## **NEW STUDENT ENROLLMENT**

---

### **APPLICATION FEE**

\$150.00 per family due with the admissions application. All application fees are non-refundable.

### **TUITION**

\$4500 per school year. TSHG does NOT charge additional fees for classroom textbooks or activities.

### **TUITION ASSISTANCE**

TSHG offers need-based financial assistance to families on a first-come, first-served basis as funds are available. Levels of tuition assistance offered will depend on a number of factors including total (gross) family income, number of family members, and the number of children enrolled at TSHG. If you are applying for financial assistance to help with tuition expenses you must complete a FACTS financial aid application online, submit all required documentation to FACTS, and pay the FACTS application fee at the same time you submit your admissions application. It is expected that families will pursue every other available means of financial assistance (family, other scholarship funds, etc.) prior to applying for aid directly from TSHG.

### **ENROLLMENT DEPOSIT**

Families whose children have been accepted to TSHG will receive an enrollment contract that must be completed and returned to the school. This signed enrollment contract must be accompanied by an enrollment deposit totaling one-tenth (1/10) of the family's total tuition obligation. Payment of the enrollment deposit will guarantee your child's placement in the classroom.
