CUTTING ROOM

THE MARCH MEETING

The evening started with Peggy Hopkins giving a strong rendition of God Bless America, MSGR Nelan giving the Invocation and a remembrance to a true war hero. N.Y.P.D. Detective 2nd Grade **Floyd J. Carter**, joined the N.Y.P.D. in 1953 and retired 1980. He was a Tuskegee Airman, and a congressional Medal of Honor recipient, having served in WWII, Korea and Vietnam wars. He passed away at age 95. Survived by his wife Artherine, whom he met while he was a training as a pilot and while she was part of the All-female crew that repaired planes. The RDNY salutes you. R.I.P.

The rest of the night was filled with an abundance of great food and song. We were entertained by the 8 piece BROOKLYN North Detectives "Irish War Band" FOP LODGE 275. We were also entertained with a couple of songs by the Singing Judge, Ed Kiley.

Our two Honoree's are a true testament to their reputations by the record crowd that attended. They are Detective 2nd Grade **Jerome (Jay) Teahan**, Current President of the Emerald Society and a fixture in Brooklyn and the 67th Squad and Assistant Chief **Brian McCarthy**, the C.O. of the Enterprise Unit who came up through the ranks as P.O. Det., Sgt., Lt., Capt., Insp., Dep. Chief and Assist. Chief. In baseball terms, he's hit it out of the park and touched them all. Both men were humbled and gracious in accepting their ARDY's. A sad note came at the end of the night when Ernie Nespretto announced that Herman Bell, the murderous piece of garbage who killed Police Officers Joseph Piagenti and Waverly Jones in 1971, are to be PAROLED in April. OTHERWISE A GREAT NIGHT.

APRIL MEETING:

Honorees and former partners, Police Officer **Ryan Nash** of TARU and Police Officer **John Hasiotis** of the MidTown South Peddler Unit. While assigned to the 1st precinct, on the afternoon of October 31, Halloween Day 2017, a terrorist who hailed from Uzbekistan rented a pickup truck in New Jersey and headed south. At the corner of West and Houston Streets, he entered the bike lane and over a period of four minutes ran down pedestrians and bicycle riders, killing 8 and injuring many more. Initially, Officer's Ryan Nash and John Hasiotis, had been summoned to help with a student who was in the nurse's office at 345 Chambers Street who had indicated that he wanted to kill himself. But after the terrorist (Saipov) crashed his truck into a school bus and ran into the streets, the officers darted to the scene, into the streets, coming face to face with Saipov, who appeared to

be toting a weapon. That's when Nash opened fire, shooting Saipov in the abdomen. The Terrorist was quickly restrained by Police Offer John Hasiotis and others.

The RDNY recognizes these two Officers for their heroic actions. A day in the life...

CHIEF OF DETECTIVES ROBERT BOYCE WALK OUT:

On April 16th 2018, Chief Robert Boyce will be ending a fabulous career with the N.Y.P.D. and having his ceremonies walk out at 1 Police Plaza. Come join the RDNY and saluting a true friend and a Cops Boss. Congratulations!

WHO TELLS OUR SIDE?

(TALKIN WILDE)

The newspapers and the media have no problem writing stories about the police, whether it's about mistakes or being overweight or any other issue. They do it because it sells papers. If it's against the police it will be on the front page and given special attention. But who really looks into stories that the police have. Years ago we had reporters who would tell our side and look into things, but it seems now it's one sided. A prime example are the cases that have been overturned and defendants being given million dollar settlements. They blame the detectives and they will print that, but they will not tell you that the DA in these cases at the end said and I quote "Detective was not responsible for case being overturned". The detectives just arrest, not prosecute. The media will tell you about the past of the police but will not give you background of defendants. These were not your average New Yorkers and had numerous dealings with the police. They were portrayed as innocent citizens. One who benefited with millions of dollars wrote a chapter in a book years before his case was overturned. He admitted to numerous robberies, shootings, drug dealing and assaults. He brags about how he beat the system, even after one shooting that he admits that he beat because the victim refused to identify him as the shooter after the victim was paid off. These are his words not ours. Did the media ever release this? Another case where two defendants found guilty of carjacking and murder years ago in a jury trial that they admitted to, blamed each other. After more than 20 years, this case was overturned without the case detective being notified. They were awarded 6 million dollars. No appeal. The Manhattan DA said they will no longer accept donations from defense attorneys and their firms for their election campaigns. I wonder how many lawyers and firms donated to the campaign for Brooklyn DA a few years ago. It seems awfully funny that after the election, all these cases were overturned and settled with millions awarded with never an appeal from the City. I'm sure nobody looked into that. Is anybody watching the bank? The city can give away all this money but can't find any for the people in housing who have no heat all winter. As one famous columnist writes "Only in New York kids, only in New York."

FEB. 10TH 2018

Dear RDNY:

I served as a chaplain for your Organization for more than 20 years and received an ARDY plaque for service. I enjoyed my time with RDNY and I learned much.

I am soon to be 97 years old, God willing.

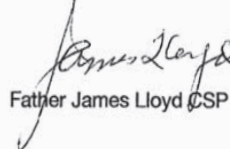

I also celebrate 70 (Seventy years) of being a priest on Monday night, the 30th of April, at 7:00 PM in the great Church of St. Paul the Apostle in Manhattan where I was ordained.

I am wondering if I might invite RDNY to come and celebrate with me?

I knew John Wilde, John Wales, Peggy Hopkins, Billy Burns, John Rositello, Steve Ryan and hosts of others who have passed on. Perhaps there are others whom I have known or who know me.

Is there anyway you can publicize my invitation for me?

If you can, I would be much obliged Vivimus fideliter!

Father James Lloyd CSP
