**Re. Elsham Seniors Section – Annual Accounts**

I have had the opportunity to take a close look at your draft copy of the Elsham Seniors Section Annual Financial Accounts and supporting documentation.

I can confirm that I am fully satisfied with the contents and accuracy of your document and on a personal note, I would add that I think you and the committee have done a fantastic job during what has been a very difficult year. I am sure that all our members will fully appreciate all the hard work which goes into running our very successful section.

Best wishes.

Robin
