by the best players from across the

United States.

Juniors should take note—Rallysport in Boulder has been selected as the host site for the 1985 Junior Regionals. The tournament is set for May 3-5th. Parents interested in helping out with hospitality and supervision, please contact me at the above listed numbers.

One last note about Adult Regionals and Junior Regionals—you must play them in order to compete at either National Championships. Last year only the adults had to play Regionals to qualify.

As with last year, Nationals will be held at the Houston YMCA on May 23-27th. Over 900 players are expected to compete for top honors. The draw this year is expected to equal, if not exceed, the '84 figures. Entries will be available at the Regionals in Albuquerque.

For those of you on the road and looking for a tournament to play in, I'm listing a few upcoming events in the state of Utah.

WOMEN'S OPEN ROUNDUP

Pat Propp

The Men's A and Open racquetball players have successfully been brought out of their Denver area "resting places" by the Racquetball Roundup. The men's roundups are held at various clubs about every two weeks. The schedule was in the winter *Rollout*.

It is now time for the top women racquetball players in Colorado to appear on the Roundup scene. Where are all of the Women Open players?

To help get everyone back in the competitive swing of things, impromptu organized play is here. At this point, all of the organizing is done by phone calls. So far the Roundup list consists of about 25 Women Open players, and we're ready for more.

When a club is gracious enough to allow court time during off-peak hours, phone calls are made telling when and where the playing will be. The participation has been great so far, and it's growing. The Roundup has occurred four times—once each at the Denver Tech Sporting Club, Fort Collins Club, Cherry Creek Sporting Club, and twice at Flatiron in Boulder.

The next Roundup will be at the Denver Tech Center, March 24, 2 to 4 p.m.

The format has been round robin—everyone plays everyone, one game to 15. The play generally lasts between 2 and 3 hours. If you are a Woman Open Player and are interested in this challenge, call 771-7877 to sign up.

FOUR RULE CHANGES PROPOSED

Michael Arnolt

A.A.R.A. National Rules Commissioner

The A.A.R.A. National Rules Committee has proposed four rule changes. Before the Board of Directors takes a vote, however, the board considers it important to receive feedback from the general membership.

The proposed rule, the current rule, and a brief explanation for the possible change is listed below this article. If you would like to vote on the proposed changes, please use the ballot located in the February issue of *Racquetball in Review*. All ballots must be received by April 1, 1985. The rules will be voted upon by the board during the U.S. National Singles Championships in Houston, during the Memorial Day weekend. Any rule changes will go into effect, September 1, 1985.

Proposed:

1. Reduce the rest period between the first and second game to two (2) minutes. The time between the second and third games remains at five (5) minutes.

Current rule: Rule 13.D. Between Games: A five-minute rest period is allowed between all games of a match.

Reasoning: The regulation game has been shortened from 21 to 15 points. Additionally, tournament directors have allowed only two minutes between games.

Proposed:

2. Allow the winner of the toss the option of serving first in game one or game two. In case a coin toss is necessary for determining the service order in the tiebreaker, the winner should have the option.

Current rule: Rule 2.A. Serve Order: The player or side winning the toss becomes the first server and starts the first game. The loser of the toss will serve first in the second game. The player or team scoring the most total points in games one and two shall serve first in the tiebreaker. In the event that both players or teams score an equal number of points in the first two games, another coin toss shall determine the server in the tiebreaker.

Reasoning: If one does win the toss, then he should have his option of serving or receiving. Remember also,

in doubles the team serving first gets only one out serve. Thus, the team winning the toss may choose to serve last in Game 1. And in the case of a tie in points, the team or player winning the coin toss should have the option of serving or receiving in the tiebreaker.

Proposed:

3. Adopt the board recommendation that makes the imaginary plane of the receiving (five-foot) line, a dotted line that extends the width of the court.

Current: 2—COURTS AND EQUIPMENT e) Receiving Line. (Paraphrased from the official rule book) The only thing which denotes the receiving (five-foot) line currently is a 3-6 inch line on the side wall. The hash mark on the wall is five feet behind the short line.

Reasoning: Short-hopping the serve and the attempted fly return of the serve are important elements of the game; however, infractions of the five-foot line are very difficult for the referee to judge. Adopting the dotted line will make the rule easier to follow for the player and easier to enforce for the referee and line judges, in case of an appeal.

Proposed:

5. In case of an out-of-order serve in doubles, allow the referee to subtract those points (which he can recall with the help of the line judges when pos-

Rallysport, in Boulder, recently started refinishing their courts to include a solid (not dotted) five foot line that extends the width of the court.

sible) and penalize the team by cancelling the serve of the person who should have been serving.

Current: Rule 7.H. Out-of-Order Serve: In doubles, if it is discovered that the second server served first (and is still serving), the penalty shall be that the first server loses his serve. The second server may finish the inning and all points scored will count. If when the first server is serving, it is discovered that the first server served, the second server served, and the first server is serving again, the penalty shall be assessment of a technical and all points scored during the first server's second inning shall be subtracted from their team.

Reasoning: The intent of the current rule was to eliminate some of the judgment on the part of the referee—he would not have to remember how many points were scored. However, under the current rule a team could win a game, or the match, even though it served out of order.

Please circle your choice, proposed or current, and send it in TODAY. Also, make note of any other rule changes or additions you would like considered.

C.R.A. JUNIORS PROGRAM

John Benedetti

It's official! Your Colorado Racquetball Association is now sponsoring a youth program. Plans are underway to have a travel league on selected Saturdays in full swing by autumn of this year. Each league match will feature a referee's clinic and instructional clinic with exciting exhibitions.

Contact John Foust at 449-4800 for participation information. Questions regarding the C.R.A. youth program may be directed to John Benedetti at 980-9235.

And don't forget: Junior Regionals will be held at Rallysport May 2-5!

Juniors get prepared for A.A.R.A. Junior Regionals set for May 3-5th at Rallysport in Boulder.

Presidential Sports Award Continues to Recognize Commitment to Fitness

In the last four months, have you walked 125 miles, **played 150 games of racquetball**, rowed a rowboat a minimum of 50 miles or played 50 games of tennis?

If so, you are eligible to win the Presidential Sports Award.

The Presidential Sports Award recognizes commitment to fitness through regular participation in sports. A national program established in 1973, it awards Americans with a certificate of achievement signed by the President, a lapel pin and other award materials.

Qualifying standards have been established by PCPFS in 43 activities. To qualify, participants must be 15 or older and have completed the requirements set for each activity within a period of four months.

Although the award recognizes individual performance, the program can be used as a group motivational tool to encourage attendance and participation in employee fitness programs, recreation centers and other adult or youth fitness settings.

To receive a personal fitness log, contact PCPFS or send a stamped, self-addressed envelope to Presidential Sports Award, P.O. Box 5214, FDR Post Office, New York, NY 10150-5214.

Blain/Morton and the Colorado Heart Association Winners at Rallysport

Dave Blain came from the second seeded position to upset top seeded Rich Tarde 15-13, 11-15, 11-1 in the Sixth Annual St. Valentine's tournament. Kim Morton downed Angela Wyble 15-11, 13-15, 11-0 to take the Women's Open crown. The big winner of the tournament was the Colorado Heart Association who received a \$1,000 check presented by club director Phil Rhoades and tournament directors John Foust and Bob Schwab.

Complete results will be published in the next issue of *Rollout*.

SWINGERS 85

In December, the International Athletic Club, along with City Edition, completed the biggest and best racquetball tournament of 1984. With over 360 participants involved for 6 days at the IAC, there were great matches in all divisions. See page 12 for results.

There were many sponsors who generously contributed to the tournament in the way of door prizes, goods, and cash donations which all go to the Colorado Heart Association. The gifts donated by the following sponsors were very much appreciated: Bagel Nosh, Carousel Pool Supply, Copper Mountain Resorts, Dannon Yogurt, Dave Cook Sporting Goods, Ektelon, Fransua's Jansport, Just Juice, Keystone Resort, Mile Hi Fruit & Vegetable, Oliver Livingston Candies, Pella Products, Penn Athletic

Products, Pepsi Cola, Premium Beverages, Racquets Restaurant, RJR Circuits, and other private individuals.

Thanks to all for a successful event!

Former Colorado resident and racquetball great Dave Blackford took part in this year's IAC Swingers tournament.
