Separate Departments = Separate Checks

Our office staff tries to be as efficient as possible. In order to maintain that efficiency and get proper credit for your church contributions, our new accounting service requires that a separate check be written for each category of giving. **You can no longer write a split check for multiple purposes.** For example, general fund, building fund, and designated contributions need to be written on separate checks. If you have any questions, please contact the church office. Thank you!

Summer Interns

Join us in welcoming our summer interns, Sara and Maddie!

Sara graduated from ECHS in 2021 and is currently studying Chemistry Education at OSU. Maddie graduated from ECHS in 2022 and is currently studying Communication Sciences and Disorders at OSU.

Thank you, Sara and Maddie, for your servant's hearts!
