Every year the Puerto Rican Olympic Committee holds an awards banquet honoring top athletes in every sport, recognizing their accomplishments on and off the court. Curtis Winter, of Jacksonville was selected to receive the year 2000 honor for his accomplishments in the World Championships, Puerto Rican National Championships, US National Doubles and Puerto Rican International Invitational.

Curtis was surprised by many of his closest friends in Jacksonville with a party in his honor. Friendly "gag" gifts were presented and many stories about "the good old days" were told. Among his many gifts were several bottles of Puerto Rican Rum and "Learn to Speak Spanish" audio tapes. Congratulations Curtis.!

2001 REGIONAL SINGLES CHAMPIONSHIP

BY Kassi Herr

On April 6 - 8 at the **Orlando Fitness and Racquetball Club**, one of the 2001 Nationwide Regional Championship qualifier tournaments was held. With 230 players and over 400 matches, this was one of the largest tournaments held in Florida in many years. Players came here from as far away as Alaska, Michigan, Nebraska, New York, South Carolina, the Bahamas and even Columbia, South America.

Most notable in the draws was the increase in the number of women and junior players entering this event. The increase in the women's draws were most noticeable in the "C" and "D" skill divisions. One potential reason for the increases was a new \$100 "family" entry fee offered for this event. The family fee covered all members of a family for all events. In addition, the Florida Racquetball Association paid the USRA membership fee for any non-member juniors entering this event. *Continued on pg. 4*

*Let it never be said that FRA players were out done by anyone or anything! Following a lengthy discussion about the Top Female Professional photos in a recent issue of Racquetball Magazine a group of "Florida Boys" decided to "show their stuff"... if you haven't seen it on-line... check out the photos on page 10. Maybe we should consider an FRA "Beefcake" Calendar? Hmmm?

*Is it just me... or did anyone else notice any similarities between "Survivor's" Tina and our own Susan Pfahler? Look for more interesting information about racquetball's newest millionaire in the USRA's next Racquetball News.

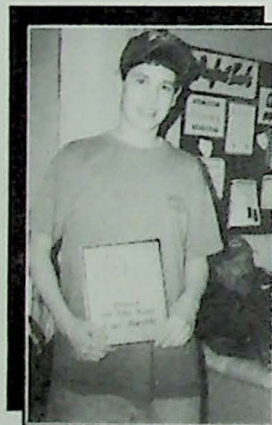

*Congratulations to Joe & Trish Canuel. Their new addition Taylor Marie Canuel was born on Feb. 12th-weighing in at 6lb 13oz and 19 inches long - Not even as long as Joe's racquet! Rumor has it that she's a real cutie!

*Finally there is relief in sight for Jacksonville Beach residents - Two courts are being built in Atlantic Beach by long-time players John Green & Curtis Winter.

These fees were paid from Junior Racquetball fund-raisers held at last year's event. The large crowd of players and spectators contributed to the festive atmosphere of this tournament. Also contributing to the atmosphere was a sound system operated by announcer **Guy Meadows**. He conducted musical introductions of matches which both informed and entertained the onlookers. In addition, Olympic style awards ceremonies were held on Saturday for all junior divisions and seniors 70 and older, complete with a 3-tiered awards platform and appropriate Olympic theme.

On Saturday night, a poolside barbeque provided a break from the racquetball action. **Don McAllister** and friends cooked up a real treat of baby-back ribs, deep-fried turkey and burgers.

A draw of 22 played in the Men's Open division. Top-seeded **Matt Fontana** was upset in the semi-final in a close match against **Julio Junki**, advancing Julio to his first regional open final. Julio's

opponent in the final was his friend, **Tim Hansen**. Tim advanced with an unfortunate semi-final forfeiture by **Randy Forrest**, who fell ill Sunday morning prior to the match.

In the final match, it took a first game, 6-6, eight shot rally to get Tim's competitive juices flowing. After a series of ace serves and several three-dimensional tours around Orlando's Court #2 for Julio, Tim mercifully finalized game #1 with a final score 15-9. Game #2 was an accelerated version of game #1, ending with a score of 15-3. In a great competitive spirit, these good friends skillfully demonstrated the gamesmanship and joy of playing the game.

Twelve players entered the women's open division, including 3 players from Nebraska. One of those players, **Linda Moore**, played a tough semi-final match but fell to 2nd-seeded **Helen Marseco**. Top seeded **Susan Pfahler** took on **Karen Bouchard** in her semi-final match and won, also advancing. This pairing set up an interesting rematch. Although Susan was the top seed, she was 0-2 against Helen. In the grueling final match, Helen won the first game 15-11. However, in the end, Susan triumphed winning games 2 and 3 15-13 and 11-9.

*The FRA Currently provides all state rankings, using results provided by tournaments.

*FRA rankings reflect only points accumulated in indoor 4 wall events.

*Once a player reaches the "cut off" limit in a skill division, that player is no longer eligible to compete in that division and MUST move up to the next higher skill level. Players may NOT drop back down to a lower skill level once their ranking points drop below the cut-off limit.

Skill Division Cut Off Limits

Division	Men	Women	Division	Men	Women
A	250	400	C	150	250
B	200	350	D	100	200

*Players ranked in the top 10 in any skill level may NOT compete in a lower skill level and will NOT be listed in the rankings.

*Cut off limits apply to skill level and age+skill level divisions.

*Once a player has won a skill division in a Level 3 event, he/she may NOT compete in that skill division in future Level 1-2-3 events. He/she may compete in the Level 4 event that year but must move up following that event. This rule applies to doubles and also applies even if the player has not reached the designated cut-off limit.

FRA Ladies Play Day

Sixteen of Florida's more active racquetball "studettes" met in Orlando on March 31st for a fun filled day of Racquetball. The group played singles - paired by skill level, then took a break for lunch followed by doubles play in the afternoon.

Attention Ladies! Are you in a racquetball rut? Are you tired of playing the "guys" and tired of playing the same folks over and over again? Well, maybe the Florida Women's Racquetball League is for **YOU!**

A few of us have been chatting about starting a Florida Women's Racquetball League. The concept, still in the planning stages includes establishing 4-6 Saturday mid-day league play days throughout the year at various locations such as Orlando, Coral Springs and Clearwater. Cost would be minimal and used to cover court fees, lunch and a T-shirt or jacket. Players of all skill levels would be welcome to join. Play would include 2-4 singles matches against similarly skilled players, doubles play and possibly some Professional instruction. The league would offer women the opportunity to network with other racquetball players and improve their tournament skills by playing other women from around the state.

OFFICIAL BALL OF THE IRT/WIRT.

If you would be interested in participating, please e-mail our project coordinator, Sue Hann at HYPERLINK mail to: **mhann@digital.net**. If enough positive responses are received, Sue will send out an e-survey asking each respondent about preferences regarding frequency, dates, location, time of day, match format...etc...

Please feel free to make any comments or suggestions about the league format. Hopefully we can have our inaugural event some time in late summer or early fall 2001.

Should we consider a calendar?

All this flexing prompts the question... who really has the BEST ... "**Buns**", **Eyes**, **Hair**, **Legs**, **Smile**, **Chest**, **Body**...???

Send your favorites to the **FRA News** at : ALL5LYONS@aol.com Your responses will be printed in an upcoming issue.

Naples Fitness Center • **"Reenergized" By Tracey Hunter**

Naples Fitness Center Members were treated to a 3 hour clinic & exhibition with Fran Davis. Davis, a top notch instructor and former Women's Pro Tour player and US Team Coach worked both one on one and with the entire group to help students of all abilities understand the dynamics of form and strategy. Fran then proceeded to "dust" all challengers in 11 point challenge games.

All in all students and spectators came away with an enormous amount of energy and information and are already asking club owner Geoff Hunter to invite her back. Hunter says "Fran has a very unique way of connecting with each and every one of her students, and this enables them to maximize their learning ability." "I was actually quite amazed at her ability as a player as well, she still has all the shots and a tremendous amount of spunk!" He also added "I would highly recommend to all club owners to bring her in for an evening to help reenergize their membership base. She is a real asset to the racquetball community." Fran can be reached at: fran@frandavisracquetball.com

Orlando Fitness & Racquet Club - Racquetball Leagues By Mike Mojer

They have racquetball programmed in their "Weekly Planners" and most of them do not play in tournaments, but all seem very comfortable on the courts. They are the most important contingent of racquetball players in our club.

Players vary widely in age, profession and skill level, but have a common thread... they all love to play racquetball!

On Mondays we see the friendly games played by women. On Tuesdays you can witness serious racquetball battles amongst the Men's A players. Wednesdays league play features the C and Novice players and Thursdays, the most experienced and challenging league players come to play. All are committed to the game.

Almost every night league players fill up the courts. They invest time, energy and money to "feed" their "league habit" and each and every one looks forward to the League Party at the conclusion of each league.

Kassi Herr, one of our regulars, has been playing racquetball for over 5 years, and participating in our league programs for the majority of that time. If you ask her how much time & money has been spent on racquetball she is unlikely to give you an answer. It's her life, her love and her entertainment. Fortunately, she is not the exception. We have at least fifty hard core league players that always sign up for these events. Of these, approximately 15 may eventually step up and begin to play in tournaments.

The beauty of leagues is that most players get a chance to compete with different individuals of varying styles, and do not get bored playing the same person all the time.

Win or lose, you get a chance to play again next week... That's our league motto!

League players are the backbone of our sport. We are more likely to retain league players as club members because they use the club regularly. In addition, league players are more likely to frequent and spend money in the club's restaurant, pro-shop, on lessons and they are much more likely to refer their friends and co-workers to "their club".

Management has learned that leagues are profitable. "We do not make money on the leagues themselves but they keep the club members happy and that is the number one goal of any club".

Leagues are conducted every quarter - Winter, Spring, Summer & Fall with league fees \$15 per player. For more information on racquetball leagues contact your Club's Racquetball Director or Pro - in Orlando, contact **Mike Mojer** at the Orlando Fitness & Racquet Club.
