

Circle Rocking S Children's Farm UP COMING EVENTS FOR APRIL & MAY

We follow all current Covid guidelines.

April / May Adopt and plant a tree-- Seedling tree planting at the farm.

Learn hands on how to plant seedling trees and help the environment! You can adopt a tree seedling and put your name on it and check on it's growth! We will be planting 1,200 seedling pine and spruce trees in cooperation with the Mason-Lake Conservation District. Make your own private appointment to volunteer and come out to the farm to plant tree seedlings! General public, schools, youth groups and special needs of all ages are welcome. Covid safe and outdoors! Please RSVP at 231-462-3732 to come out.

Weekly garden and animal care programs

Learn to plant vegetable seeds and grow them in our handicap accessible garden! From garden to table, learn to be responsible gardeners and come out weekly by appt. to weed water and care for your plants. Our 4H program is available.

The animal therapy program is where you come out and care for our animals by feeding, cleaning, grooming, looking for eggs and just loving them. This is a weekly program however special one day animal therapy programs are available by appt. Our 4H program is also available.

Sheep shearing May 4th at 4PM

See our sheep get their wool sheared off for spring. Feel the sheep before and after shearing. Please RSVP. 231-462-3732. \$3.00 donation requested per person. Free for special needs.
