About Esther Funds Foundation

Esther Funds Foundation is a Christian nonprofit organization founded on January 23, 2024, with a mission to prevent dropouts among college students in the United States. Our primary focus is to increase graduation rates for low-income, first-generation, and underrepresented college students.

We take pride in our commitment to educational equity, diversity and inclusion, and ministry, which form the core values of our organization. Through service, donations, and mentoring, we strive to fulfill our mission and support students on their educational journeys. Our overall purpose is to start an emergency grant to help pay off student balances.

About Esther Funds Foundation

Our national bird is the dove, symbolizing peace, hope, and guidance.

Our colors are royal purple and white:

- Royal Purple represents the Book of Esther and our unwavering commitment to serving college students.
- White symbolizes the Holy Spirit, which guides everything we do.

Our motto, "Every Future Fulfilled," reflects our belief in empowering students to overcome obstacles and achieve their dreams.

Fun Fact: Esther Funds Foundation is the first Christian nonprofit in the world dedicated to preventing college dropouts and establishing collegiate chapters chartered on campuses for this purpose!

OUR IMPACT

Since its founding, Esther Funds Foundation has made a significant impact by providing hundreds to thousands of groceries and school supplies to college students in need. We've also given hundreds of dollars in financial assistance to help students with tuition and essentials. Additionally, we've mentored over hundreds of college students across the Southeast, equipping them with the tools and support to succeed in their educational journeys. Our mission is to continue creating meaningful change for students in need!

WHAT IS A EFF COLLEGIATE CHAPTER?

An Esther Funds Foundation (EFF) Collegiate Chapter is an officially chartered, student-led branch of our national nonprofit, established on college campuses to advance our mission of preventing student dropouts. Each chapter plays a vital role in equipping peers through mentorship, organizing targeted donation drives, and leading impactful community service initiatives. By fostering a culture of support, purpose, and academic persistence, EFF chapters create a lasting difference in the lives of underrepresented students.
