

Entering the Courts of Heaven:

People want to find that one thing whatever the enemy is using to resist them with. Be open to Holy Spirit, listen to him. Pay attention to what Holy Spirit might be saying, because many times when you began to pray, this nagging little thought in the back of your mind that is saying to you, God's not going to answer you and he is not going to answer you because ofthis! This nagging little voice in the back of my mind is sapping faith and telling you all the reasons why God's not going to answer you. Can I tell you what that is? That's called the accuser of the brethren. So, what do you do with that? Well, you stop praying and you do not ignore it, you stop. You repent of that thing, that he's accusing you of. You ask for the blood of Jesus to speak for you. Why? Because whatever is the reason that thought is in the back of your mind as you're making your request the accuser is using it against you before the throne of God and in the courts of heaven. What I do is I stop and I say, Lord, I am asking in the name of Jesus, anything that is relative to this I asked you to forgive me and ask Your blood to cleanse me. I ask for that voice that is speaking be silenced, in Jesus name. I ask for your blood to speak for me and I agree with what your blood is saying for me Lord, I remind you that you have received the righteousness of Jesus Christ who is your advocate with the Father. Jesus, you are speaking in my behalf before the Father, and I'm asking that any legal case the enemy has against me concerning these thoughts, let it be revoked and let it be removed. I repent of it. I ask your blood to speak for me. Thank you Lord.

I promise you that will the voice will silence immediately and you will be able then to speak before the Lord with faith in your heart and with faith in your spirit. This is really important that you know this. The other thing that I would mention concerning this is in Philippians 3:15. The Bible says that that if you be any other wise minded, he's talking about coming to maturity. It says God will reveal even this to you. So, here's what it means. It means that if there's something else you need to know, if there's an issue that you need to deal with, the Holy Spirit is going to reveal it to you. If he doesn't reveal it to you, then do not worry about it. Do not try to manufacture something. Do not get paranoid. Do not get in strife. Do not move into these areas. Just let silence be silent. In other words, do not try to conjure up something. Just say Lord, I just thank you for this. Now, the other thing I say to do in regards to this as we're seeking to move into the courts of heaven, is to apply Colossians 2:14 Because the Scripture says in Colossians 2:14, that every handwriting of ordinances that was against us, that means accusations that was contrary to us. Jesus took it out of the way, nailing it to his cross. That is one of the stated verdicts of the cross. So, here's what to do. Say, Lord, I say anything that would try to resist me from coming and standing before you, ask according to Colossians 2:14 that anything that is resisting me or that is standing against me, I am asking and declaring that your blood is speaking for me, Lord, so that any and every voice, any and every accusation, any handwriting of ordinance, that is contrary to me, and that is against me, it is now nailed to your cross and it is taken out of the way and it has no more relevance against me in the court of heaven.

Do you sense and see when you say this you are silencing the accuser so that you can step fully into this realm that God wants you to move into? I want to challenge you to by faith see what the Bible says that we come boldly before the throne of grace. I want to challenge you by faith, to have confidence in blood of Jesus and all that he has done. Why? Because the blood of Jesus has granted us entrance into His court. One more thing. Do not let someone tell you have got to be a special person to do this. You don't have to be a special person. Number one, you are special before him because the blood of Jesus has made you worthy. Okay, that's the truth, but in the sense that you have to have special knowledge or be some specially gifted person to function in the courts of heaven you do not have to be. I want you to hear something. By faith, take the principles of God's Word and do what has been described to you. You need to put this to use because our senses by reason of us will improve.

Let it work, Lord, let me have more. What I'm trying to get you to see is do not disqualify yourself. Do not let anything cause you to back away and say, I can't do that. I'm telling you by the word of the Lord, that You are more than a conqueror. You are an overcomer. And God wants you to step into the courts of heaven and see these breakthroughs come and I want to encourage you. that thru prayers and through declaration, I promise you, prayers and declarations will enable you to step into these realms when you add your faith to it. When you add your faith to it because see the Bible says in Hebrews chapter four, that the word preached to them did not profit them not being mixed with faith in that and those that heard. You have to add your faith, you have to step into these realms. I want to challenge you very much to move into these dimensions. Let me pray for you. Father, I want to thank you right now in the name of Jesus, that this is your passion. It's your heart, that your people will move into the spiritual dimensions that you have made available to us by the blood of Jesus. Thank you Lord. Now we take the prophetic giftings that every one of us have, and we began to develop them. We began to use them. We began to step into these dimensions. We began to take the blood and silence any accusation that is against us. We move into these spiritual areas, Lord, that you have made available to us. And we thank You, Lord, that as we do, we're not trying to convince you to do something. We are moving in agreement with you, Lord, for heaven to shift the spiritual realm around us so that all that is in heaven can manifest itself into the earth. And I thank you so much for doing this. We receive the grace and the authority and the mercy to function in these realms. In Jesus name.

Amen.
