LETTER FROM THE DIRECTOR

Dear Supporters,
2025 was a defining year for Esther Funds Foundation. What began as a single collegiate chapter grew into a national movement dedicated to preventing college dropouts and supporting students from marginalized communities through scholarships, emergency aid, faith-based support, and practical education. Because of your support, students were not only reached — they were equipped, trained, and resourced to stay in school, overcome barriers, and move forward with confidence. This report reflects a year of growth, expansion, and impact, and sets the foundation for deeper measurement and even greater outcomes in 2026.

— **Shayna Vincent**
Executive Director
