## Stamford Food Truck Parc Application

Dear Food Truck Vendor,

Thank you for your interest in the new Stamford Food Truck Parc. We are pleased that you would like to participate in this new cultural hub in Stamford, and showcase your quality products alongside the other food truck owners providing an assortment of foods to the local community. As we work to coordinate the times and setup for the different food trucks servicing the Food Truck Parc, we would like you to provide us with information about your business and availability to participate, so that we can create the best venue for consumers and operators alike. The Food Truck Parc will be opening to the public beginning **July 22nd**, so we would like to collect information on the different trucks' availabilities for the following weeks to assure the consumer that they always have trucks ready to service them.

Please complete the following application, and return it to at your convenience to [stamfordfoodtruckparc@gmail.com](mailto:stamfordfoodtruckparc@gmail.com). Should you have any questions, do not hesitate to contact Theresa Bowen at (203)-977-5551.

---

### Requirements

- The City of Stamford Health Department requires a pre-operational health inspection and a routine health inspection around every six to twelve months thereafter.
- The Stamford Health Department, Environmental Health and Inspection Division issues this license to all food service establishments in the City of Stamford to ensure public health and the practice of proper food preparation methods by the establishment.
- Vendor's License
