

1. MESSAGE FROM LEADERSHIP

Letter from Executive Director

" In 2025, Esther Funds Foundation experienced a year of significant growth, national expansion, and deepened impact. What began as a single collegiate chapter continued to grow into a faith-centered, peer-led network committed to preventing college dropouts and supporting students from marginalized communities.

Through scholarships, emergency aid, retention programming, and mentorship, we were able to meet students at critical moments and help them remain enrolled and focused on their academic goals. This year affirmed the urgency of our mission and strengthened our resolve to expand access, increase retention, and steward resources responsibly.

We are deeply grateful to our donors, partners, volunteers, and student leaders who made this work possible.
