## A STUDENT

It's unfortunate that a large portion of families within our community are unable to cover the costs of tuition. As a result, many children who have the potential to do well at our school may miss out on this valuable opportunity.

At The School at Higher Ground (TSHG), we prioritize academic excellence and upholding Christian values, all while keeping costs affordable. In fact, half of our students receive full scholarships. Amongst Private Christian Schools in the Savannah area, we are proud to offer the most affordable option, with a total cost of \$4500 for a full year, including all necessary books.

By donating just \$450 per month, you have the power to provide a child with a high-quality education. Your generosity can make a significant impact on the life of a young person who deserves the opportunity to learn and grow. Take action today and become a champion for education by supporting our cause. Together, we can make a difference in the world, one child at a time.
