

Chicago Chess Academy is dedicated to providing top-tier chess education that fosters critical thinking, strategic planning, and problem-solving skills in students. Our mission is to integrate chess into the school environment, offering students a unique and enriching learning experience that supports their academic and personal growth. We are proud to be an approved vendor with Chicago Public Schools, which allows us to seamlessly partner with schools across the district.

Program Offerings

After-School Chess Programs

Our after-school chess programs are designed to be engaging and educational, providing students with an enjoyable activity that enhances their cognitive abilities. These sessions are conducted on school premises, making them easily accessible for students.

Sessions:

- Each session lasts approximately 1 hour.
- Programs typically run once or twice a week, for eight weeks, depending on the school's schedule and needs.
- Sessions can accommodate students of all skill levels, from beginners to advanced players.

Cost:

- The cost is \$200 per student for an 8-week program.
- Discounts are available for schools that enroll a larger number of students or commit to multiple sessions throughout the year.

Summer Camps

Description:

Our summer camps provide an immersive chess experience, combining intensive instruction with fun activities to keep students engaged and learning during the summer break. These camps are perfect for both new learners and seasoned players looking to improve their skills.

Sessions:

- Camps run for 1 to 2 weeks, with daily sessions lasting 3 to 4 hours.
- Each camp session is tailored to meet the needs of different age groups and skill levels.

Cost:

- The cost ranges from \$150 to \$300 per student per week, depending on the length and intensity of the camp.

Program Benefits

Cognitive Development:

Chess enhances students' critical thinking, concentration, and problem-solving skills, which can translate into better academic performance.

Social Skills:

Participating in chess helps students develop patience, discipline, and sportsmanship. It also encourages social interaction and teamwork.

Academic Support:

Studies show that students who play chess regularly often see improvements in subjects like math and reading, thanks to the game's emphasis on strategic thinking and pattern recognition.

Inclusivity and Engagement:

Our programs are designed to be inclusive and engaging, ensuring that all students, regardless of their skill level, can benefit from and enjoy learning chess.
