Proceeds will benefit the Monmouth County Republican Committee. New Jersey law prohibits entities operating in certain regulated industries (casinos, financial institutions, insurance companies, utilities) from contributing. Election Law allows contributions with a limit of $79,000 per election cycle. A partnership or limited liability company may not contribute as an entity. However, a check from a partnership or limited liability company may be accepted so long as it is accompanied by a letter allocating the contribution to the individual partner(s) or member(s) and is signed by each contributing partner or member. The letter must include each contributing partner's or member's home address. A partner's total contribution, through the partnership or limited liability company and personally, cannot exceed the $79,000 per election limit. Contributions are not deductible for income tax purposes.
