March 17, 2020

To Whom It May Concern,

Dan Beeman is certified as an International Federation of Pickleball World Ambassador. He is expected to represent the sport of pickleball to the highest standards and uphold its Code of Conduct as outlined in the 2020 IFP Rulebook. An ambassador's mission is to expand the sport both through introducing it to new participants and helping to find venues to accommodate that growth. Thank you for any help that you can give him in accomplishing these goals.

Sincerely,

Ron Ponder
