

Care Bags

Children enter care often under traumatic circumstances with little more than the clothes they are wearing. A Care Bag for these children sends a strong, positive message - they matter, they are valued and people care.

Care Bags are donated to **Communities, Child Protection and Family Support** offices across Western Australia and given to children as they enter care. It's the first step in their journey of healing.

Care Bags are provided to children between 1 and 12 years of age - 95% of children who enter care are under 12. We welcome bags up to size 16 for children who grow quickly.

How to build a Care Bag
