## ANTHOLOGY CHURCH LAUNCHES STRONG IN CHARLES TOWN, WV

On the last Sunday of September, 178 people were in attendance on opening day for Anthology Church at the Charles Town Middle School. This number included 33 in the children's ministry. Over their first four weeks, Anthology has maintained an average of over 150. Of the 65 Connect Cards gathered after the inaugural service, 13 people indicated interest in being baptized!

Senior Minister, Curtis Teel, prepared over the past year to launch well by completing a church planting residency with another Waypoint church plant, Collective Church, in Frederick, MD, simultaneous with a distance training residency with Passion for Planting at New Life Christian in Chantilly, VA.

Charles Town, a town of 10,000, sits at the very eastern tip of the West Virginia panhandle, and is now considered to be part of the northwestern fringes of the Washington, DC metropolitan area. Charles Town is listed by some demographic reports to be West Virginia's fastest-growing city, having doubled in size since 2000.

Anthology is the 162nd new church Waypoint has helped launch around the region since 1938. Your financial partnership with Waypoint helps us to keep planting more and more life-giving churches like Anthology all across the Waypoint region.

# WAYPOINT PARTNER CELEBRATES 250 YEARS!

Cool Springs Christian Church, located in rural Lunenburg County, in south-central Virginia, hosted a special anniversary celebration in October, recognizing its 250th birthday. Founded during Revolutionary times in the Fall of 1775, Cool Springs' preacher, Dave Richmond, a former Waypoint Board member, loves to quip, "We're older than America!"

Those familiar with Restoration Movement history might recall the famous "Lunenburg Letter" written in 1837 to Alexander Campbell by an unnamed female member of the Cool Springs Church. Her theological question to Campbell was answered in *The Millennial Harbinger*, Campbell's popular Christian magazine distributed between 1830 and 1870.

Cool Springs' anniversary weekend included a Homecoming event on Saturday evening celebrating the sesquicentennial history and impact of the church. The Sunday service, filled to overflowing, featured special music by many groups from the church, including a youth choir and a video montage of the church's legacy.

Neil Wheeler, Waypoint's Director of Leader Care, delivered the morning message. The meal following the Sunday services would have been impressive in any era of the church's 25 decades of potluck fellowship meals.

Waypoint is always proud of the new churches you help us to launch each year in our region, now up to 162 and counting. But we stand on the shoulders of faithful churches like Cool Springs that are still impacting their communities after decades, even centuries, of service to Christ.

# WAYPOINT ADDS NEW REGIONAL CATALYST

At their most recent quarterly meeting, the Waypoint Board of Directors unanimously approved the addition of Mark Magee to join the Waypoint staff as a Regional Catalyst to the DelMarVa Region (Delaware, Maryland, and Virginia).

Until January, Mark served for 32 years at The Crossing Church (formerly Lewes Church of Christ) in Milton, DE. During his tenure, the church grew and relocated to a new facility, now averaging more than 600 in two services each Sunday. A new capital campaign is in the works to further expand their facility.

For many years, Mark has provided leader care and coaching through meetups and retreats for many of the ministers in his area. Mark has also served churches all across the Waypoint region by leading

strategic planning retreats for church leadership teams.

In January, Mark handed the baton of leadership to his successor, Adam Woods. Mark will be receiving significant financial support as a missionary of The Crossing to serve churches and leaders in the DeMarVa region in partnership with Waypoint. Mark officially begins his new role with Waypoint in January.

Mark, a graduate of Cincinnati Bible College and Lincoln Christian Seminary, and his wife, Angel, have been married for 34 years. They have 4 adult children and 5 grandchildren.

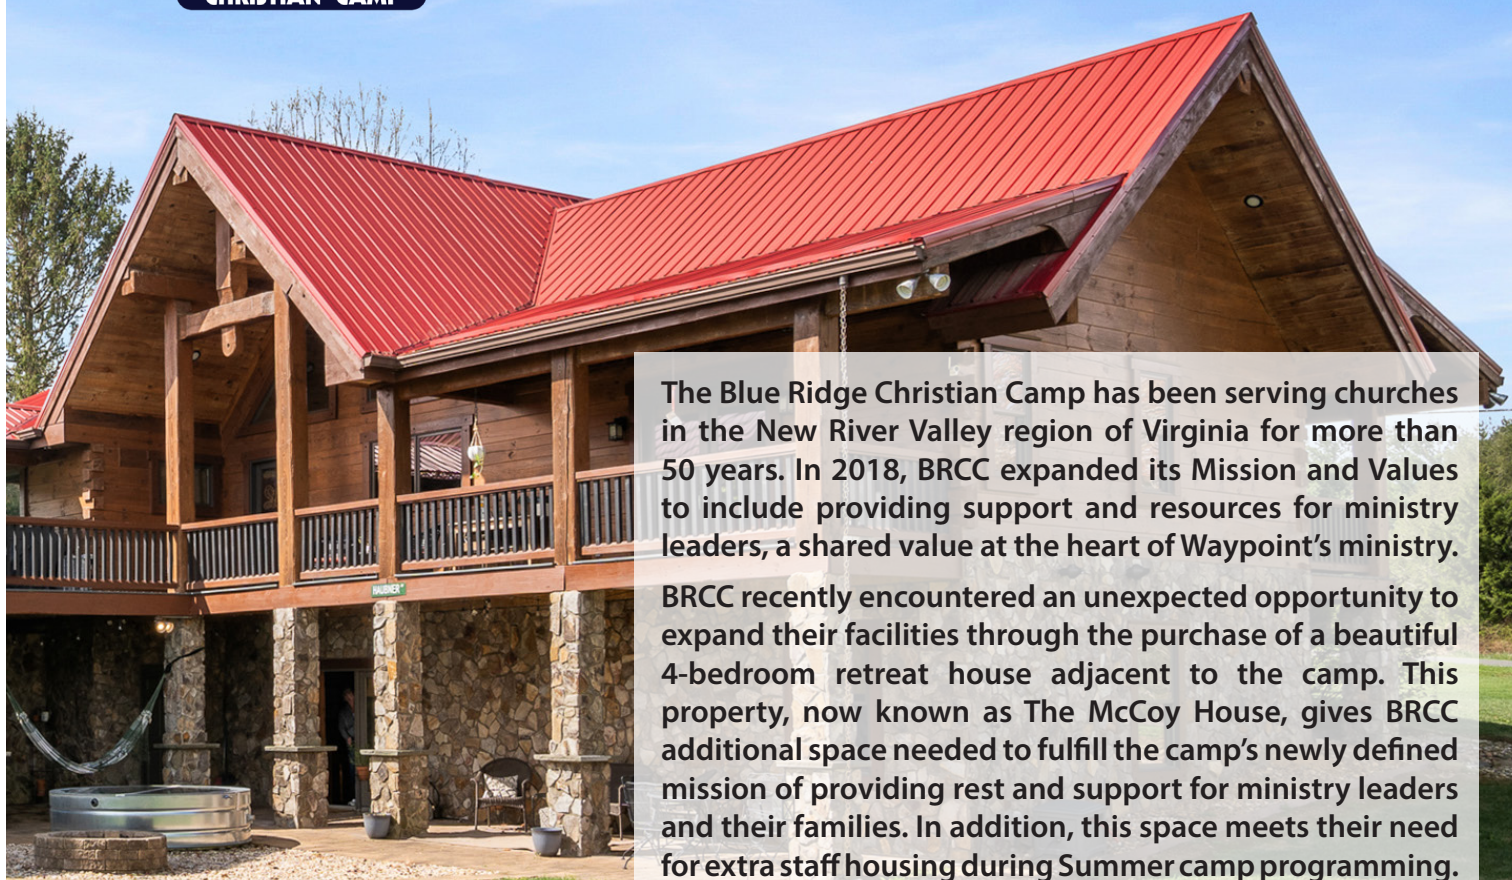

Welcome, Mark (and Angel) to the Waypoint team!

# A RESPITE RETREAT HOUSE OPENS IN VIRGINIA

The Blue Ridge Christian Camp has been serving churches in the New River Valley region of Virginia for more than 50 years. In 2018, BRCC expanded its Mission and Values to include providing support and resources for ministry leaders, a shared value at the heart of Waypoint's ministry.

BRCC recently encountered an unexpected opportunity to expand their facilities through the purchase of a beautiful 4-bedroom retreat house adjacent to the camp. This property, now known as The McCoy House, gives BRCC additional space needed to fulfill the camp's newly defined mission of providing rest and support for ministry leaders and their families. In addition, this space meets their need for extra staff housing during Summer camp programming.

The McCoy house is available for one or two-night respite and retreat stays for Christian leaders (and their families)

in the Waypoint region at a modest price. The house may also be rented for church staff or Elder retreats based on availability. An additional 5th bedroom is available on the camp property. No other facility of this kind exists in our region that is specifically focused on serving Christian Church and Churches of Christ ministries.

**They are now taking reservations for January 2026 and beyond. Contact [office@blueridgechristian.org](mailto:office@blueridgechristian.org) for pricing or to inquire about a visit.**

# TWO RIVERS' NEW FACILITY NEARS COMPLETION

Two Rivers Church launched in New Bern, NC, in 2009 and moved into their current property, a former lumberyard, in 2014. They converted the showroom into a 300-seat auditorium along with childrens classrooms and office space. Steady growth has created a need for three Sunday services as their average attendance has grown past 800 during the past year.

Financed by CFR (Christian Financial Resources), Two Rivers is near completion on the second building on the property featuring a new auditorium with more than 500 seats. The 12,000 additional square footage brings their entire footprint to nearly 30,000 square feet of ministry space. They worked with Risepointe Architects out of Chicago, IL for their beautiful, modern design ([www.risepointe.com](http://www.risepointe.com)).

Two Rivers had their first conversations about property expansion during a strategic planning weekend in August, 2020 led by Waypoint's newest Regional Catalyst, Mark Magee. (See page 3 for more about Mark Magee.) Their "Fearless" Capital Campaign held in 2023 will reach a total of \$1.2M in contributions by early next year.

Founding Minister, Dave McCants, has served as a mentor to many of the more recent church planters associated with our friends, the Church Planters of Eastern North Carolina. Two Rivers is planning for the first services in their new space to be held on Christmas Eve.

## TREASURER'S REPORT - 3RD QUARTER 2025 JULY, AUGUST, SEPTEMBER

# Funding Ministry, Changing Lives

"Since moving into our downtown Jacksonville, NC building, Restore Church has witnessed 118 baptisms—80 of them this year alone—and 204 since our launch in 2017. Having a permanent home has multiplied our ability to reach people, disciple families, and see real life change in our city. None of this would have been possible without Christian Financial Resources, who believed in our mission and helped make our space a reality. We're grateful to partner with CFR as we look toward future growth and expanding God's Kingdom together."

— Roger Burns, Lead Pastor at Restore Church, Jacksonville, NC.

COLLEGE  
MINISTRIES  
OF VIRGINIA

## JOIN THE WAYPOINT PRISM

Waypoint is excited to be hosting The International Conference on Missions (ICOM) again two years from now in Richmond, in November 2027. You're invited to register for the conference and to bring any Kingdom-driven members of your church with you.

The conference will focus on the "Internationals Among Us." People from around the world are in our backyard if we would just look for them and reach out to them.

Waypoint is launching an evangelistic initiative as a result of hosting the Conference to reach international students on our university campuses. We have the opportunity to impact the world by connecting with these students for the four years they are studying in our country. A significant number of these students are from countries with restricted access to the Gospel.

The special initiative is called the Waypoint PRISM—a Partnership to Reproduce International Student Ministries. Churches from around the region are being invited to contribute to this partnership to see multiple International Campus Ministries launched on college campuses around the Commonwealth in partnership with our friends at College Ministries of Virginia (Check out CMOV at [www.cmov.org](http://www.cmov.org)).

Please contact Waypoint with your questions about joining The Waypoint PRISM.
