# **WORK AND WORSHIP WEEK**

#### WORK PROJECTS

During the week, you will be able to choose to work on various projects that have been planned. The materials will be provided. If you have tools or equipment, you may want to bring them, because the camp has a limited supply.

#### FOOD AND LODGING

If you are coming to work for the day and are bringing a group larger than 5, you must call Diana Owens at (315) 657-1539 a day ahead to let the kitchen staff know you will be there and for which meals.

Lodging will be in the cabins and lodge, so bring your own bedding.

Pre-register with David Owens (315) 657-1538 or davidbowens61@gmail.com.
