10 YEARS 19 NEW CHURCHES 1,190 BAPTISMS!

Kingdom Colleagues, your partnership with Waypoint is producing a HUGE Kingdom impact. Waypoint has helped launch 161 new churches since 1938. The new churches you helped us plant during the past decade around the region, 19 in all, have collectively celebrated nearly 1,200 baptisms!

"There's no better way to invest your evangelism dollars in America than through the ministry of starting new churches!" —Tim Cole

WAYPOINT PARTNERS WITH CCL TO LAUNCH “LEVEL UP” PREACHING COHORTS

Waypoint exists to catalyze an ever-increasing number of thriving churches and leaders in our region. Waypoint has recently partnered with the CCL Network to provide “Level Up” Preaching Cohorts for much-needed continuing education and professional development for preachers.

Cam Huxford once asserted at a Waypoint “Art of the Sermon” event, “The 10 square feet under the pulpit is the most important real estate in the Kingdom of God.” Preachers are challenged to hone their preaching into compelling weekly sermons in an ever-changing cultural landscape.

Learning together in a cohort provides the optimal environment to make significant strides toward even more compelling preaching. Cohort topics will include: Storytelling and Illustrating, Relevant Application, Healthy Exegetical Practices, Variety in Your Preaching, Embracing Technology, and more.

One-year “Level Up” cohorts of 6-7 preachers include a 90-minute monthly digital meetup with the cohort along with an individual 45-minute monthly check-in with a Waypoint coach.

The cost to the church is \$500 for the year-long cohort experience. The CCL Network, formerly associated with Cincinnati Christian University, is now under the auspices of Central Christian College of the Bible.

LUNCH-AND-LEARN EVENT GATHERS LEADERS IN SOUTH CAROLINA

Waypoint hosted a Lunch-and-Learn event at Waypoint church plant, Kinetic Church in Columbia, SC on September 21. Over 50 leaders from around South Carolina attended the Saturday morning event. Neil Wheeler, Waypoint's Director of Leader Care, presented the seminar, Leading from the Overflow.

Neil shared, "Every ministry leader has the choice to lead out of a full or empty soul. While you cannot always control what happens TO you, you can control what happens IN you."

Waypoint began operating in South Carolina in January of 2022. The leaders of the South Carolina Evangelizing Association (SCEA) invited Waypoint to absorb their 50-year-old ministry. Tim Brown and Tim Brokaw, former officers of the SCEA, now serve on the Waypoint Board of Directors.

Waypoint is proud to serve the churches and leaders in South Carolina!

TWO PARTNER CHURCHES WELCOME NEW PREACHERS

Longtime Waypoint partner, Northampton Christian Church in Hampton, VA recently welcomed Nick Westfall and his family to their church as their new preacher. A 2010 graduate of Cincinnati Christian University, Nick joins NCC after serving for 8 years as an Associate Minister in Florida. Welcome Westfalls!

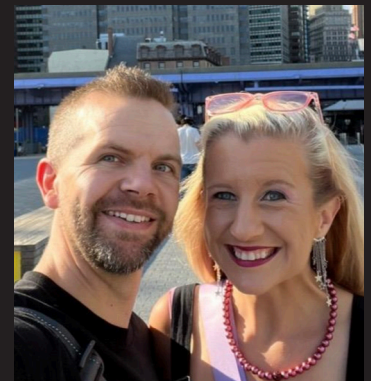

Forefront Church in Virginia Beach recently installed Josh Vaughan as their new Teaching Pastor. A Virginia Beach

native, Josh is an alumnus of Regent and Liberty Universities. Josh most recently served as the NextGen Middle School Director at Grace Bible Church in Virginia Beach.

Forefront launched as a Waypoint church plant in 1998. The original church planters were Vince Antonucci and Tim Cole, now our Executive Director.

During a special evening service in October, Forefront also installed Dan Pollard as their Pastor of Leadership, sharing co-minister roles with Josh. Dan has been on the Forefront staff as their Pastor of Adult Ministries for 19 years.

Churches Rise Up as Flood Waters Recede

On Thursday, September 26th Hurricane Helene made landfall as a Category 4 hurricane with sustained winds as high as 140 mph. Cities along the Blue Ridge Mountains received nearly 2 feet of rainfall with catastrophic effects.

Bob Russell, in his recent blog post, gave this positive outlook on the tragedy left by the historic flooding of Hurricane Helene: "In times of crisis, Christians are the first and best responders."

Not only have hundreds of thousands of dollars been donated to help with the relief efforts, but churches from around the Waypoint region quickly assembled teams of people to begin the physical labor required for the rebuilding process. Waypoint partner Crossroads Christian Church, in Gray TN, became the distribution

center for the Washington County Emergency Management Agency. For more than a week truckloads of supplies arrived from around the country filling their buildings to the brim before being sent out in trucks donated to the ministry to help re-supply affected families.

Blackhawk helicopters from the local Air National Guard airdropped critical supplies from the church to over 200 stranded people in remote areas still inaccessible by road. Waypoint partner, Bridge Christian Church in Fishersville, VA, was one of several churches that had private pilots from their church deliver donated supplies to airstrips in the affected area.

Appalachian Christian Camp is located in hard-hit Unicoi, TN. The camp, staffed by volunteers from area churches, is serving as a housing option for displaced families and relief workers, providing a bed, hot showers, power, and wifi.

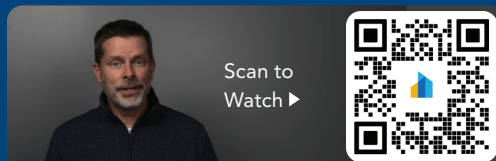

There are countless other great stories of churches in the Waypoint region rising up to be hope for the hopeless. "When the world is at its worst, the Church is at its best!"

Funding Ministry

CFR is a movement of people, ministries, and businesses stewarding God-given resources to fund ministry and change lives.

Several years ago, CFR was there to support East 91st Street Christian Church during a challenging season, believing their story was far from over. The church now celebrates two incredible milestones: 100 years of ministry and becoming completely debt-free. Rick Grover shares more about this remarkable journey.

WHAT'S IN A NAME?

Curtis Teel, Waypoint's church planter for our upcoming project in Charles Town, WV has chosen a great name for his new church - Anthology Christian Church.

One definition of an Anthology is a collection of stories written by the same person. What a beautiful picture of the local church: a collection of God-stories, one person at a time.

Other recent Waypoint church plants have also chosen names with creative vision casting opportunities: Collective, Compass, Canvas, Kinetic, Journey, Renew, Local, and Encounter Christian Church.
