NEA-DALLAS

A MESSAGE FROM THE PRESIDENT

I know that some of you have had some damage and impact from the recent winter storms in the area. We want you to know that NEA-Dallas is here for you. We will do whatever we can to assist you with resources to support you at this time. Remember that you matter, and your membership is important to us and remember these 7 rules of life; 1) Smile because it always works out in the end. 2) Be kind to others and know that you have the power to make people feel good. 3) Don't give up and if it does not work the first time, find another way. 4) Don't compare yourself to others because everyone is on a different journey. 5) Avoid negative thoughts, situations, and people. 6) Make peace with your past and focus on being present and creating a better future. 7) Take care of your body and mind and know that one struggles to survive without the other. I want to also remind you that in the midst of the pandemic that we must remember the three W's. Wear your mask, wash your hands, and watch your distance. Take care of yourself and your family.
