

# Care Bags Christmas Drive

More than 5,400 children are in care in Western Australia.

Christmas can be a very tough time for children and young adults in care. Many won't get to see their families, have few belongings, will be living with carers with limited financial means, or are teenagers living on their own as they transition to independence.

Care Bags understands the importance of showing these children and young adults love and letting them know people in the community care about them and their futures - especially at Christmas.

The Care Bags Christmas Drive provides chocolate stockings to bring some Christmas cheer (and welcome distraction).

## How can you help?

- Purchase chocolate stockings from your local supermarket or retailer
- Donate cash and we'll do the shopping for you!

## Thank you for your wonderful support!

Chocolate stockings will be distributed at Children and Carers Christmas parties across Western Australia, hosted by volunteers and the Department of Communities.

Visit our website or join our Facebook group @CareBagsWesternAustralia for details of drop off locations.
