Load up your kids for a fun drive thru at the church. Prepare to be cheered as you pick up your Virtual School Year Survival Kits and a special treat!

EVENT DESIGNED FOR KIDS IN PRESCHOOL-6TH GRADE

Sunday August 30th
12:30-2:30pm

Contactless Check-in Process and Updated Greeter Responsibilities

- Families will enter the downstairs lobby and will wait for an available Journey Kids Greeter to check them in.
 - While waiting for a JK greeter to assist with the check-in process, families will wait at designated spots on the carpet. Social distancing markers will be spaced 6 feet apart and applied to the floor leading up to each check-in station.
- There will be four check-in stations including one New Family check in station
 - Check-in Station 1 will be the rolling cart with the desktop computer(s) and printer(s).
 - Check-in Station 2 will be the middle table under the tv and will have one iPad and printer.
 - Check-in Station 3 will be the rolling cart near the stairs and will have one iPad and printer.
 - The New Family Check-in Station will be next to copier/to the left of the Walkers Room door. This will include a rolling cart, premade visitor name tags, and Journey Kids info cards for new families to pick up if they are interested.
- Each check-in station will be manned by a Journey Kids Greeting Team volunteer. The volunteer assigned to each check-in station will be the **ONLY** person touching that iPad, computer keyboard, and printer.
 - Each check-in station will also have an assigned infrared thermometer. Before initiating the check-in process, the volunteer will **WARMLY GREET EACH FAMILY** and then explain that our new Health Policy mandates that each child and volunteer have their temperature taken before entering Journey Kids. The volunteer will then take the temperature of each child that will be entering Journey Kids.
 - If their temperature is higher than 100.4 they will be asked to stand over in the hallway next to the mens bathroom/outside stairs for a children's director to re-take their temperature a few minutes later. If their temperature is below 100.4, they can proceed with the check-in process. If their temperature is still above 100.4, they will not be permitted to check into Journey Kids that day. They will be asked (by the children's director) to join us at home for our online services and invited to come again in a
