

## Welcome

Welcome to our worship today.

Government restrictions have now been lifted.

As a Benefice, we would like everyone to be safe, so please consider the following:

- There are hand sanitizers available.
- The wearing of face masks is recommended but not mandatory. Please do take into consideration other people's feelings.
- Please be aware of those who prefer to keep to social distancing
- We are keeping a 'track and trace' list of people attending. This list will be kept in the safe for the required 21 days and then destroyed.
- A plate is available for your offering. This will be taken to the front at the end of the service, before the final blessing.
- There will be singing during this service – do join in if you would like.
- Although we are allowed to share the Peace physically, we recommend the use of a smile rather than shaking hands.
- At Communion we will be offering both bread and wine.
- During communion, please come forward to the communion rail pew by pew. If you'd prefer not to receive but would like a blessing, please keep your head bowed.
