

## Elsham Golf Club Seniors Section

### Committee Meeting Tues 12<sup>th</sup> February. (On Zoom)

Present : Russell Orr, Richard Curtis, Ian Carr, Chris Chapleo and Robin Peak

#### 1. Preparation for AGM.

We have had 3 questions from members on various papers published on the website.

- a. Financial question from Chris Chapleo which, after discussion it was agreed Robin would answer.
- b. Winter matches question from Peter Boulby which will be answered by Ian.
- c. "Fun matches" question by Peter Boulby which also will be answered by Ian.

The answers will be circulated to the Committee and then published on the website.

#### 2. Nomination forms received for Elected Posts.

Up to the closing date of 10<sup>th</sup> February we have received three completed nomination forms, one for each post as follows:

**Captain – Chris Chapleo** Nominated by Russell Orr and Seconded by Ian Carr

**Treasurer – Robin Peak** Nominated by Bob Dasey and Seconded by Robert Adcock

**Secretary – Ian Carr** Nominated by Peter Grimes and Seconded by Mick Hempstock.

It was agreed that these posts are duly appointed without the need for elections as they are unopposed. The nominees will commence their appointments on 24<sup>th</sup> February.

Ian will publicise the appointments on the Seniors Website.

Russell thanked **Richard Curtis** on behalf of all the senior members for his work over 5 years as retiring Seniors Secretary wished him well on behalf of the Committee. Russell said he hoped the Senior Members would express their appreciation when we are back at the club once again.

#### 3. Vice Captain

Chris Chapleo has invited **Mike Gibson** to be his Vice Captain for the forthcoming year. The Committee approved this nomination and Mike will start his appointment on 24<sup>th</sup> February.

#### 4. Exchange Day 2021.

Clearly there is still a great deal of uncertainty over our Seniors Exchange day. Richard reported that he had been in contact with Wheatley which was booked for 2020. The Professional there was unable to confirm the date at this stage. Ian will follow this up as soon as possible. We did discuss the possibility that for this year we may just need to book another club as a society rather than expect exchange arrangements.

#### 5. AGM ZOOM Meeting on 24<sup>th</sup> February.

Ian said that the returns to the survey put out on having a ZOOM meeting on 24<sup>th</sup> February were disappointing and the Committee agreed that there was not much point in organising a meeting as most of the business of the AGM had already been done. Chris Chapleo's address as incoming Captain will be published on the website on 24<sup>th</sup> February.

Russell thanked the Committee members for all their work in the last year and expressed a hope that this year would be better especially for matches with other clubs.
