The TSTA Political Action Committee (TSTA-PAC) and the NEA Fund for Children and Public Education (NEA Fund) collect voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of pro-public education candidates for office. Contributions are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. "I decline to contribute to TSTA-PAC and I understand this will not in any way affect my membership status or rights."

Membership is open only to those who agree to subscribe to the goals and objectives of the Association and to abide by its constitution and bylaws.

Dues payments are not deductible as charitable contributions for federal income tax purposes.
