To Benefit the American Cancer Society

Our Mission

To benefit the American Cancer Society

Harold McKahand regularly competed in Racquetball tournaments throughout the state of Florida in the late 70's and 80's.

Harold was also an extremely popular teacher and coach at Coral Springs Middle School and Miramars' Perry Middle School.

Harold embodied all that is great about our sport and sports in general.

He was a competitor but always a sportsman first, and he enjoyed the many friendships he made in racquetball as much as the matches he won.

The mission of this tournament is to raise money for the American Cancer Society to use in its fight to find a cure for the disease that took our friend.
