About WIT

How It all started...

Women in Technology of Central Arkansas (WIT CA) started as our founder moved to the NWA area and wanted to plug into a community of women and allies in technology. There were no existing groups available, so she started the Women in Technology of NWA. The vision for this organization was to be more than just events to plug into. The vision stems around changing the numbers of underrepresentation of women in the technology and STEM spaces. This means that action, around awareness and enablement, must take place. This organization will focus on connection, growth, community, and awareness for our current generations, as well as our next generation, through our Girls in Tech Program. Our vision is to connect, inspire, and empower women in technology to close the gender gap and to help women embrace technology. From the national organization, additional chapters were created across the US, with the same mission to change and impact communities and bring more women into Technology.

Our Mission

The mission of the Women in Technology of Central Arkansas (WIT CA) is to create a community, for women with careers in technology, to grow through networking, collaboration, connection, mentorship, and professional development.

Our Major Achievements

Connection & Growth

Monthly Network & Connect Events
Quarterly Connection & Learning Events
Mentorship Programs (1:1 & Circles)

Impact

1

Membership

By becoming a part of this community, Members receive the following benefits:

- 2 Free Quarterly Events (\$50 value)
- WIT Pin and Sticker
- Early Access to Event Sign up
- Monthly Newsletter
- Access to all WIT CA Programs including
- Access to Education and Certification Programs
- Access to Tech Recruiting Network

2

Connection, Networking, and Growth

Plug into the Central Arkansas community by attending out monthly or quarterly Network & Connect Events. You will meet other men and women that have a passion for connection, community, and technology. We have between 70-150 in attendance monthly, from over 52 companies, across Central AR. As part of your membership, you can participate in any of our WIT CA Programs: Mentorship Programs, Specialized Breakout programs (Product, Engineering, Data Science, Cybersecurity, etc.), and so much more.

3

Awareness & Enablement

WIT CA has released a Certification Program for women in the community to either enter Technology or further expand her skillsets through FREE certifications. Our Study Prep program allows for women and allies that are going to take specific certifications (to include those being offered by WIT CA and others) to come in and partner with a fellow member to ensure they are prepared and ready to pass. WIT CA also focuses on Awareness and Enablement of our next generation through our Girls in Tech program, that focuses on mentorship, Events, Education, & Community Outreach for our girls, ages 12-18.

4

Community Outreach

WIT CA has created connections and partnerships with companies across Central AR. We have and will continue to ensure that we are making time and financial impact and donations to other non-profits and organizations that are set up to make a difference in this community. WIT CA is focusing also on partnership with local schools for outreach, awareness, & learning/development opportunities for our next generation.
