

Sidcup Place Community Garden Newsletter - June 2025

Family Activity Morning

On Thursday 29th May, we held our first family activity morning at the garden. Eighteen children attended for this free event during the May half-term. Activities included:

- Learning how to propagate plants through taking cuttings, as well as planting seeds.
- A plant hunt around the walled garden.
- Arts and Crafts, including face painting.
- A tug of war at the end of the morning!

A big thank you to all volunteers who attended and supported with the session! Thanks also to Hive Education Group for sponsoring the event.

Meet the Volunteers - 10th Anniversary!

A reminder that our annual 'meet the volunteers' event is coming up on **Saturday 28th June**. This year will be even more special as we are celebrating our 10th anniversary! Please do spread the word.
