## Fuller Flowers Meet Unmatched Fragrance

**Why Sensational™ Lavender Plants?** Full, thick flowers meet bright silver foliage, merging to create unbelievable contrast like you've never seen...and setting the Sensational™ Lavender Plant apart.

**It grows in a compact, dense habit with excellent branching.** So, from containers on your porch or patio to decor indoors, the Lavender's purple blooms and ideal size make it perfect for placing nearly anywhere.

**Guests and neighbors will be delighted by the sweet, floral lavender scent.** And through it all, the Sensational™ Lavender Plant stands up to heat, humidity, drought and cold.
