

Esther Funds Foundation

2024 Annual Report

Every Future Fulfilled

Message from the Founder

2024 was our first full year at Esther Funds Foundation. What began as a God given vision became a working nonprofit committed to helping college students remain in school. We saw students facing tuition gaps, food insecurity, technology needs, and moments of discouragement. With prayer, persistence, and early supporters we began building solutions from groceries and tuition assistance to Bible studies and the start of collegiate chapters. This year was about planting seeds of hope, access, and belonging. We look toward 2025 and 2026 with focus on structure, growth, and measurable impact. Thank you to every person who stood with us.

Mission and Vision

Mission: Esther Funds Foundation exists to prevent college dropouts by supporting students financially, emotionally, and spiritually.

Vision: We see a future where minority students are represented in every workforce field by forty percent, are economically knowledgeable, and make up fifty percent of graduation rates across the Southeast.
