Real Towns become  
"Virtual Tour Towns"

Locations like yours will  
become "tooned" and  
your stories take on a  
whole new life - showing  
viewers a town of wonders  
and engaging charm.

Our characters interview  
"tooned" versions of local  
town "personalities" for an  
incredibly memorable  
experience that will last  
for generations..!!

Location scenes are converted into a toon world where our  
NewsMazing characters can wander about and discover  
interesting stories that take on a life of their own..

Inside local "Tooned" business - where new  
stories are created with NewsMazing Kid  
reporters and locals too..

Secret Forests - Amazing Gardens - Haunted Mansions - Sports Arenas - Historical Places - Factories - Parks - Zoos

Join our cast in the "Toon World" as they tour  
your locations for an adventure you'll never forget..

# SPECIAL BONUS OFFERS

As a special offer for sponsors who sign on now, \*Newsmazing Kids\* is including an additional \*\*Film/Video format advertisement\*\* at no extra cost. This bonus ad will be produced in the same engaging style as the show, featuring your brand or product in a creative, kid-friendly format that can be used for your own promotional purposes or integrated into the show's episodes. This added value helps extend your brand's visibility, giving you more reach and engagement with our audience, both within the show and across our digital platforms. It's the perfect way to maximize your investment while adding extra exposure!

Our first full season of "Chop Block News" is complete and currently touring the national film festival circuit for pre-distribution publicity.

There are a very limited number of product-placement/sponsorship spots available – in this very funny (Adult Swim Audience) – like: "Archer", "Rick & Morty", "Metalocalypse". Since this season is complete time is of the essence to take advantage of the limited offer – Thank you..
