They continue to be well supported with 34 Qualifying Scores returned in July and further events are planned for Monday 14th August and Friday 18th August.

Internal Competitions

The Summer Cup for the Russel Orr Trophy was well patronised and the green keeper team is to be congratulated for the excellent condition of the course.

Both are in progress but have suffered delays in round completion.

EXTERNAL FIXTURES - Steve Ayres

We have played 14 matches so far and have won 7, lost 6 and drawn 1

The next three matches for August will be on the notice board w/c 31 Jul. Selected players have been asked to confirm availability.

The cttee agreed that the Cottingham Texas Scramble should still go ahead.

Planning continues for the 2024 Capt's awayday at Hainsworth Park.

Most of the clubs we play have agreed the dates for next year. BB asked for provisional events list to be presented before the next meeting prior to submission for H&C cttee authorisation.

The teams have been selected for the 2023 Cyder Cup at Greetham Valley. Anyone who has not already registered may still do so but will be entered on a reserve list. Names to davidstiff2@gmail.com please.

OTHER NEWS

Your committee has had two successful lobbies on the club: Captains Photo now in place and Buggy route accepted and applied, a little caution might be appropriate with the application of the latter 😊.

And lastly but my no means least, congratulations must go Colin and his team for their outstanding work in maintaining our course. It is the envy of many a player in our matches and club competitions. Thanks to their tireless efforts it continues to be one of the very best in the County.
