

BENCH TO BYTES: HOW TO MAXIMISE AI FOR BIOLOGICAL RESEARCH

AI workshop brought to you by **ACDS**

Tuesday 21st October 2025

3:00pm - 4:30pm AEDT

<https://latrobe.zoom.us/j/85651701553>

This workshop is built for science academics eager to understand and harness AI's growing impact. Hear from an AI specialist on the latest breakthroughs, followed by insights from two academics who are already applying AI daily - shaping grant proposals, designing experiments, analysing data, and solving research challenges.

- 3:00pm AEDT** **Welcome and Introduction**
- 3:10pm** **A/Prof. Zhen He**
AI specialist, La Trobe University (Melbourne, Aus)
- 3:35pm** **Dr. Anna Trigos**
Academic, Peter MacCallum Cancer Centre (Melbourne, Aus)
- 3:45pm** **Dr. Travis Johnson**
Academic, La Trobe University (Melbourne, Aus)
- 3:55pm** **Panel discussion**
- 4:25pm** **Closing remarks**

A/Prof. Zhen He

Dr. Anna Trigos

Dr. Travis Johnson
