463 BAPTISMS!

Waypoint church plants celebrated another 463 baptisms in 2022, an increase of 15% from the previous year and 30% from 2020. This number represents nearly 40 people every month whose lives have been transformed by their newfound faith in Christ.

One out of every 16 people attending a Waypoint church plant last year was immersed into Christ. Evangelistically speaking, that's over five times more effective than the typical church in America.

There's no better evangelistic method in America than the ministry of planting new churches!

ICOM 21IN'21— MULTIPLYING CHURCHES IN MEXICO

Expansión Querétaro Church outside of Queretaro, Mexico

When Waypoint hosted the International Conference on Missions (ICOM) in Richmond last November, churches from around the region contributed over \$400,000 toward a campaign to see 21 new churches planted around the globe through five trusted international church planting organizations.

One of those organizations is Impacto Latino, which is planting dynamic new churches in key Mexican cities. The Impacto Latino team serves under the oversight of the New International missionary organization based in Fort Myers, FL.

After receiving funds from the 21in'21 Campaign, Impacto Latino launched the first of their five new churches, Iglesia El Ancla (The Anchor) Church in Queretaro, Mexico. El Ancla is now averaging about 125 in worship each weekend and has six active life groups during the week. They have celebrated ten baptisms since launch.

The second project, Expansion Church, launched in March of 2022 outside of Queretaro, as a group of four house churches that gather to watch online together. This includes an “Alpha group” specifically for non-Christians. They have now have 28 meeting in groups during the week, and 40 worshipping on Sundays.

Their third project, Expansion-Merida, got underway this summer in the capital city of the Yucutan. They began by starting an evangelistic Alpha study for 15 people. That group has now transitioned into the first life group that will serve as part of the core for the new church.

CHURCH PLANT OPENS NEW CHILDREN'S WING

Waypoint church plant Collective Christian Church was meeting in a Middle School auditorium in Frederick, MD when the COVID-19 lockdowns forced them to worship exclusively online for 52 consecutive Sundays.

Their local leaders along with Waypoint's Oversight Team decided to build out an 11,000 sq./ft. leased commercial space in time for in-person regathering in March, 2021.

Collective quickly outgrew the 2500 sq./ft. dedicated for children's programming. Providentially, the adjacent commercial space became available early in 2022. A modest financial

campaign held in June netted more than \$150,000 in commitments toward the \$250,000 cost for building out another 3000 sq./ft. for their kids.

Their new space opened in November with an immediate impact. After averaging 59 children per week a year ago, they're now averaging nearly 90 per week in two services. They now have enough space to host up to 250 kids per week.

Your partnership with Waypoint helps reach more and more young families through effective new churches like Collective Church. Since September 2018 Collective has celebrated 122 baptisms, and counting!

Ways CFR can serve your church

Investments. When you and your church invest with Christian Financial Resources, you invest in more than interest. You invest in more changed lives. More ministry. More transformation.

Loans. Whether you plan to construct a new building, renovate an existing facility, or refinance into a lower monthly payment, we are here to make the process hassle-free. Our loan team includes a highly qualified construction management team that works with you to help protect your ministry from unexpected expenses and common pitfalls throughout the construction process.

Capital Campaigns. As a ministry leader, you understand that giving is an act of worship to be celebrated. We grow closer to God when we are generous with our time, talents, and resources. If your church is in a season of growth or looking for revitalization, we can support your goals through a capital campaign.

"It would be hard to overstate how much we value our partnership with CFR. After being a mobile church for nine years, CFR's top-notch loan team helped us get into our first building. They cared about our ministry and did a great job meeting our needs while protecting us from overextending. Thanks to their refined process and coaching, the capital campaign we did with them exceeded our wildest expectations. We are thankful for CFR as a ministry partner."

154 WAYPOINT
CHURCH PLANTS!

154. That's the number discovered by Dave Atzenweiler, minister at Delray Christian Church (WV), a Waypoint partner, who reviewed the minutes from our Board of Director's meetings dating back to 1938. His task was to discover how many churches Waypoint has assisted in starting since our founding.

The 154 total includes all the projects from each of our three pre-Waypoint entities: the Virginia Evangelizing Fellowship, the Piedmont Evangelizing Fellowship, and the South Carolina Evangelistic Association.

The 154 includes our original church plant, Parkview Christian Church, in Staunton, Virginia (1940) up to the Lake Springs Church which launched in Holly Springs, NC last September. Thanks to your continued partnership this number continues to grow each year.
