## CHURCH PLANT RETRO-FITS FORMER EQUESTRIAN FACILITY

Waypoint church plant, LifePointe Christian Church, launched in 2006 in an elementary school in Toano, Virginia, a northern suburb of Williamsburg. After outgrowing the elementary school they moved to a high school cafeteria across the street where they have worshiped since 2009.

Continued growth led them to purchase a 10-acre former equestrian events facility three miles west that included a 19,000 square foot dirt-floored riding ring, an eight-stall stable, and a historic 110 year-old three-story farmhouse needing complete restoration.

After two years to complete extensive zoning, site work, and construction, LifePointe finally opened her doors to the public in November. Their new facility includes a 330-seat worship space, an expansive lobby and cafe, a wing for children and youth programming, and a fully renovated farmhouse to be used for offices and meeting space.

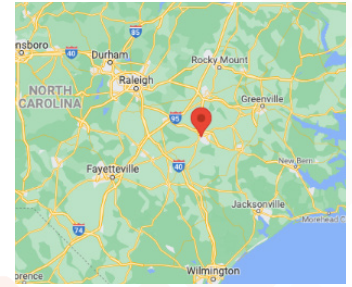

LifePointe's new logo and branding capitalized on the weather vanes around the property. Kudos to Lead Minister Phil Murdock and the rest of the leaders at LifePointe for the great work to transform this property immediately positioned for community impact!

*The \$5 million project is being funded by our ministry friends at The Solomon Foundation.*

# CANVAS CHURCH LAUNCHES STRONG IN GOLDSBORO, NC

Waypoint church plant Canvas Christian Church recently launched in the Premiere Theater Complex in Goldsboro,

NC. Here is the description of the opening day from church planter, Kevin McNeil:

"Soon, people would arrive and complete strangers were pulling up. The theater was becoming more and more packed. The atmosphere was welcoming and exciting. Finally at 10:00 AM our service would start with 163 people who all heard the gospel message of Luke 15 preached that morning with three people coming forward to commit their life to Jesus after the service. The best part? We get to do this all over again NEXT week...and every week after that!

"We truly could not have done this without church and people like you. There is still work that needs to be done—so many people to continue to reach. However, as we celebrate this launch day, it is only possible because of you and your support. From the bottom of our hearts, we thank you."

Since their grand opening Canvas Church continues to reach well over 100 people each Sunday and has already celebrated ten baptisms! There's no better way to invest your evangelism dollars than through the ministry of starting new churches.

# ICOM CONVENES IN RICHMOND

More than 3,000 Kingdom-minded people converged on the Richmond Convention Center the weekend before Thanksgiving to experience the annual International Conference on Missions. Servants and leaders from around the region, around the country, and around the globe were challenged to discover and live out the Great Commission “call” on their lives.

The week was packed completely full with inspiring main sessions, an expansive exhibit hall, practical workshop tracks, fun programming for youth and children, and much more. By playing host to the conference, Waypoint received visitors from far and near at their booth at the entrance to the exhibit hall. New friendships were forged and old relationships were rekindled.

## THANK YOU!

*A huge thank you to all the people and churches who participated as volunteers, attendees, and partners in the special 21in'21 campaign to plant 21 new churches around the globe as a result of the conference this year. Waypoint is proud to make a lasting impact through you!*

# 21IN'21 CAMPAIGN CONCLUDES WITH BIG GIVEAWAYS

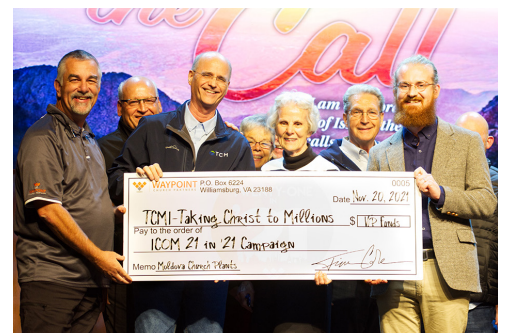

Hosting the International Conference on Missions afforded Waypoint the special opportunity to launch an initiative to raise funds from churches around the region to facilitate the launch of 21 new churches around the globe. Five planting organizations were chosen to receive the funds that were pledged by dozens of churches over the past 3 years.

We are proud to see five new churches being launched in the former Soviet state of Moldova, in the Muslim territory of North Ghana, in the Buddhist region

of Nepal, and in the burgeoning city of Queretaro, Mexico. The 21st church is being launched to reach the Filipino community in and around Raleigh, North Carolina.

More than \$400,000 have been pledged toward this God-sized initiative for global impact. Ceremonial checks were awarded to each organization during each main session during ICOM to feature their ministry. Please pray for these 21 churches and their pastors as they launch!

# NEW CHURCH TO LAUNCH IN TIDEWATER AREA OF VIRGINIA

Waypoint is excited to announce plans for a new project, Journey Church, to be planted in Virginia Beach. Plans are being made for a Spring launch timeline. The most recent project for Waypoint in the Tidewater area was Celebration Church in nearby Suffolk in the Spring of 2002, twenty years ago.

Church planter, James Davis, is a 2005 graduate of Mid-Atlantic University and served on staff for seven years at another Waypoint plant in Virginia Beach, Forefront Christian Church, before planting The Rising, a new church in downtown Norfolk, Virginia in 2014. James, a Norfolk native, cut his teeth on ministry serving as a teenager at the “Teen Church” for what is now Waypoint Partner, Real Life Christian Church in Chesapeake.

James and his wife, Irene, have been married for 15 years and have two children, Amaya (9) and Aiden (5). Irene is a successful entrepreneur, with her own graphic design and photography companies. James and Irene successfully completed Waypoint’s Church Planter assessment in August.

James is now completing the weekly tasks associated with our Church Planting Project Management and a Residency Cohort with our ministry partner, Passion For Planting. Initial efforts for launch team recruitment and development along with fund-raising appeals are netting positive returns. Waypoint will provide further support with an oversight team and monthly ministry coaching.

Would your church be interested in helping to financially launch this new church? Please contact us about a one-time gift or monthly support for two or three years as a way to partner with us on this exciting new project.

## ICOM RECEPTION HONORS DAVE AND CINDY HILEMAN

Waypoint hosted a reception after the Friday evening main session at the International Conference On Missions. Dave and Cindy Hileman were honored as they transition fully into retirement. They were given an all-expense-paid trip to enjoy one of their favorite places on the planet—the Magic Kingdom in Florida.

Dave served the Virginia Evangelizing Fellowship (VEF) and Waypoint for 35 years in volunteer, part-time, and full-time capacities, most recently as our Associate Director. Previously, Dave led for 11 years as the Executive Director of the VEF during a transformational season that concluded with the merger between the VEF and Envision to become Waypoint.

Cindy served as the Financial Administrator of the VEF and Waypoint for 16 years, keeping track of every nickel received and spent by our growing ministry before entering retirement last year.

## COLLECTIVE CHURCH CELEBRATES 100TH BAPTISM!

Waypoint church plant Collective Christian Church launched in Frederick, MD four years ago in the fall of 2017. They worshipped for two years in the local middle school before COVID-19 forced them to stream their services exclusively online for an entire year.

Collective completed the build-out of their 11,000 square foot commercial facility in March. They have already celebrated 24 baptisms at their new space, bringing their total since launch to 100 and counting!

There's no better way to invest your evangelism dollars than through the ministry of new churches! Does your church partner with Waypoint to launch new churches? If not, contact us about joining the more than 100 churches around the region who helped to make vibrant new churches like this one a reality.
