Sugar Land City Council recently approved an agreement for a citywide fiberoptic network that will enable Internet speeds that are among the fastest in the nation.

SiFi Networks will fund, build and operate Sugar Land FiberCity(r). The network will enable all residents and businesses in Sugar Land to access fast, affordable and reliable fiber service up to 10 GBps of speed.

"Faster Internet options and choice are important to our community," said Director of Information Technology, Data and Security Steve Budny. "This is an example of how we've engaged the private sector to improve the quality of life for our citizens. Not only is the project funded through private investment, but there are zero costs to the city and taxpayers for the build out."

The network also ensures underserved areas in the city have equal access to broadband infrastructure.

SiFi has agreed to pay Sugar Land for each connection and quarterly fees for using the city's right of way. The project's cost is completely funded through private investment at no cost to the city.

4

The build-out should require no more than 48 months. SiFi will work with the city and the community to minimize any disruptions resulting from construction-related activities.

Commonwealth Swim Team Registration

The Commonwealth Piranhas are excited to announce the opening of our 2023 swim season!

Commonwealth residents receive priority in registration, followed by priority registration for our returning swimmers.

The Commonwealth Piranhas is a recreational, competition swim team. This is a great opportunity for our community to build great young swimmers, as well as allow the kiddos to have a wonderful summer experience! Swimmers should be able to make the majority of practices and participate in at least 3 swim meets.

Our youngest swimmers (6 & Under – usually 4 is a great age to start) are required to demonstrate the ability to, at minimum, independently swim the length of the pool in any form. Their skills should progressively increase. For example, 7&8 year olds should have a good knowledge of freestyle and hopefully some instruction in backstroke as they will be learning all four strokes. The 9&10 year olds will be swimming all four strokes. Our other age groups are 11&12, 13&14 and 15 & Up (until 18). The age group is the swimmer's age on May 31st.

Swim team practices and home meets are held at the Briarwood pool behind Commonwealth Elementary.

After-school practices begin during the week of April 24th, and then shift to a morning schedule by age group after the end of the school year.

We practice every day Monday – Friday! **The season ends on June 30th this year.**

Please visit our website www.cwp.swimtopia.com for registration, meet details, and last year's practice schedule (it will be similar this year).

For questions, please email our team president, Jean Konrady at gocommonwealthpiranhas@gmail.com.

If you have a business and would like to support our summer swim team, please contact **Melissa Schroer** for sponsorship information: melissaschroer@yahoo.com or **770-826-8352**.

EW Pool Tags

Pool tags will be issued to any homeowner that is in good standing with the Association.

To obtain pool tags, go to www.crest-management.com and click request a pool tag/access device on the home page.

Pool tags will be mailed to residents upon receipt and verification of the request form.

There will be a \$20 expedite fee to pick up pool tags in person at Crest Management's office.

Pool tags will be checked by management personnel when entering the pool facility. If a tag is not in the resident's possession or cannot be verified, residents and/or others may be asked to leave the facilities. Only residents with a valid pool tag will be allowed into the pool.

Pool Hours for 2023 are located on page 12

Commonwealth Pools are available to residents for Pool Parties. Contact American Pool for rental rates and availability.

The Commonwealth Women's Club

The next scheduled Women's Club get-together is tentatively set for:

Monday, April 17

7 P.M.

at the home of Connie Buckingham,

36 Bradford Circle

The cost is \$10 and an appetizer or dessert for 10 people to share.

Please get on the email distribution list by contacting Namita with your name, home address and email address asthana.namita@gmail.com

**Crest Management WILL be scheduling an on-site pool tag pick up day before the April 1 pool openings.

Sugar Land's New Budget Game Puts Citizens in Driver's Seat of City's Budget

Sugar Land launched a new digital budget simulator to give residents a chance to tell the city how they would organize Sugar Land's budget based on priorities they value most.

The new digital budget simulator tool takes transparency to the next level by showing how much it costs resident-facing departments to provide services and how a department's budget impacts the level of services the city can provide. While this is only a partial look at the city's general fund, it gives residents a great idea of what it takes to balance the city's wallet.

Residents will be able to "influence" the city's budget and adjust budget lines for things like the Office of Emergency Management, Public Works and Parks and Recreation by decreasing or increasing department budgets by 5 or 10 percent while also learning about the service-level impacts that result from those increases and decreases.

Users also have the option to maintain the current budget and service levels.

This simulator is purely for educational purposes and is not being used to influence budget decisions in the real world. The data gathered from the new tool will ultimately be used alongside other data points to allow the city's budget department to fully gauge resident priorities.

For more information, visit www.sugarlandtx.gov/BudgetInfluencer.

General Election Scheduled for May 6th

The City of Sugar Land has changed its' charter. Mayor and Council now have three-year terms which are staggered in such a way that 2023 is an "off" year. **There will be NO City of Sugar Land Council elections in 2023.**

Residents of The Commonwealth will, however, be able to vote in the Fort Bend ISD Trustee and Bond Elections! There are three positions on the ballot this May.

Commonwealth voters are asked to vote on three Trustee positions.

Positions 1, 4 & 5 are on the ballot:

(These are non-partisan positions!)

Vote for one in each position.

Pos. 1

Angie Hanan (I)
Oscar Saenz

Pos. 4

Shirley Rose (I)
Cheryl Buford

Pos. 5

Denetta Williams (I)
Rolly U. DeMeza

Allison Drew

Angel Hicks
Sonya Jones

FBISD Bond Referendum

Fort Bend ISD voters will get to decide on the largest bond in the district's history this May.

Fort Bend ISD's board of trustees voted to call an election for a nearly \$1.26 billion bond.

The \$1.18 billion **Proposition A** encompasses construction, security and transportation upgrades, along with a \$19.2 million transportation facility. **Proposition B** would cover nearly \$52.5 million for technology updates, and the \$22.9 million **Proposition C** would fund a new district natatorium.

The bond election will be held during the 2023 general election on May 6.

We will share additional information by way of our Email Distribution, closer to the election.

Please do your research and make a plan to **VOTE!**

New Program Incentivizes Residents to Enhance Single-Family Homes

Sugar Land City Council recently approved **Great Homes**, a new residential reinvestment initiative that empowers Sugar Land homeowners to invest in their community by preserving, protecting and enhancing their neighborhoods.

Great Homes includes the Great Homes Design program and the Great Homes Update program.

The Great Homes Design program provides Sugar Land homeowners and homeowners associations with a creative, re-envisioned exterior home design at a cost exclusive to Sugar Land residents. Under the Design program, a \$500 rebate may be available for homeowners who substantially implement at least one qualifying exterior improvement on their home within six months of receiving a design through the program.

The Great Homes Update Program is a reimbursement incentive encouraging rehabilitation and refurbishments of the exterior of single-family houses. Through the Update program, homeowners may be eligible for a reimbursement of up to \$10,000 for a portion of their exterior home improvement costs.

Eligibility requirements for both programs must be met to qualify for program participation and reimbursement. Applications for the programs will be available starting Feb. 15 at SugarLandEcoDev.com/Great-Homes.

“This is an incredible opportunity for residents who own single-family homes to update their homes and invest in the community they already call home,” Jonathan Soriano, Sugar Land community development program strategist, said. “Investing in older homes and neighborhoods is vital to pushing Sugar Land to the next stage of its success and provides the chance for residents to finally do those home improvements they’ve been putting off.”

More than 70 percent of single-family homes in Sugar Land were built before 2000. The Great Homes program is an integral step in ensuring Sugar Land keeps pace with new housing options within the region. All single-family homeowners with properties within the Sugar Land city limits are potentially eligible and encouraged to participate in the program.

Great Homes is a one-year pilot program funded with existing one-time sales tax capacity available in the general fund and will be re-evaluated in 2024. This initiative is just one example of Sugar Land’s commitment to trailblazing and evolving our community to build a life for our residents that is better than they can even imagine.

For more information and to apply for the Great Homes program, visit www.SugarLandEcoDev.com/Great-Homes.

Be aware that you MUST obtain approval from the HOA’s Modifications Committee

BEFORE

beginning changes/modifications to the exterior of your home or property.

Inquiring Minds Want to Know:

Fiber-optic internet is different from broadband in several ways.

FIBEROPTIC

- Lines run from major cable to the consumer’s household
- Uses light to transmit data

BROADBAND

- Uses a dedicated line to provide internet access to a house, which is then transmitted over Wi-Fi or directly via an ethernet cable
- Uses copper lines to transmit data

The Future is Almost HERE!

The Imperial Sugar site was the start of what would become Sugar Land and once played a vital role in our city's economy. Imperial Sugar created jobs, and then homes and as it grew this economic engine was the corner stone of our community, our "company town", for generations. Today, Sugar Land is still a "company town" serving as a major employment hub in the Houston region with over 70,000 jobs. And although the Imperial Sugar site is no longer operational, the resolve to preserve and honor the City's history is as strong as ever.

Watch for details on the redevelopment of the Char House on the Imperial Sugar site as plans are finalized. There are some pretty exciting recommendations for the area. Under consideration: develop a walkable, mixed-use project comprised of experiential retail, dynamic entertainment, unique food and beverage, top-notch fitness, multi-family and single-family residential, commercial office space, outdoor parks and more. Watch our Email Alerts for information as it becomes available.

International Art & Kite Festival

Saturday, March 25, from 10 a.m. to 3 p.m., at
Crown Festival Park, 18355 Southwest Freeway.

Kite enthusiasts will decorate the sky with splashes of color, unique kite shapes and exceptional kite-flying skills. The main stage will feature upbeat cultural dance performances with entertainment acts to include the rhythmic beats of DRUM percussion ensemble, show-stopping performances by local dance groups and the freshest sound in steel drum music, Steel Vibrations.

Non-stop children's activities will be featured in the Kids Zone with inflatables and a stage for kid friendly entertainment. Trackless train rides will continuously depart from the Kids Zone, which will also feature strolling characters. Booths from local vendors abound at the Champion Energy Artisan Market. A variety of food trucks will be on location with an assortment of food choices and desserts available for purchase. A Beer Garden will feature complementary springtime beer from Saint Arnold Brewing Company and Texas Leaguer Brewing.

Throughout the event, attendees can participate in the Chalk Art & Kite Flying competitions. First, second and third place prizes will be awarded for each category. Additionally, attendees can represent their heritage by hosting a free booth representing their culture or country of origin or

by participating in the Cultural Fashion Show! Country Booths will be strategically located throughout the festival representing Asia, the United States, India, etc. Show off traditional attire by signing up to be in the Fashion Show that will take place on the Cultural Stage. **General festival admission is free.**

Free shuttles will be provided from University of Houston-Sugar Land.

The City of Sugar Land regulations require that your dog be leashed, at all times while in front of your home, or walking the neighborhood.

Your dog may not actually BE a threat to others, however, perception is reality!

AND -- we continue to ask that you pick up after your dog. We have dogwaste disposal stations throughout the community, please use them.

To get on our Email Alert list please shoot an email to: news@commonwealthcivic.com stating your name, email address and physical address.

We do NOT share your email addresses with ANYONE except Crest Management!

An Email Alert is sent out each time a new edition of the newsletter is posted.

REMINDER --

Trash cans and recycling bins may not be at the curb prior to 5 p.m. on the before pick up.

This also applies to lawn debris. If your landscape company habitually leaves grass and tree cuttings in front of your home each week, ask them to start taking it with them.

They should be happy to accommodate you.

The HOA will pursue this offense - it does frustrate your neighbors.
