VETERANS DAY: ON FRIDAY NOVEMBER 10, 2017, CAPTAIN DAVID WALL OF THE NYPD WAS ABOARD A US NAVAL SHIP THE USS HUÉ CITY IN STATEN ISLAND N.Y. HE PRESENTED THE CAPTAIN OF THE SHIP DAN GILLEN SOME ITEMS THAT PERTAINED TO HIS GRAND FATHER JOHN GILLEN WHO WAS A DETECTIVE IN THE 66 PCT BACK IN THE DAY. HIS GRANDFATHER ALSO WAS IN THE SECOND WORLD WAR WITH THE ARMY AIR CORPS. WHEN HE LEFT THE ARMY HE JOINED THE NYPD. THE IRONY ABOUT IT IS THAT HIS GRANDFATHER WORKED IN THE 66 PCT AS A DETECTIVE AND HIS GRANDSON DAN NOW COMMANDS THE USS HUÉ CITY CG 66 WHICH IS A GUIDED MISSILE CRUISER. CAPTAIN GILLEN TOOK OUT A COIN FROM HIS POCKET THAT HIS GRANDFATHER HAD GIVEN TO HIM. IT WAS A COIN WITH THE 66 PCT EMBLEM ON IT THAT HE SAID HE CARRIES ALL THE TIME TO REMIND HIM OF HIS GRANDFATHER. TALK ABOUT SERVICE TO YOUR COUNTRY! CAPTAIN WALL STATED THAT NYPD PROTECTS US IN NEW YORK CITY AND CAPTAIN GILLEN PROTECTS US AROUND THE WORLD. THANK GOD FOR THE NYPD AND THE MEN AND WOMEN OF OUR ARMED FORCES.

THE RDNY STANDS TALL AND SALUTES ALL OF OUR VETERANS ACTIVE AND RETIRED FOR THEIR SERVICE. WORDS CANNOT EXPRESS THE GRATITUDE NOT JUST TO OUR COUNTRY BUT TO THE NEW YORK CITY POLICE DEPARTMENT. THANK YOU.

THE ANNUAL MARINE CORP. BIRTHDAY TRADITION HELD AT 1 POLICE PLAZA

The NYPD Marine Corps Association honored two of our recently departed prolific members, **Tom Nerney** and **Jack Casale**, on November 3rd at a moving ceremony commemorating the Marine Corps 242nd birthday at 1 Police Plaza. Police Commissioner James O'Neill, numerous other high ranking members and NYPD members who are current and former Marines attended the inspirational event. The Marines have always been "a different breed" and along with all branches of our military epitomize the best America has to offer. Combine that patriotism, vigor, and pride with carrying an NYPD Detective shield and you have the likes of great men like Tom and Jack. We were very fortunate to have them as friends, colleagues and mentors. God bless them and the Marines. We are forever in their debt.

SPECIAL INVESTIGATION DIVISION-SID had their 45th year Anniversary on November 9th at Russo's on The Bay in Howard Beach.

On July 27, 1972, T.O.P. 212, the order read as follows: TO ALL COMMANDS - Subject: ESTABLISHMENT OF A SPECIAL INVESTIGATION DIVISION WITHIN THE DETECTIVE BUREAU To improve internal coordination, and to centralize under a single command units with similar expertise, thereby facilitating the accomplishment of the Detective Bureau mission, the following reorganization will become effective 0800 hours, Monday, July 31, 1972:

And as they say, the rest is history!

The Luncheon was well attended by retired and present Detectives and Bosses. The RDNY was represented by myself and two of our Board members, Peggy Hopkins and our most respected and senior member William "Bill" Burns

NOVEMBER MEETING:

Sorry if you missed this one. Our November Meeting was at the Arte Café at 106 W.73rd Street in Manhattan. The RDNY had a record crowd of over 120 guests for our Honoree James J. Hunt a true testament to him. We were a bit tight but we all managed and over came.

The evening start with the Pledge of Alliance. Unfortunately the RDNY was without our "Adle" Peggy Hopkins, she is still recouping from a nasty fall, but doing well. Also, our back up "Pavarotti," Tommy Fitzgerald, was performing elsewhere. So without a singer we moved on. Msgr. Nelan lead us in prayer and blessed our event. Our Honoree **James Hunt** was someone that the RDNY has wanted to recognize for a long time and by the attendance it showed why. James was very humble and appreciative of receiving the ARDY. For the RDNY, it was a first. His brother Brian Hunt also received an ARDY in 2003. Dueling ARDY brothers. The Hunt family should be very proud. Also, a quick side note; James Hunt holds the same position his Father had with the Drug Enforcement Administration (DEA) some 40 years ago.

The RDNY has welcomed new member on our Board of Directors, Christopher Kollmier. Chris has been working behind the scenes on our website and Facebook page.

DECEMBER MEETING

Honoree: **Det. Terence Mulvey**. Retired Detective First Grade Terence Mulvey was appointed to the NYPD in July of 1983 and assigned to the Mid-Town South Precinct. In 1986 he was assigned to Manhattan North Narcotics as an investigator. In 1989 he was promoted to 3rd Grade Detective and assigned to the 24th Squad. In 1993 he was assigned to the Intelligence Division and worked in the Executive Protection Unit. In 1996 he received Second Grade and was promoted to First Grade in 1999. In 2000 he was assigned to the DEA Task Force where he retired out of in August of 2003.

After his retirement, Terence went back to college full time at Lehman College and earned his BA in History and a Master's in Education. He began teaching 5th grade at Incarnation School in Washington Heights. He is currently the Assistant Principal of Student Affairs at Cardinal Hayes High School in the Bronx. In 1988, during his time in Manhattan North Narcotics, Terence began a toy drive to benefit the children at Columbia Presbyterian Babies Hospital. Members of Manhattan North contributed money or donated gifts and Terence and other detectives delivered the toys to the children dressed as Santa and friends. Once he left for the 24 Squad, the endeavor to deliver toys was moved to his neighborhood where an annual event to raise money has been held ever since. The event was given a name, "Toys for Children" and though no longer held in Terence's commands, NYPD members have always been a part of the event and detectives from 30 years ago still contribute. Any monies not spent on toys goes directly to the Child Life Fund at Morgan Stanley Children's Hospital at Columbia Presbyterian (formerly Babies Hospital). This year marks the 30th year in which he and some friends will deliver toys to the children at Columbia Presbyterian. Terence remains active in his community as well where he has coached basketball and baseball for the local school and Little League respectively. He is also the volunteer coordinator and moderator for the Exceptional Children's Program at Cardinal Hayes; a program that works with mentally challenged adults.

The RDNY is not honoring Terry for his career in the NYPD, which is an outstanding and prestigious in itself, but for his selfless kindness for 30 years without fanfare. Terry has been bringing happiness to children not just on Christmas but all year. So I ask you all to come and join us and bring an unwrapped gift on Dec. 6th and make this even more special. Thank you all, Merry Christmas!

An NFL note

Shout Out to NYPD's Emerald Society Pipes & Drums. Sometimes this band drives me nuts. Other times, like now, it makes me so damn proud to be a part of it. GOD BLESS AMERICA!!! Screw the NFL!!! NYPD Pipes and Drums were requested to perform at First Responder night at Metlife Stadium for Thursday Night's Jet Game on Nov. 2nd. **They DECLINED!** The Jets, obviously upset, called NYPD Brass @ 1PP. The Band **DECLINED again!!** No hypocrisy here, Brothers in Blue standing for Flag, Country, Military, and fellow Brothers in Blue!!
