

Autumn is a gentle reminder that change can be beautiful.

EMPOWERING WOMEN IN RECOVERY

You can help by donating:

- Cleaning Supplies, Toiletries, & Paper Goods
- Freezer - prefer upright
- Gently used furniture
- Bed frames: twin bed size
- Small dressers with drawers
- Volunteer as a board member

We're thrilled to announce that the minor renovations at Delahunty House are complete! Masada House will soon welcome a mother and her children into our new program. Stay tuned for updates as we prepare to provide a safe and supportive environment for families to heal and thrive together.

Kendra and her children

Kendra's Story

"All I have to say is I would not be where I'm at today if it wasn't for the Masada house. I started from the bottom, with nothing but a few months of sobriety. Masada helped me with a fresh start by teaching me responsibility and how to hold myself accountable. I set my goals and achieved them. With now nearly four years clean I have my own car, own home and most importantly I have all my kids with me. I'm the sober mom they deserve and need. I love this version of me. Thank you Masada for everything."

Bathroom Renovations at Masada House

Renovations on one of the Masada House bathrooms has begun! Our goal is to create a clean, safe, and modern environment that makes the women in our care feel valued and supported as they journey through recovery.

These updates will enhance the comfort and dignity of the women, providing a peaceful and uplifting space for healing. A nurturing environment plays a crucial role in the recovery process, and we can't wait to share the transformed Masada House with our community.

Stay tuned for updates as the work progresses. Your continued support makes a world of difference in the lives of the women we serve.

Youthful Energy Transforms Masada House Yard

On a recent Saturday, ten students from San Juan College High School, accompanied by their teacher, Carrie Rogers, came to Masada House, donating their day to transform our backyard into a serene oasis. The students tackled a variety of tasks with enthusiasm, hauling stones, laying mulch, sprucing up the yard, and planting a beautiful tree.

With paintbrushes in hand, they spruced up the trim and worked their magic in the backyard, repairing and fixing up the space. The result of their labor of love is the stunning new Serenity Garden, a tranquil haven that embodies the spirit of community and compassion.

The ladies of Masada House are forever grateful for the dedication and hard work of these remarkable young individuals. Their selflessness is a shining example of the power of giving back and the impact one day can have on the lives of others.

A heartfelt thank you to the students of San Juan College High School for your incredible gift. Your dedication and compassion have created a lasting legacy at Masada House, a peaceful haven that will bring joy to the ladies for years to come.

Masada Community Open House Celebrates Hope, Recovery, and Community Support

Change is the journey
where hope emerges.

Masada House recently hosted our Community Open House with the ribbon-cutting of the Bob and Sue Hodgman Serenity Garden. The Farmington Red Coats had the honor of cutting the ribbon, officially opening the serene space for reflection and peace.

The event, sponsored by the Connie Gotsch Arts Foundation, brought the community together to celebrate hope, recovery, and the power of support. Guests were treated to live music by Ryan Woodard and inspiring artwork by Karen Ellsbury.

The Open House provided an opportunity to share exciting updates about Masada House's new program, Delahunty House. Guests also learned about the much-needed bathroom renovations.

Inspiring testimonies were courageously given by women sharing their personal journeys of overcoming addiction. Their testimonies highlighted the transformative impact of Masada House's supportive community and programs.

The event was a beautiful reminder that the generosity of our community makes a real difference in the lives of those recovering from addiction. Every donation, every act of support, brings hope and healing to those on the path to recovery. Together, we are creating a healthier, more compassionate community.

Join us as we create a stronger, healthier, and safer community. Your financial gifts are vital in transforming lives and fostering positive change. Give to Masada House online, send a gift, or scan the QR code on your phone. Thank you.
