Congratulations for being on our email list!

Here is a list of some silver that an Estate needed to liquidated right away.

**Rules:**

You can bid on 1 or all lots. Bid your highest and best!

We want bids back to us, preferably via email, you can call if you would like.

We want all bids in by this WEDNESDAY, July 6<sup>th</sup> 5 pm!!!

We want to be able to make a decision that night and hopefully let the winner of the lots know!

We would like them to be paid for by Sat. July 9<sup>th</sup>. If you REALLY want some lots, and this is a problem, contact us before not bidding!

If you can pick them up, we would like cash. If you will need them mailed, I will need time to get that cost from the post office (including insurance) to be able to mail them and let you know to include that amount in what you pay. We can do a direct deposit if needed.

If you are paying with a check, you will NOT get the coins until it clears!

Feel free to call us if you have any questions about bidding or really need to see them in person before bidding!
