

# Accessing Your 2018 Inner Kaleidoscope of Knowing

*“The future has many names. For the weak it is unattainable. For the fearful it is the unknown. For the bold it is opportunity.” – Victor Hugo*

## ***2018 Kaleidoscope Workshop***

Kaleidoscope Heart by Clare Contreras

You are a multi-faceted kaleidoscope of potential. Guided by a simple writing exercise, you will draw out from your Kaleidoscope of Knowing the foundational intention on which any resolutions you choose to make for the

New Year can be well supported.

This 2018 intention-setting workshop IS about you creating the fertile ground on which your resolutions, should you choose to make them, can flourish. By playing with words and the feeling they convey for you a cornerstone on which you can rest resolutions will be made.

Again – this is about creating the cornerstone, the foundation for 2018. Resolutions come after that creation.
