

NEW HAMPSHIRE RACQUETBALL ASSOCIATION

SEPTEMBER, 1991

N.H.R.A. HAS COME A LONG WAY!

The New Hampshire Racquetball Assoc., Inc. received its Non Profit 501-3C status. Helping us achieve this goal was Marsha Kazarosian, Law Office of Paul Kazarosian, Haverhill, MA. and Thomas Robinson, Robinson Financial Services, N. Andover, MA. In order to achieve this goal, the Association incurred legal and accounting expenses.

Therefore, until the Association was in receipt of revenue, all the Clubs/Tournament Directors were sent a letter stating the Associations accomplishments along with an incomplete tournament calander.

Finally, rvenue is starting to materialize and we're happy to be able to mail to you the revised N.H.R.A. 1991/92 Tournament Calander. As you can see, the tournament season is going to be busy. We are very appreciative to the Clubs Tournament/Program Directors and Staff for making the 1991/92 Tournament Calander successful.

Hopefully, during this recession, everyone can have a wonderful/enjoyable time. Tension and stress will probably be strong during competition. Understanding and perseverance will be very helpful.

One final note, the encouragement of low entry fees, No-Frills and family/jr tournament entry fees would be greatly appreciated. There are alot to competitors who/whom would enjoy playing tournaments/competition. Financially, these people can't participate because the expense of playing in a tournament is very costly.

We hope you had a wonderful summer and look forward to seeing you on the courts.

The N.H.R.A. 1991/92 Tournament Season got off to a spectacular start. The 1st IKKA Open had such a tremendous draw of competitors. It was wonderful to see all this energy being exploded. We would like to thank all of the Tournament Directors/Staff for all their devoted time into achieving a great successful tournament. Combined with all their mailings, numerous telephone calls and long volunteered hours, they succeeded. Thank you for a great job.
