our MISSION

UNBOUND is a new way of moving with no boundaries: raw, undefined, athletic, meaningful, literal, passionate. It gives dancers the artistic freedom to express themselves through movement without feeling constrained to any specific genre of dance. We live and breathe dancing--that is what we are made of. We are all different sizes and shapes, we all move differently, but come together to present our feelings through movement. We are unbound by definition, we have no limits, we are daring. Our souls are fearless. We don't see ourselves just as dancers, but as catalysts for our passion, for life, through dance. We are ordinary people who love something so much that we are willing to reveal our inner most feelings to inspire others to do the same.

Since 2008, Unbound Dance Company's sole purpose has been to provide opportunity and education. We strive to raise awareness of the arts in Columbia through our annual performances. Additionally, Unbound provides dance classes and intensives—open to the community—in order to support dance education for aspiring artists. Our Apprentice Program (established in 2022) offers mentoring, dance education, and performance opportunities for school-age artists primarily from the midlands of South Carolina, but also stretching from upstate North Carolina to coastal Georgia.

table of CONTENTS

Unbound is a professional dance company based out of Columbia, S.C. founded in 2008 by Susan Hancock and Caroline Lewis-Jones. Unbound is a way of moving with no boundaries. We are raw, undefined, athletic, meaningful, literal, and passionate. We provide dancers the artistic freedom to express themselves through movement without constraint.

We are unbound by definition, we have no limits, we are daring. Our souls are fearless. We are ordinary people who love something so much that we are willing to reveal our inner most feelings to inspire others to do the same.

It is our pursuit to leave an impact on the dance community, and our audiences alike--with the will to live stronger, love harder, and desire a greater existence.

***“WE DON’T SEE
OURSELVES JUST AS
DANCERS, BUT AS
CATALYSTS FOR OUR
PASSION, FOR LIFE,
THROUGH DANCE.”***

Why do we so infrequently not want to be the people or artists we are, but so frequently strive to be something we are not? This question is what drives us, confuses us, and inspires us. We seek the answer through Unbound.

the INTENSIVE

Under the direction of Caroline-Lewis Jones and Morgan Holton, Unbound is returning for its fourth show on August 22 + 23, 2025. On the heels of three successful shows between 2021 and 2023, we'd like to thank our previous sponsors--we could not do this; what we love; without the support from our community. We are excited to collaborate with artists, creatives, and individuals of all kinds to continue in producing thought-provoking work, and striving to inspire and connect.

As a non-profit organization, support from our community businesses and individuals alike is vital to our success. Thank you for considering Unbound Dance Company as a non-profit partner.
