A Product People Want

Successful fundraisers begin with a product that people genuinely enjoy. Our premium frozen pizzas are made with quality ingredients and crafted to deliver the flavor and consistency families expect from Little Village Frozen Pizza. Instead of asking supporters to purchase something they may only use once, you're offering a meal they can enjoy together around their dinner table.

Simple Online Ordering

Every fundraising organization receives its own dedicated online ordering page and unique QR code. Supporters can place orders quickly and securely from their phone, tablet, or computer, making the buying process fast and convenient.

This online system reduces paperwork, minimizes order errors, and provides an easier experience for both customers and fundraiser coordinators.

Rewarding Your Success
