#### WAYPOINT TO LAUNCH NEW CHURCH IN ASHLAND, VA

Waypoint is excited to announce plans for a new church to be planted in 2023 in Ashland, Virginia, the Northern end of the Richmond metro area. Ashland's motto claims to be "The Center of the Universe." Ashland sits at the center of Hanover

Bruce and Bethany Humphrey and their boys are relocating from St. Petersburg, Florida to launch the Ashland plant. Bruce is a graduate

The Humphreys

of Cincinnati Christian University, while Bethany, a school teacher, studied at Florida Christian College. The Humphreys gained experience as church planters in Florida, launching Common Ground Church in 2014.

Long-time Waypoint partner Fairmount Christian Church, in nearby Mechanicsville, will serve as the lead partner to help drive the launch of this new church. The Humphreys will serve in residence at Fairmount prior to launch. Other churches from the greater

Richmond region are invited to join the support network to help the plant launch well.

Like most of our recent planters, Bruce will be completing the 10-month church planting residency program with our ministry partner Passion for Planting. Would your church commit to supporting this new church in a special way during their launch phase?

## BEFORE & AFTER: SMITHFIELD NO-INTEREST LOAN RESULTS

Newly redesigned lobby

One of the strategic services Waypoint provides to established churches is to make no-interest loans of up to \$75,000 to help drive churches' ministries. Over the past 70 years, more than 120 modest loans have been made and repaid from a special recirculating fund established to serve Christian churches in our region.

In 2020, Waypoint granted a \$35,000 loan to Smithfield Christian Church near Hampton, VA. Their proposal to the Waypoint Board of Directors included

expanding their small foyer to foster more fellowship before and after worship, updating auditorium A/V equipment to benefit both in-person and online worship, updating fixtures and decor throughout the building, and replacing their outdated baptistry.

The results look great! Senior Minister Joe Thompson says, "Because of Waypoint's partnership through this loan, we were able not only to increase the size of our foyer and fellowship space giving more space to build relationships, but we were also able to upgrade our online ministry capability, giving us the potential to reach more people for Christ."

Please contact Waypoint if you or your church would like to contribute to this special fund that will help one church after another further their

Senior Minister Joe Thompson

mission in very practical ways. You can also contact Waypoint to inquire about the application details for a no-interest loan to help move the mission of your church forward in a positive way.

#### Before After

#### WAYPOINT TO HELP RE-LAUNCH LAKE SPRINGS CHURCH IN HOLLY SPRINGS, NC

The Waypoint Board of Directors recently confirmed their support for the re-launch of Lake Springs Church

in Holly Springs, North Carolina. Holly Springs is a growing suburb in the Southwest corner of the Raleigh metro area. The community has quadrupled since 2000, now boasting a population of more than 41,000.

Church planting couple Derek and Mallory Koone, graduates of Milligan University, successfully completed their church planting assessment in June. The Koones gained valuable church planting experience serving with other new churches in Ohio, Georgia, and North Carolina.

Derek served for four years as the campus pastor of Point Church Holly Springs before their local leaders elected to re-launch the church under a

The Koones

new name and governance model. Lake Springs Church will re-launch with a core of nearly 200 people.

On top of providing funding to help with relaunch marketing to the community and the costs associated with rebranding, Waypoint is providing leadership on an initial Oversight Team, fundraising training, elder training, ministry coaching, and planting wife care.

An historic church building on Main Street in the heart of downtown Holly Springs serves as an uncommon worship facility for a brand new church. The grand opening day for Lake Springs Church is planned for September 11.

#### ICOM21IN'21 CHURCHES UNDERWAY IN GHANA, WEST AFRICA

When Waypoint hosted the International Conference on Missions (ICOM) in Richmond in November, churches from the region contributed over \$400,000 toward a special campaign to see 21 new churches planted around the globe through five trusted international church planting organizations.

One of those organizations is Next Generation Ministries International (NGMI), which plants new churches among unreached people groups in the predominantly Muslim region of northern Ghana.

After receiving their funds from the 21in'21 Campaign, NGMI's leader

Albert Wanna and his team hit the ground running and have begun the work of planting churches in all five of the areas planned. Their strategy was to plant each church near a new well providing fresh water to the surrounding community. NGMI was

thrilled to report that all five villages have had their wells dug and are operational!

The pastors who were trained during the 21in'21 campaign have all begun receiving salaries for three years as they lead their new churches being planted in each village. The campaign funds also provided motor for each pastor to travel to their remote villages. Collectively, hundreds of people are already attending the worship services and small groups initiated by these pastors.

Thank you Waypoint Partners for making a Kingdom impact around our region AND BEYOND!
