

“Songs of Songs or Songs of Solomon”

The Songs of Songs is a very tender, touching, and yes, "sensual book", given to us so that we can understand not only how we can relate to God, but how he wants us to relate to one another within the context of "Marriage".

Outline:

- 1. Courtship (1:1-3:5);**
- 2. Wedding Day (3:6-5:1);**
- 3. Reluctance and Romance (5:2-7:13);**
- 4. Permanence and Purity (8:1-14)**

So come and find out what God says about tenderness, care, and love as a reflection of "His Kingdom" relationship with us.
